Girl Scouts take over the Capitol Rotunda

By Stephen Wirth ER/PER, Girl Scout Gold Award Chairman

On Sunday, June 12th, Nebraska's State Capitol was alive with girl scouts everywhere. What a turn out it was. Tracy Stewart, Program Specialist, had everything in order and the ceremony ran smooth.

A total of 74 Bronze Awards, 23 Silver Awards and 8 Gold Awards were presented. Guest speaker was Retired Brigadier General, Roma Amundson, of the Nebraska Army National Guard. Her words were very informative as well as inspirational. ER Wirth spent many years serving with General Amundson during their military careers together. In addition, Nancy Vallis, Secretary of the Homestead Order of the Silver Trefoil and staff, had a beautiful reception was attended throughout the afternoon. Lincoln Lodge #80 takes pride in providing American Flags, certificates and help in sponsoring the reception for the awardees.

Thanks to all the Elks who attended and made this an enjoyable day.

*"New names and faces...
The same objectives."*

As the National Convention in Phoenix approaches, we welcome the new leaders with open hearts and minds. There is work to be done to improve our Order, and there are many opportunities for everyone. I am confident under the new leadership we will move forward and continue to "Promote Elks Passion."

Sandra and I can't put into words the gratitude we have for the opportunity that the year provided. The thousands of people we have the pleasure of calling friends will remain with us forever. The various Major Projects, as well as local programs we had the privilege of witnessing, make me PROUD to be a member of the B.P.O.E. of the United States of America. We thank each of you for allowing us to serve as your National President/Grand Exalted Ruler and First Lady. We look forward to the future, the challenges and the positive results.

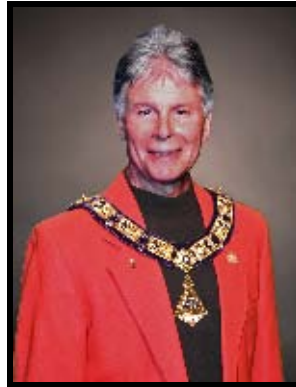

Our Order will continue to encounter the need for change and the ability to adapt. Without exception we must eliminate the declining membership trends. The fact that other civic groups and fraternal organizations are experiencing a decline offers us the chance to show our resilience like never before. (Resilience as demonstrated by your ENF donations – a record year!)

We must focus on our Members. We know many of our Members do not attend Lodge meetings; then how will they ever know who is initiated? How will our Members make the new Members feel welcome?

I have written of the success some Lodges are having by asking new Members to wear name badges until they feel comfortable at their home Lodges. This allows our existing Members to recognize and welcome them. Have a new Member "meet and greet" every quarter. We MUST quit losing members for non-payment of dues. Statistics support the fact that we are initiating enough new Members to generate a positive growth.

Most of us know printing a list or sending a letter is not the solution. Make these new Members your friends. We need to pay attention, have fun and share it.

**BE PROUD...BE LOUD... BE VISIBLE....
and may God bless us all.**

Dear Elks and Does,

Many of you are aware, that over the years, I have been very active as a lodge officer, as a Ritual team member as well as a Ritual coach. These past four months I have witnessed a group of individuals who have come together who are truly remarkable. Not only has this group won the State Ritual Championship for the 3rd year in a row, but each have worked even harder to prepare for the National Convention's Ritual contest to be held in Phoenix, Arizona on Saturday, July 16th at 10:00 A.M. In addition to all of the one, two and three a week practices, this group even found time to put on three very successful fundraising events which included Mother's and Father's Day breakfasts' along with a Spaghetti Feed. You don't want to get in their way, back in the kitchen, where the orchestrating takes place. Everyone has a place and a task to perform to pull these events off. Many faithful witnessed the Breakfast Club in action.

From air-light Belgium waffles to meatballs hand pack with love, the food has been superb. Besides the Ritual performers, our thanks go out to coach Rich Todd, Connie Moore, Spencer Hagan, Bobby and Suz Clinkenbeard, Mary Brooks, Carrie Fiedler, Denis Applebee, Bob Sindlar, Linda, Alexis and Nicholas Rienks, Debra Sneller, Deborah Burns and Waunita Peterson. Without your busy hands, Candidate Larry Schwindt would have had to work even harder. Most of all, 'Thank You' to all of the eaters and contributors for making this third trip in a row to Nationals one we will truly remember, forever.

