### I'M A NEW MEMBER

I see you at my meeting;  
but you never say hello,  
You're busy all the time you're there  
with those you already know.  
I sit among the members  
and yet I'm a lonesome guy;  
The new ones are as strange as I,  
but you old members pass me by.  
But darn it, you folks asked me in,  
and talked of fellowship,  
You could just step across the room  
but you've never made the trip.  
Why can't you nod and say hello,  
or stop and shake my hand;  
then go and sit among your friends  
now that I'd understand.  
I'll be at your next meeting  
perhaps a nice time to spend,  
Do you think you could introduce yourself?  
I want to be your friend.

Pratt, Kansas, Elks Bulletin

### Do you remember?

Exalted Ruler:  
Remember me?

I was part of a class you installed; my, was I ever proud, as at last I was going to be an Elk!

I can remember the membership drive and how much effort was put in to have a large class, by the officers and members.

I remember how proud each officer looked as he was giving the charge at his station. I listened to each charge and to be sure I would not miss any of the ritual.

I remember your closing words "after signing the Constitution and By-Laws, (you are) entitled to all its rights and privileges."

I remember my next meeting, all ready to meet with my new Brothers; oh, how I wanted to be a good Elk. But upon going into the Lodge room, I found the officers and members all sitting together in little groups here and there. I was a stranger in my own lodge. Oh, I came to lodge a few

times but always the same. The first thing I knew I was delinquent, just forgot to pay my dues. I wondered if the fire in your heart to make me an Elk was just for your membership roster for your year as exalted ruler.

Perhaps, if someone would have taken time to talk to me and ask why, I know I could have paid up my dues again and become a good Elk. That is what I wanted to be in the first place, so why not give me a minute of your time?

Signed,  
Your Delinquent Brother

My Brothers:

June has been an extremely busy month for Lincoln Lodge #80, starting off with the State Convention held in Kearney on the 7, 8 and 9th of June. Your Lodge was well represented at the State Convention. The Ritual Team took 3rd in the State in Ritual competition, and we took 1st in our Youth Activities brochure. This is something that the entire Lodge can be proud of.

Many people in Lincoln, Nebraska and the surrounding area are totally unaware of what we do as an organization for the youth of our community. Above all else, we are totally committed as a lodge to maintain this fine tradition that we have set. The youth of this community are truly the future and we as a Lodge are totally committed to our youth programs.

It is also a tribute to this Lodge that we were able to present a check for over \$2,800 to the Statue of Liberty Fund, bringing our total contributions to over \$5,000 to restructure the Statue of Liberty. These contributions came from local members, schools, Girl Scouts, Boy Scouts, and other organizations from within the city, but it started right here in our Lodge.

The remainder of June continues to be a very busy month, with the large number of candidates initiated on the 19th of June and also many, many reinstatements as a result of Ron Dodd and his activities as Membership Chairman. Great job, Ron. We are proud to have you on our team.

We look forward to a busy summer with many activities in July and August. It is easy to get excited about the future of this organization when we see many people putting forth great efforts to achieve their goals. With this type of enthusiasm we can surely LOOK TO THE FUTURE OF LINCOLN LODGE #80.

Fraternally yours,  
TIMOTHY E. COX  
Exalted Ruler

## June Elk of the month

Lincoln Lodge #80, BPOE salutes Ray A. Johnston as Elk of the Month for June. Ray has been a member of our order for 28 years. He has served as Chairman of the Veterans Administration Volunteer Service Committee for 12 years. Ray retired in February 1984 after 44 years as a salesman for L.J. Messer Co. and Big A Auto parts. Ray and his wife Jean live at 3112 Stephanos Drive. Congratulations Ray, and this is a little bonus to being Elk of the Year in 68-69.

## Girl Scout Gold Award

On May 5, 1985 at the First Plymouth Church here in Lincoln, PER Wirth made a very special presentation to four young ladies of our community. Pictured from left to right are Tory Tuhey, Becky Watson, Rhonda Rohren and Melissa Cummins. Each individual attained the highest achievement awarded to a girl scout which is the Girl Scout Gold Award.

