#80!!!

The first month's activities have been extremely gratifying and enlightening. I would like to thank Esteemed Leading Knight, Dennis Dwyer and other Lodge officers and members for the excellent job of arranging for and decorating for the Inaugural Ball. It was thoroughly enjoyable to be entertained by a nine piece orchestra, The Revelations, that played for the Ball. Those in attendance had the opportunity to listen and dance to a "Big Band" sound that filled the Lodge with beautiful music. My wife Joanne and I, and friends are very appreciative of the effort expended by all those who helped make that a special evening for us. The attendance of PGER George Klein and his wife Ruth, State President Stan Quigley and his wife, Mitty, and 1st Vice President Gay Blanc and his wife Lois, and other Lodge PER's added to the honor of the occasion.

Brother Vince Collura continues to add respect for our Lodge in his Americanism activities. Through his efforts and leadership we are #1 in the nation in contributions per member to the Statue of Liberty Fund. We are currently still leading the nation for the current year. Vince was selected by the Governor to chair the special week's celebration during May when the Freedom Van toured the state. His hard work and dedication to Elkdom and Liberty have bestowed honor on all Nebraska Elks.

The week of May 11th was Youth Week for our Lodge. PER Jim Rakers, Committee Chairman for Youth Activities, again did a superb job of preparing our Lodge Youth Day observance. Approximately 78 students were recognized Wednesday evening, May 14th, for their leadership and achievement in their respective high schools. Nine additional students received recognition in the form of special scholarships they had earned from our lodge. Lodge officers, borthers, their wives, and the Does, assisted him as our

Lodge honored these young leaders.

During the past month additional committee chairmen have been named and have started work with their committees. Brother Vince Meisinger continues to chair the Saturday Football Committee. Brother Lee Lamson will chair the Youth Baseball Committee, and Brother Bill Woltemade will chair the Bequests, Wills, and Gifts Committee.

Summer and Fall activities are currently being scheduled - A Dog Race trip, a Football trip and Elks Day at the Races. Watch the Elk-o-Gram for information about these events. Your Lodge officers have been working hard and practicing diligently in preparation for the state ritual contest.

The State meeting is in North Platte on June 6-8.

The officers are very excited about this competition, but are more excited about being able to attend the installation of our Brother Gay Blanc as the State President for Nebraska Elks Association for 1986-87.

We are off to a good start!

Ritual Is For Everyone

When a brother Elk thinks of Ritual—The first thing that comes to mind is the Initiation Ritual. True, its importance is kept in our minds every month when the Lodge Officers perform this ceremony. Also, by the fine work Lincoln #80 has shown in the District, State, and National Contests.

But I would like to remind each and every Brother of another form of Ritual that is for **each** member. I am speaking of the Elk's Funeral Ritual that is available to every member in good standing in our Order.

I have had the opportunity to arrange for most every type of special ceremony by virtue of my profession, and have seen many fine organizations perform their renditions of their funeral rites. As a personal opinion, I find the Elk's Service among the best.

The Benevolent and Protective

Order of Elk's thinks very highly of those Brothers who are no longer in our presence. The Eleven O'Clock Toast is a prime example of this remembrance.

Recently the Officers were called upon to do an Elk's Chapel Service. It struck me that this was the first occasion that we had been asked since I became a Lincoln #80 Officer. This leads me to suspect that perhaps our brothers and their families are unaware of this service provided by your lodge. There are basically two types of Elk's Funeral Ritual. The first is an Elk's Chapel Service. This is held in conjunction with the mortuary or Church Service. The second is the Elk's Gradeside ritual, held at the location of burial, entombment, etc.

Either of these are performed by the current Officers of #80, as are available with the assistance of P.E.R.'s as necessary. It is very im-

portant to make your Funeral Director aware that an Elk's Service is desired and what specific type is requested. He will then arrange and coordinate these details with the lodge. Also mention of membership should be noted in the obituary even if an Elk's Service is not requested. This allows the Funeral Director to display our Elk's Floral Tribute. I and every Funeral Director in town has this in their possession strictly for this purpose.

For additional information regarding this subject, please contact me personally or our Lodge Secretary.

On behalf of all the Officers, I would like to express our desire and willingness to participate in the capacity for our members. This is not an infringement on the Lodge—but rather an honor and duty to a Brother.

Gay Blanc

On June 8th our own PER Gaylord Blanc will be installed as State President of Nebr. Elks A Great Honor for #80. A Great Tribute to a dedicated Elk.

This event should motivate us all to help make our Lodge #80 **Bigger & Better.**

#80 has produced some Nationally well-known Elks, such as George Klein, Vince Collura, etc. Gay will be no exception.

He may be a **Blanc**, but he's a dynamo & will make us all proud of #80.

Let's get behind Gay & Lois this year—Make this year fine, by making #80 shine.

Attention: RV'ers & Travelers

Dear Elks Brothers,

have you ever been traveling and stopped in a strange town, only to discover there was no ELKS LODGE, and set in your motel room for the night -- or have you stayed in a community where there was a LODGE and enjoyed the fellowship of your Brothers? You know you are never a "stranger" in a town where there is an ELKS CLUB, not would your spouse be if she were traveling alone and had car trouble.

Why not order a new 1986 TRAVEL DIRECTORY OR ELKS CLUBS-USA today? It will fit conveniently in your glove compartment, and lists alphabetically, by state, Lodges throughout the United States. Remember, the low price of this directory will be repaid in your first few stops at a "new" LODGE --plus the fellowship is something **No One** can put a price on.