A Special Night Indeed

By Stephen Wirth ER/PER

Last but not least. On April 6th, the night our 2011-2012 Officers were installed; it is customary to present the "Officer of the Year" (chosen by PER Assoc.) and the "Elk of the Year" (chosen by 2010-2011 ER Jacobsen and her officers). The individuals who received these impressive awards have put in many hours of their time, energy and financial support for the betterment of our order. Congratulations to 2010-2011 "Officer of the Year", **Larry Bratt** and "Elk of the Year", **Rich Todd** for their well deserved recognition.

If you know of someone that should be recognized for sickness and distress, please let me know. Contact me at **402-430-6002** or **DrRienks@nebraskaeyes.com**. I will respond accordingly.

Loyal Knight - Sonny Lane PER

The position of Loyal Knight means to be LOYAL to the order. It is not just my responsibility but the responsibility of the entire membership. We are going to hold YOU accountable. As Membership Chair I have established a new member contest. The Lodge membership will be divided in half and one team will be captained by Larry Bratt and the second team will be captained by Larry Schwindt. When a new member is initiated the proposer will receive a Bronze EORO (Each One Reach One) pin. The team of the proposer will get a point. If the member proposes a second member they will receive a Silver EORO pin. If a third member is proposed the proposer will receive a Gold EORO pin. The new member will be assigned a mentor and if the mentor is successful in getting the new member to attend 2 Lodge meetings another point will be awarded to that team. If the mentor gets the new member to attend and WORK at an event or dinner another point will be awarded. The prize for this contest is that the winning half of the Lodge will be served a dinner cooked and sponsored by the losing half of the Lodge. We will all be held accountable. Even if we don't see you at the Lodge, you will be called and asked to contribute to the cost of the dinner if you are on the losing team. So get out there and promote EACH ONE REACH ONE for the sake of our Order and for our Lodge. Results will be posted in the EOG.

Lecturing Knight - John Brooks PER

I'll share with you our memories,
Of life we lived together;
I'll give a gift of laughter,
To carry you through stormy weather.

So as you look back through the years,
Just look inside your heart;
As long as we share Brotherly Love,
We'll never be apart.

Elks Lodge 80 to Host the 2nd Annual "Kick Stands Up for Kids"

By Amy Jacobsen PER

It is a pleasure to announce that our Lodge will be the final stop for the Reguladores charity motorcycle ride and raffle on Saturday, July 30th (rain date is August 6). Money raised is for the Child Advocacy Center in Lincoln. The Reguladores are a Law Enforcement Motorcycle Club.

The Reguladores began 10 years ago in Corpus Christie, TX. The local chapter has been in existence for about 4 years. Nationally, the group has generated over \$500,000 in the last 5 years for charities. The club is the fastest growing law enforcement group in the nation. It is a civic minded group and promotes safe riding and raising money for charities. To be a part of the group you need to be active or retired law enforcement, military or be vouched for by one of its members. Our lodge will be serving food for the group when they make their last stop at Lodge 80 sometime after 5:00 p.m. In addition to donating the use of the Lodge, we will be donating back \$1.00 for each meal sold to the Child Advocacy Center. Established in 1998, the Child Advocacy Center (CAC) provides help for children who are victims of serious physical and sexual abuse. Working with law enforcement and other agencies, the CAC offers a safe, child-friendly environment for forensic interviews and medical evaluations of the child victim, and on-going support for the child and non-offending family. We are proud to be a part of this event.

You are invited to come out to enjoy seeing the bikes, some food and the raffle. Last year they had over 60 people and they expect an even bigger crowd this year.

"Abbie Gets To Go Camping!"

By Stephen Wirth ER/PER

On Monday, May 23, 2011, a special presentation was made to Abigail Beaudette, an 8 year old from Morley Elementary School. Abbie is heading to Camp Hertko Hollow in Boone, Iowa from June 26th to July 2nd, thanks to the Elks members. This camp is special because it is for kids with diabetes, like Abbie. As you can see below, Abbie is so excited about being able to attend camp, make new friends and have memories to treasure. Thanks to Mrs. B, Abbie's 2nd grade teacher and the Elks for making this possible.

Note: Abbie's mother, Amy, was pregnant at the time of the photo. She has since given birth to a boy named Brody, 8 lbs 8 ozs. All are doing well.

