MORE INFORMATION TO FOLLOW

My Brothers, it has been 2 months since I assumed the position of Exalted Ruler of Lincoln Lodge #80. To say that these past 2 months have been active, is an understatement. By far, these have been the busiest 2 months that I have experienced in a long, long time. Planning for the activities of Lincoln Lodge #80 is very gratifying and yet a very time consuming duty. However, with help of the officers of the Lodge and the Appointed Committee Chairmen, the task has been completed. This year will be a full year with many activities designed to encourage participation from the membership and to show that Lincoln Lodge #80 is alive and a very vital part of our home town. We have over 50 committees which will be active during this year. That's "participation." The Chairmen of these committees would certainly appreciate volunteers to help with these projects. We are going at a very rapid pace and in order to maintain that pace we need YOU! We need you to volunteer and become an active member of this great organization. We also need your help in seeing that the life blood of Lincoln Lodge #80 continues to flow.

MEMBERSHIP is one of the primary goals that we want to achieve during '85-'86. We have many things to offer a member through committees, activities and just plain good old fellowship. Each and everyone of us should encourage our friends and relatives to join this great fraternity. Ron Dodd is Membership Chairman for this year. This is just one of his many duties. He is indeed a busy man. However, we found that when you ask a busy man to take on an activity, you can be sure that what you ask will be completed. He needs your help in every way possible to insure the success of his Membership Campaign. Let's get behind Ron and get this vital activity, MEMBERSHIP, on the road so that we can LOOK TO THE FUTURE with enthusiasm for the upcoming year.

I owe several people many thanks for the time that they have spent in planning the Inaugural Ball. It was absolutely great. To Dave Harrison and his fine committee, many thanks for a job well done. The food, the service, and the entertainment was perfect. Thanks, Dave. To Wes Durst and his committee in planning the ball. You have my heartfelt gratitude.

We are off and running for what we feel will be a tremendous year. Let's stay on track and continue with this exceptional opportunity that lies ahead.

Fratrally yours, as we look to the future,
TIMOTHY E. COX, EXALTED RULER

**Lincoln Lodge No. 80
Proudly Salutes
Edgar C. Decker
as Elk of the Month for May**

On the 1st of this month, Lincoln Elks Lodge #80 presented Edgar C. Decker as its May Elk of the Month. Ed was initiated into #80 on June 20, 1962. He served as treasurer 67-74 and was elected as secretary for the years 74-75.

Ed makes his home at 2200 Sheridan with his lovely wife Dorothy.

The next time you see Ed tell him congratulations and thanks for his efforts in Elkdome.

Tad McDowell

The new Chaplain of #80 was appointed recently and became a member in April of this year here in Lincoln.

He and his wife Jackie live at 3305 N. 63rd St. in Lincoln. They have one son, Michael, who will soon be entering the University of Nebraska.

Tad has been in the investment and insurance field for 6 years and presently works for Century Companies of America. Tad is also a member of Nebraska Association of Life Underwriters.

Pride/Proud. Pride is why many brothers are proud to be an Elk. Last Wednesday evening Brother Jim Rakers, Chairman of our Youth Activity Program, organized and presented awards and scholarships to the students of our local high schools. Seventy-four of the recipients, along with their parents, high school counselors, and administrators were present at our Lodge. Seeing the families and award winners made me proud to be a member of this excellent fraternal order. The pride of knowing who we are and what we do for the citizens of our community instills in each of us the knowledge and feeling that we do exemplify the motto of our order.

Knight's Corner

Children's Christmas Party, Youth Summer Tennis, Youth Golf, and 4-H support, you should be proud knowing that the committees of your Lodge are actively involved to insure that you are represented in these outstanding areas of youth activities. Be proud of what your membership accomplishes. Have pride in knowing that your support by membership and by active committee involvement provides so much for the children of our community. If you would have been present for the Awards Night, you could have felt the same chills run up your spine and shared my overwhelming pride, as these future young leaders received their awards and scholarships. I feel proud of what we do and it is with Pride that I share my feelings with you.

Kay Traudt has recently been selected as the new office secretary for the Lincoln Lodge.

Kay, a life long Lincoln resident and the wife of Brother Harvey Traudt, brings with her many years of "customer related" experience beginning in her early life in the restaurant with her father, Brother Brad Trimble, and more recently at First National, Gateway Bank, East Hills, Sartor Hamann, and Tony & Luigi's.

Kay's expertise in assisting the restaurant regarding hostess and "Party bookings with regards to private luncheons, groups dinners and wedding receptions will definitely be an asset to the lodge.

Please keep Kay in mind when you are planning any of the above, or just going out for a dinner for two - We think her personality and constant desire to serve the public will make you believe we've made an excellent choice.