During the presentation, an American Flag, a certificate, and the Girl Scout Gold Award charge was presented to each of them. Congratulations from Lincoln Elks Lodge No. 80 who stand behind girl scouting. "Today's Girls-Tomorrow's Future".

## Spring Golf Stag 1985

The Spring Elks Golf Stag was held at the Wahoo Country Club in Wahoo, Nebraska on the 23rd of May with 34 member Golfers and their guests participating. Rolls and coffee were enjoyed from 7:30 A.M. to 8:00 A.M. at which time a shotgun start sent the golfers on their way.

Ten flag prizes were won by Bob Toth, Bob White, Wayne Lewis, Milt Jaeger (2), Red Smith (4) and Vic Meisinger.

First place door prize of \$16.00 was won by Bob Robbins, second place prize of \$10.00 was won by Carroll Burns, third place prize of \$5.00 was won by Don Hoback and fourth place prize of \$3.00 was won by Vic Meisinger.

Low Net Trophy and Low Gross Trophy were both won by Bob Degenhardt.

Duffers Trophy was won by Ray Johnston.

After golfing, a very delicious meal of Sandwiches, Beans, Potato Salad and a favorite beverage was enjoyed by all at the Club.

## Bowling league

The Elks #80 Bowling League will start the 1985-86 bowling season on Tuesday evening August 27th at 9:00 P.M. at the Plaza Bowl.

Several bowlers will be needed to fill or sub on teams. Any Elk member interested in joining or subbing in the Elks Bowling league, please contact Mark Hegg at 435-4813 or Bob Nuss at 423-8880.

## "Desperately Seeking Committeemen"

Although this play on words from the recent movie Desperately Seeking Susan, appears entertaining, it is very truthful. As you may know, #80 has over 45 committees that have been put into action by our Exalted Ruler, Tim. Each of these committees falls under a Chair Office of the Lodge, who acts as liaison between each committee and the Exalted Ruler.

The success of any organization depends strongly on the active participation of the membership and involvement with committee work. And any committee can only be as strong as its members. Some of our committees can operate with very few members. Others require many members to fulfill the duties of the committee. But, nevertheless, **any committee can never have too many members.**

In behalf of all the Liaison Officers, I would ask that you pick out at least one committee to become a member of for #80. Pick up the phone and advise either; that Committee Chairman, Liaison Officer, or Lodge Secretary of your desire to help Lincoln Lodge #80 to "Look To The Future", by serving as a committee member.

## From the secretary's corner

Isn't Life Beautiful?? So much in fact, that **complaints** are few! June has been soooo exciting—

As of June 20th, Elks #80 has initiated 33 new members and reinstated 40 Brothers; Had 13 transfers in: Have lost 12, for a net gain of 74 members since April 1st!—Are we on the MOVE? Are you doing your share? Help us keep the ball rolling!!!!

My wife and I attended our first State Convention at Kearney on June 7th, 8th and 9th. Truly a **thrill**—what a superb group of "American Gentlemen"!! So proud when Lincoln #80 was recognized several times.

A Special 'Thank You' to Tim Cox and Sandy, our Exalted Ruler and Lady, and officers and wives for hosting Idell and myself on our 43rd Anniversary. You really made our day very **special** and we'll always cherish the memories.

The only **Sad News**: We still have 183 Brothers who have not paid their 85-86 dues—feel confident most of them will, as your Elk dues are less than 25 cents per day!!!

Our delinquent list will be published in the August Elk-O-Gram—all paid Brothers, please help your delinquent brothers get their dues paid—It's nice to be a paid member and qualified to brag about what our Lodge is doing. Your dues help our extensive programs every year. Thanks to each and everyone of our 1400 plus paid members for their support.

