"HOME LODGE" OF
PAST GRAND EXALTED RULER
GEORGE B. KLEIN

Brothers of "80" --

It is with a warm heart filled with sincere appreciation that I thank you for your confidence displayed in me. Following in the footsteps of "80's" very distinguished line-up of Past Exalted Rulers, seems at present an almost unsurmountable task. To this line-up, we now add PER Bob Clinkenbeard, who deserves our most sincere appreciation and thanks for the fantastic Fraternal Year just completed. To culminate Bob's year, he will be leading our Ritualistic Team at the State Convention this May 21st, at 2:00 P.M., in Scottsbluff. Kudos to Bob and Good Luck to the Team.

Barbara and I wish to thank Esteemed Leading Knight, Jim Rakers and his wife Dianne for handling the arrangements of the Installation and Inaugural Ball. Both events will remain among our truly memorable experiences. A sincere thank you to all Lodge Officers who helped Jim and Dianne and to PER Al Jacobs who lined up the Grand March and Brother Ron Dodd, who lent his MC expertise.

On behalf of the entire Lodge, I congratulate Brother Vic Meisinger on receiving the Elk-of-the-Year, an award he truly deserves.

At this time we are lining up our Lodge Committees and Chairmen. A complete list will be published in the June Elk-O-Gram and I encourage everyone to peruse the list and select a Committee of interest. A simple phone call to the Chairman will put the plus of involvement in your life and the wealth of your talents in the Lodge.

GET INVOLVED WITH "80" !!!

We, as a Lodge, are very fortunate in having our present facility and the Officers strongly encourage your participation in all Club activities. Our Club Manager, Dick Childs, has this past month, been reorganizing his staff and food service operation. And, he has assured us, the future will bring improved food, service, and quality for our dining pleasure.

As we embark on the voyage of a new Fraternal Year --

LET'S
GET INVOLVED WITH "80"

HELP WANTED

Someone who knows something about putting out a periodical like this, or who is willing to learn. It takes probably a couple of days a month, or probably a portion of let us say four days...two or three hours at a stretch.

The reason this issue looks so amateurish is that it was put together by an amateur! At one time there was an Elkogram committee, and the work was shared. Recently our former secretary assumed total responsibility for every issue...and that along with all of the other secretarial duties fell upon my not so broad shoulders!

With learning the ropes of office routine I find my hands pretty full, and the Elkogram comes close to being the last straw! Hence this plea for help.

I figured that with our Exalted Ruler on the podium selling his slogan of "GET INVOLVED WITH #80", I could take this opportunity to help some brother to get involved!

Also, there are those who have material to be published here, but through some bit of misfortune seem to miss the middle of the month deadline. This is a plea to such people to get the material in on time. (8677)

Now, this is not really a bitter complaint despite the fact that I DO want help. I must admit that the real reason for this long diatribe is that the Elkogram had to go to press today, and I was stuck with a couple of empty pages...Mothers Day menu took care of one page...and now this has taken care of the second!

As I said before.....HELP ! !

OF INTEREST TO DINERS

We welcome our new Chef, GEORGE GREEN, who is looking forward to the opportunity of working with the Elks. He especially appreciates the fact that he will be given full reign to express his own creativity in the preparation and presentation of fine food. George comes to us from the University Club after many years with the former Cornhusker Hotel. He has studied with the Culinary Institute in New York, has completed the Wine Institute course, and is still studying. Look for changes in appearance as well as flavor. A new menu is in preparation,

George will be carving on Mothers Day at the Buffet. Welcome him there!
