## Memorial Services, December 1, 1985

The first Sunday in December is traditionally set aside in every Elks Lodge to commemorate the memory of departed Elks Brothers. During this impressive service, a wreath is laid beside our altar in honor of each member who has been laid to rest this past year. The Memorial Address will be given by Father James Dawson and the Officers of the Lodge will conduct the Ritual Service. The service is open to the public and we urge you to attend and to bring your family and friends. The Service begins at 2:00 p.m. in the Lodge Room.

Kids are great — full of excitement and enthusiasm — all of this was quite evident at the Midget Football Dinner held on Sunday, November 16th at the Elks Lodge. We had two City Champions for 1985, Teams B & C. Team "B" player, Joel Juifs was awarded the Shawn Schwaller Memorial Trophy. Here is how the season ended: TEAM A - 2W; 4L; 1T — TEAM B - 6W; 0L; 1T (haven't lost a game in 3 years) — TEAM C - 7W; 0L; 0T (have 29 straight wins for 4 years) — ROOKIE TEAMS (3) — 5W, 2L — 4W; 3L; 3W; 3L; 1T. Our congratulations to the members of all the teams not only for their fine records, but also for their good sportsmanship on and off the playing field. Our congratulations also to George Windgrove, Chairman;

LODGE MEETINGS—FIRST AND THIRD  
WEDNESDAY EVENINGS 8 P.M.

Ladd Hershner, Athletic Director, to Chip Lange and all the coaches who have helped make this another successful and rewarding season.

Our chairman, Dennis Dwyer tells us that all systems are go for the Lincoln's Children's Annual Christmas Party at Pershing Auditorium on December 24th — program begins at 9:00 a.m. Brothers, the sacking party will be held the day before at Pershing Auditorium. We'd like to have as many of you as possible come on down and help us fill the sacks with goodies for each youngster to take home.

The Memorial Service for departed Brothers will be held on Sunday, December 1st at 2:00 p.m. at our Elks Lodge. All Brothers and their guests are invited to attend this service.

Ron Dodd, our Secretary, has announced that the date for our first meeting in January has been changed to January 2nd, which is a Thursday evening. This was necessary because of the New Year holiday. At this meeting we will be honoring our first group of 'Teen of the Month' winners from our local Junior High Schools. Also, just a brief reminder to keep the membership applications coming — new members are always welcome and needed to help on our various committee activities.

If your group is interested in ren-

ting a party room during the holiday, check with our club manager, Dave Harrison. Space is filling up!!

Have you thought of your plans for New Year's Eve yet? Why not join Sandy and I, and all Brothers of the Lodge and their guests for a gala New Year's Eve party here at our Elks lodge. Our club manager, Dave Harrison, invites you all to make your reservations early. The cost is \$30 a couple which includes party favors, dinner choice (see add in the Elk-O-Gram) complimentary hors d'oeuvres before dinner, complimentary champagne at midnight and dancing to Lou Arnold's orchestra from 8:00 p.m. to 1:00 a.m.

Our club will be closed Christmas Eve, Christmas Day and New Year's Day.

Sandy, Debbie, Anna and I would like to wish all of you the best of Holiday Wishes for the season and the coming year.

A heaping cup of Holiday Joy  
A generous measure of good cheer  
Equal parts of Love and Peace and  
Happiness for the coming year!

Place ingredients in warm surroundings,  
Combine with lots of merry laughter. . .  
Garnish each portion with good fortune

Serve with smiles forever after!  
Fraternally yours,  
as we look to the future.

## Who Is This Guy?

Man of leisure? No way! He is Ron Dodd, our Secretary and Membership Chairman. The one person who has done more for membership in 1985 for Lincoln Elks Lodge #80 than anyone. But he needs our help. Make a personal pledge to recruit at least one new member by Jan. 1, 1986. I know everyone can think of a friend, business associate, neighbor, or relative who would be a fine addition to our membership. But you have to ask them. A Brother Elk asked you. Now it is your turn. Give Ron the support that he and No. 80 deserve. Let's help him reach our goal before April 1, 1986.

Esquire and Member  
of the Membership Committee

## Health Tip of the Month

Good health habits practiced daily contribute to physical fitness. Sufficient food, rest, relaxation, sleep and exercise play an important role in achieving fitness. In addition, proper medical care is an important factor for maintaining fitness.

