Not too early to make reservations!

My Brothers:

Many thanks for the good response to our Football Saturdays at the Club. The food and service continues to be very good--thanks to our manager, Dave Harrison and his co-workers.

Thank you to Dennis Dwyer and Rob Armagost and their committee for another successful tennis tournament. Many favorable comments were expressed.

Hope to see all of you who are interested in the Caribbean Cruise on Cruise Night, October 1st. Dinner will be at 6:00 p.m. and the show at 7:30 p.m.

Chip Lange, Chairman of the midget Football reports that our teams are doing very well -- B & C

teams are undefeated thus far. The overall efforts are 10 wins; 2 losses and 2 ties. A schedule is posted at the Lodge -- come on out and support the teams -- the kids would love to see you.

Ron Dodd reports that response to the Gay Blanc Roast is very good. Remember to get your reservations in as soon as possible for the night of October 9th. Tickets are available at the Lodge -- \$25/couple if purchased before the 9th -- \$32.50/couple at the door. Cocktails at 6:30 p.m., dinner at 7:00 p.m.; entertainment at 7:45 p.m. and the Roast will be held at 8:15 p.m. Let's show our support for PER Gay Blanc who also is currently 1st Vice President of the Nebraska State Elks Association.

Good efforts always pay off!! Thanks to the many brothers who proposed new members and the Secretary Ron Dodd who successfully added 50 new members for the month of September, 1985. Thanks All.

According to PER Jim Rankers, Youth Activities Chairman, Lincoln Lodge #80 will host a Principal/Counselor dinner on the evening of October 15th as a thank you for their continued cooperation for our Youth Activities Programs. Principals and Counselors from Lincoln and the surrounding area schools have been invited to attend.

Visiting Lincoln Lodge #80 on October 16th will be our District Deputy--Grand Exalted Ruler, NE East -- William B. Zostera. This is our regular meeting so we hope we will have a big turn out to welcome Brother Zostera to our Lodge.

Lincoln Lodge #80 applauds the total efforts of our Trustees and Lodge Officers -- we're all pulling in the same direction, thanks to Chairman PER Charles Kruse.

Exciting things are happening at the Lodge and the Club -- come on out and be part of them!!!!

Fraternally--

As We Look to the Future

Exalted Ruler

“Have you earned tomorrow”

Is anybody happier because you passed his way? Or is someone mighty grateful for a deed you did today? Is a single heart rejoicing over what you did or said? Does a man whose hopes were fading now with courage look ahead? As you close your eyes in slumber, do you think that God would say "You have earned one more tomorrow by the work you did today?"

Health Tip of the Month Weight Control

While many factors, affect weight, most people gain weight when they take in more calories than they burn up. A calorie is a unit of food energy. Weight is lost when fewer calories are taken in than are burned up.

If you need to lose weight, there are two ways to do it. You could decrease the number of calories you take in each day. Or you could increase the amount of exercise you do each day.

The number of calories varies in different foods. Learning about calories can help in planning a diet. It offers the dieter freedom to choose. Different types of foods that have different calorie and nutritional values can be chosen.

When dieting, one must be careful to include foods from all four basic food groups. Cutting calories does not mean cutting nutrients.

A person can lose weight on a diet that includes all the proper foods but in smaller amounts. One should not plan to lose large amounts of weight each week. One to two pounds is a reasonable amount of weight to lose in one week. This will make the weight loss slow but steady. The person will be more likely to keep the weight off permanently.

Next month I will focus on how to use exercise to help lose weight.

Trustee Bud Dietrich presented E.R. Tim Cox a check for \$100.00 for the Statue of Liberty fund from the American Historical Society of Germans from Russia.

Fine Committee Work

As our lodge year reaches its half-way point, I want to take this opportunity to express my sincere thanks to the Chairman and the members of those committees under my Laison.

Some of these committees have completed their duties for the year, but are no doubt already planning for the upcoming season. These include Bob Mullendore's Pool Advisory Committee and our Tennis Tournament Committee. Both of these committees had an outstanding year.

Other committees are just getting cranked up. We look forward to community youth service by our Drug Awareness Committee chaired by Gale Griess. And although the snow isn't flying yet, the wheels have been set in motion for our 78th Annual Children's Christmas Party. Bob Wilson's Recognition Committee will have their first taste of action in the trenches with our Grand Exalted Ruler District Deputy Visitation on October 16th.

For those committees that work throughout the entire Lodge year, a special thanks. Dave Eppert's Health Committee gives us very helpful and informative tips each month. P.E.R. Jim Ditton & Ed Deckor have done an outstanding job on the Elk-O-Gram. And our Subordinate Forum, Chairman, P.E.R. Joe Cartotto, stands ready to serve. Our P.E.R. Advisory Committee is showing progress. As with any new committee, things don't happen over night. But I feel that with the continued support of all the P.E.R.'s and Lodge Officers, we will make ongoing progress. Special note of thanks here to Vince Collura, P.E.R., for allowing this committee into his home for our special August meeting. A super evening enjoyed by all.

New Brothers & All Lodge Members. — Committee work is the backbone of our Lodge. And with all the various committees working, there is always room for additional hands and minds. Contact the Lodge Secretary or any of the officers and join a committee of your interest. Each and every one will appreciate the help. Be an active member of #80.

Thanks again to all my chairman and committee members.

Dennis Dwyer

Brother Elks

It is a pleasure to be an Elk. This summer while on military duty I spent the entire summer out of state. This enabled me to see other lodges out of state. The military experience was gratifying, however, the brotherhood experienced with Elks from other areas was certainly one of the most rewarding experiences of all. Other brothers are extremely proud of their lodge homes and of all Elksdom, as they rightly should be. The real pleasure of visiting other lodges reinforced my feelings about the importance of the lodge and the lodge home. We should all be proud of our fine lodge home. It provides us excellent opportunities for brotherhood, recreation, fellowship and dining. The new menu for the club offers excellent choices for dinners, and the food served is even better!

The lodge meetings are informative and are very important to the lodge as they provide a means for direct communications about our local lodge and other state and national activities. It is a true opportunity for each brother to learn about lodge activities, share their opinions, and take part in lodge business.

You can be proud of your lodge's accomplishments, its officers, trustees, and committees. They work and work hard for Elksdom.

I personally invite each and every one of you to participate in the club activities, enjoy the excellent food, six nights per week, and the fine bands which are present every Saturday evening. I will also ask you to mark the first and third Wednesday of every month on your calendar. These are lodge nights, the evening when our brothers meet to discuss the business and activities of the lodge. Your lodge has done an excellent job; be proud of it. But it could be even better with increased brotherhood. I hope to see many brothers both in lodge and in the club very soon.

News from "your dinning room"

The response, from our new menu is fantastic. We are listening for feedback from you. All we've heard so far has been positive!

This month were looking at more reduced prices on some regular menu items, and with fall here Chef Lou is resurrecting the "all you can eat" on Fridays, Oct. 18th & 25th. In the past chicken and fish were popular and expected to be again this fall and win-

ter. If you want it, we've got it!

The first Football Saturday was exciting and well received. Many enjoyed only the lunch. Several rode the bus only, but most took advantage of both and the complimentary cocktail after the game! For \$5.50 total it's a steal kind of deal.

During October we will continue to post 10 membership CARD numbers in the Lounge for Free Dinners Mon-

day thru Friday. The list of losers is longer than the list of winners. When in the club take time to check the back bar (main floor) for your number.

A reminder - Christmas party space is getting limited. If your office or company is not booked for the Holiday Party give us a call. We'll have nightly entertainment along with excellent facilities, and food you would be proud of!