Help **GET** a Brother to join—

Help **SAVE** a delinquent Brother—

Happy 4th to All

Fraternally,

Ron Dodd, Secretary

PS We can use 3 or 4 more Brothers on our Membership-Lapsation & Reinstatement committee. Thanks to all who are active.

## Health tip of the month

High blood pressure or hypertension is a dangerous condition in which pressure of the blood in the arteries is higher than normal.

Normal blood pressure varies with the individual. There are two pressure readings. Systolic pressure is a measure of the blood pressure as the heart muscle contracts. Diastolic pressure of the blood pressure is when the heart muscle relaxes. In adults the normal range of systolic pressure is about 120 to 140 millimeters and the range for diastolic pressure is 65 to 90 millimeters. Blood pressure is stated as the systolic pressure over the diastolic pressure. A reading of 120 over 80 is about average blood pressure for adults under 40 years of age.

There are several factors that lead to high blood pressure such as age, sex, weight (obesity), diet, emotional state, and smoking.

Once high blood pressure is detected, effective treatment is usually possible. There are several ways to treat hypertension. Drugs can lower blood pressure along with special diets that are low in saturated fats and sodium (table salt). A reducing diet may help to lower an overweight person's blood pressure. People with high blood pressure are also advised to stop smoking.

Check your blood pressure once a month.

Good Health

Dave Eppert

Health Committee Chairman

## Knight's corner

Summer is here—but let's not take a vacation from our Lodge.

Traditionally, the warm weather and increased social time with friends, tends to drop the activity in the use at Lodge #80 facilities.

This year I would ask that each member use the summer to the benefit of our Lodge. What better time to get our friends aware of the facilities we offer. Let's all talk up the virtues of being an Elk. This **can** be the key to our September Class Goal of 50, if we all just do a little. Joint effort is what we need. Let's not let the "other guy" do it anymore.

Plan some summer activities at your Lodge. Going out to dinner? — Introduce your friends to the fine food offered in our Dining Room. Come out to our dances. use our bar facilities to quench that summer thirst. Come poolside for fun and relaxation. Take part in the summer activities at the Lodge and involve new people. Get new members and meet new friends. And while everyone is enjoying the summer, you'll be helping your Lodge.

Fraternally,

D.L. Dwyer

Esteemed Loyal Knight

## New Elks project — drug awareness program

Our own Bob Clinkenbeard heads the program in the Nebraska East District. A very impressive film was shown at state. This program is really up-to-date with modern times.

Aren't programs such as this, plus youth activities, Americanism, etc. worth the **dues** of being an Elk?

Stop by the office and get some of this information:

Yes you'll be proud:

- A. You paid your dues
- B. To turn a friend into a brother
- C. Get a delinquent to pay his dues
- D. To talk-tell-sell Elksdom

# NORWEGIAN CARIBBEAN LINES

## PRESENTS

Dear Brother Elk,

Your Exalted Ruler, Tim Cox has chosen a "Caribbean Cruise," as his theme trip of the year. The departure date is February 23rd, 1986. The ports of call are Puerto Plata, St. Thomas, San Juan and Nassau. The name of the ship is the "Southward" and a part of Norwegian Caribbean Lines, an excellent cruise company.

It is important if you are interested to let us know immediately. The cost of the cruise is \$1120.50 per person and includes air from Omaha. We have chosen inside rooms with double bed, however this can be upgraded if you call us soon. The deposit is \$100.00 per person, with another \$500.00 per person due October 23rd and final payment due December 23, 1985.

On October 1, (Tuesday) evening we are planning a cruise night and certainly hope you all will attend. This will include a dinner, fashion show and the representative of Norwegian Cruise Lines will be here to show us a film of the cruise and answer any of the questions you might have. He also will be bringing some door prizes.

While this may seem somewhat in advance of the cruise and the cruise night, in order to secure the rooms planning must be done well ahead.

Don't miss out on this exciting event! Both Tim and his wife are looking forward to your joining them on the cruise.

Remember, it's cold in February and what better way to escape the snow and ice and relax in the warm sunny waters of the Caribbean.
