Rod Dodd, Secretary

To kill an Elks Lodge:

1. Stay away from all meetings.
 2. If you do come, find fault.
 3. Decline office or appointment to a committee.
 4. Get sore if you aren't nominated or appointed.
 5. After you are named, don't attend board meetings.
 6. If you get to one, despite your better judgement, clam up until it's all over. Then sound off at the bar on how things should really be done.
 7. Do not work if you can help it. When the old reliables pitch in, accuse them of being a clique.
 8. Oppose all banquets, parties, and shindigs as being a waste of the members' money.
 9. If everything is strictly business, complain that the meetings are dull and the officers are a bunch of old sticks.

6th Annual Jr. Golf Tournament

For your information, the above referenced tournament committee members wish to say "Thanks". Thanks for your son playing in our golf tournament and we surely trust that everyone had fun. Six trophies were awarded, 8 flag prizes and 10 special putting prizes were given. The committee wants you to know that all of the young players were given an excellent rating for their conduct in and about the Club House as well as on the golf course. We had fun and were pleased to have worked with and served with all the players. Hopefully, all who can will choose to join in again next year.

Sincerely,

Elks National Foundation

Popularly referred to as the "Great Heart of Elkdom", the National Foundation was started in 1928 to create and maintain a permanent fund supporting charitable, educational and benevolent activities. The growth of this fund relies on voluntary gifts and subscriptions without compulsion of any kind. In order to keep the fund permanent, guidelines dictate that only the interest is available for use. Even with this restriction, over \$8 million is distributed annually, funding the Drug Awareness Program, the "Most Valuable Student" annual scholarship competition, Vocational Grant assistance, Veterans Hospital Programs and many more very worthy endeavors.

One need not be an Elk or a relative to receive benefits from the Elks National Foundation, so it follows that participation is not limited to Elks alone. Donors may be ladies, non-Elks, families, groups, companies, corporations or anyone who believes in the good works of the Foundation.

The most popular form of participation is the \$100 Participating Pledge which is generally payable at the rate of \$10 per year, or in full. The Honorary Founder pledge and the Permanent Benefactor pledge are for amounts of \$1000 and payable in increments of \$100, or in full.

As the Lodge year progresses, I will be bringing you more information, about the Elks National Foundation. Future correspondence will contain membership blanks and donor cards, but you need not wait to become a part of this vital and most highly regarded effort. Leave your name and number at the Lodge office or call me at home. 467-3911.

I look forward to serving you and the good works fostered by the Elks National Foundation.

Fraternally,
Bob Kloch, Chairman
National Foundation Committee

Veterans Benefits #2

HOSPITALIZATION:

Eligibility -

Discharge or release from the active military service under conditions other than dishonorable.

General Admission Priorities:

First -- Veterans needing hospitalization because of injuries or disease incurred or aggravated in line of duty in active service have top priority for admission for treatment of the service-incurred or service-aggravated disability.

Second -- Veterans who were discharged or retired for disability incurred or aggravated in line of duty or who are receiving compensation, or would be eligible to receive compensation, except for receipt of retirement pay, who need treatment for some ailment

not connected with their service, will be admitted as beds are available.

Third -- Veterans who were not discharged or retired for disability or are not receiving compensation, and who apply for treatment of a nonservice-connected disability may be admitted to a VA medical center (1)if hospitalization is deemed necessary, (2)if they are unable to defray the cost of necessary hospital charges elsewhere and (3)if beds are available. NOTE: The "Inability to Pay" requirement does not apply to any veteran who is 65 years of age or older, is in receipt of VA pension, is eligible for medicaid, is rated service-connected, or is a former Prisoner of War (POW). Also the requirement does not apply to veterans re-

questing medical services in connection with exposure to dioxin or exposure to toxic substance in herbicide or defoliant (such as Agent Orange) used for military purposes in Vietnam, August 5, 1964, through May 7, 1975; or to veterans requesting medical services in connection with exposure to ionizing radiation from the detonation of a nuclear device as a result of participation in either the testing of such a device or the American occupation of Hiroshima or Nagasaki, Japan, between September 11, 1945, and July 1, 1946.

Apply at any VA medical facility. Next month there will be an article regarding Nursing Home Care in the Veterans Administration.

From the Dining Room:

With the wedding season in full swing I feel an apology is in order for any inconvenience caused by private Receptions booked on the Main Floor on Saturdays. Bottom line is the financial benefits derived from these parties and recieved by the Elks to make the restaurant more supportive to the Lodge. Please always remember there is ALWAYS space available for your dining even when the Main Floor is booked with a private party. These dates will be listed in the Elk-O-Gram calendar monthly.

The pool committee has opened periodic dates to the General Elk Membership so regular members can also enjoy some of the activities during the summer outside. Three dates in July are the July 4th

celebration with games scheduled from Noon, Buckets of Chicken, Cole Slaw, Potato Salad, Corn-on-the-Cob noon till 6:00 and cocktails/soft drinks available throughout. You're also invited to stay at the pool and watch the fireworks from Holmes Park. Next is Beer and Burgers (50¢ each) on Wednesday, July 9th from 6:00 till 8:00 PM (only menu available) and then the Annual LUAU on July 19th. (See information elsewhere).

Beginning Friday, July 11th the Lounge will open each Friday at 4:00 PM with reduced cocktail prices and complimentary Hors d'oeuvres from 4:00 PM until 7:00 PM - a nice way to finish the work-week with friends - and all for You. Sincerely