Exercise improves muscle tone, digestion, respiration, strength and endurance, alertness, agility, and coordination. Regular exercise helps the heart in the following ways — improves functioning, heart muscle become stronger, gets more rest, and it pumps a greater volume of blood with each beat. With regular exercise, the respiratory system gains in efficiency also. Exercise also improves nerve muscle coordination. Exercise also helps keep the digestive system in good condition.

If you are about to start exercising after a long period of physical inactivity, begin gradually. Exercise is important but it must be adapted to individual needs.

**STAN CAPPS  
A REAL MAN AND  
OFFICER OF  
LINCOLN LODGE #80**

Stan is currently completing his fortieth year as an officer in our association. I have heard that there have been officers who have served for many years in our lodge. Brother Glen Roshon served for about twenty years as Tiler and Brother Ben Myers served for about twenty-five years as Chaplain, however, Stan has served as our Organist for the past 40 years. I don't know if this is a record but it is certainly worth noting.

If you have been initiated during

**January—

Ruler Month”**

We need new members!! Have you signed one? Our goal—150—we need 83. Please sell Elkdom to someone & turn his application in.

this time period the ever-present person that added so much beautiful music to your ceremony of initiation has been none other than Stan Capps. He is the fantastic musician who has added so much to our lodge that most of us will never totally realize what a fantastic officer we have had the opportunity to work with. Brother Stan has recently been voted to active life membership in our great order, an honor which is certainly justified for such a dedicated man.

As a special honor, Exalted Ruler Tim Cox has declared that the initiation class for the month of February will be in honor of Brother Stan. February is P.E.R. month and it is totally fitting that this class be dedicated to Stan as he has been the organist for all of our P.E.R.s except for one. Our Past Exalted Rulers will be working hard along with the officers and trustees to ensure that there is a class to be initiated which is truly worthy of the likes of Brother Stan. In all likelihood Stan helped in your initiation also, so this would be an ideal time to show your appreciation by sponsoring a new member for the special STAN CAPPS initiation class, February 1986. Mark your calendar and work for #80 and for Brother Stan.

Every new day is full of newness if we only take the time to consider who we are and what excellent opportunities we have. Even though I have been aware of the Elks Bowling League for many years this is the first year that I have really become aware of this excellent group of brothers. There has been communication between Brother Bob Nuss, Chairman of the league and myself, however, Bob usually tells me that things are going fine and that has been the end of my league knowledge. This year is different. Brother Vic Meisinger asked me this fall if I would be interested in bowling on a league team. My response was that if you would like to have someone with a meandering average who will never set the world on fire, then I'm your man. The team has not benefitted by my part time presence, however I have benefitted as a result of this new association. You can all be assured that the principles of our order are well in order in this group of brothers.

If it were not for the excellent rendition of Brotherly Love there certainly would be a request for me to become a member of another team. For those of you who have not had the opportunity to be a part of this excellent group of brothers you should take the time to become better acquainted. The group bowls every Tuesday evening at 9 PM at Plaza Bowl. Each team in the league tries hard to win. However the brotherhood exhibited by the teams, the team members, the chairman and the league officers make me proud to have the opportunity to meet and participate with this fine group of brothers. I would like to take this opportunity to thank each of the team's sponsors and participants, with a special thanks to chairman Nuss and to Brother Vic for inviting me to share this new opportunity of Brotherhood.

## How about a great big hand for PER Jim Rakers

Brother Jim has served as our lodge's Youth Activities Chairman for the past twenty years. He began serving in this position shortly after becoming a member of our lodge and has served faithfully ever since. The result of this excellent dedication has led to Brother Jim's appointment as the Elk's State Scholarship Chairman.

Last month Jim started off his annual pursuit of recognition of the youth of our community with his annual meeting with the principals and counselors of the schools within our area. As a result of this committee's excellent work the number of schools and students participating in our youth activity program continues to grow.

In his usual professional manner Jim briefed all personnel in attendance about the Teen of the Month program and the scholarships which are available to the youth of our community. Excellent job Jim, KEEP IT UP!

We would appreciate small items such as playing cards, toilet items, letter writing materials, paperback books, crossword puzzle books, or any such items of this nature.

These gifts will be picked up on Monday, December 23 and delivered to the Veterans Hospital by members of the Elks Veterans Hospital Committee on December 24th, after our City-Wide Christmas Party.

Thanks, in advance. . . .