Thomas Petersen, Troop 52, Eagle Scout Service Project

By Randy King

Thomas Petersen, a Life Scout with Troop 54, approached me as I was awarding an American Flag to one of his Troop's new Eagle Scouts, inquiring about a possible Eagle service project. He desired to do a flag retirement ceremony as his service project and needed a group to sponsor him.

After several discussions, he modified his project to include renovations of the Vincent R. Collura Memorial Garden and flagpoles, just north of Elks Lodge #80, here in Lincoln. This area was badly overgrown with plantings, and the flagpoles were in need of painting. I agreed on behalf of the Lodge to sponsor his project.

Thomas held a fundraiser dinner Saturday April 9th at the Lodge to help offset the costs of the project. His family helped decorate the Lodge, and several of his fellow Scouts assisted in setting up, serving, and clean-up.

On April 24th, Easter weekend, a work day was held in which the old shrubs were removed, and the area prepared to receive new landscape edging and plantings.

On Saturday May 7th, the flagpoles were painted, weed cloth was laid, edging was installed, and 3 tons of river rock were placed in the renovated area. Several small Quartzite rocks from the Haes Family Farm were also set.

On Monday May 16th the nursery planted two columnar Norway Spruces, and a lilac called "Sensation" in the center.

On Saturday June 25th, Thomas had his Flag Retirement Ceremony at Elk's Lodge #80, at 2 pm. Donna Collura, son Rick, and daughter Mary Collura were present, along with Vi Berst, Veteran's Committee chair, and wife Helen, as well as grandson SSGT Timothy Baruth, who is an aircraft mechanic with the Nebraska Air National Guard. Tim has been deployed for service overseas, and was scheduled to leave that afternoon.

Thomas separated the flag into the blue field, and separated the red and white stripes, as per our Flag Code. We then had a few words by Lodge #80 and Nebraska State Eagle Scout Chair Randy King, who introduced the Collura's, and both Mary and Rick spoke a few words about their father and his commitment to the Elks, Scouting, and his enthusiasm for life in general.

Vince Collura was the one who initiated the idea of giving an American Flag to an Eagle Scout at his Court of Honor, and not only was his idea accepted and instituted nationally for all Lodges, his son Rick Collura was the recipient of the first flag given in this new program, by his Father, then Grand Exalted Ruler Vince Collura, in Washington D.C.

The dismantled flag was burned ceremoniously, in honor, with all present outside near the Collura garden and flagpoles. The last pieces were placed in the fire by SSGT Timothy Baruth, Airman and he stood at attention, saluting the flag until it was consumed by the fire. The final piece in this very fine and solemn Flag Retirement Ceremony was the burial of the ashes of the American Flag in the Collura Memorial garden. A marker signifying the restoration of this area as the Eagle Scout Project of Thomas Petersen, Troop 54 is to be installed at a later date.

Please stop and enjoy the renovated Memorial Garden area the next time you are near the Lodge.

FLAG RETIREMENT CEREMONY

Vincent Collura Garden

By Mary Collura

The Vincent R. Collura Garden was presented to him by his fellow KFOR/KFRX staff members upon his retirement in 1992. The Garden is a memorial for not only his distinction as Grand Exalted Ruler (1992-1993) and his achievements through the Benevolent and Protective Order of Elks, but also his achievements at KFOR Radio, the advertising industry and his many public service activities.

Vince loved his country and was particularly proud of youth activities sponsored by the Elks. He started the Elk's Eagle Scout Recognition Program. The presentation of a United States Flag to each new Eagle Scout nationwide was one of his proudest moments. He was awarded the coveted Silver Beaver Award for his work with the Boy Scouts.

Notable quote from Vince:

"There's more to life than earning a living. I know a lot of men who are not rich, but who have donated their lives to help others. We are in an environment where we can change the attitudes of people. We need to change. Progress is impossible without change. Without change, our minds and vision cannot progress. There's one question that you must ask yourself. 'When was the last time I reached down and helped to lift someone up?'"

Vince passed away on Veteran's Day, November 11, 2005. The Collura family would like to thank the Elks, Lincoln Lodge #80 and with a special thanks to Randy King for helping restore the garden through an Eagle Scout Project.

Harold Harpster Recognized

By Stephen Wirth ER/PER

On behalf of the Elks National Foundation, a certificate was presented to Harold in acknowledgment and appreciation of his generous donations toward the philanthropic projects fostered by ENF. PDD/PER Harpster is a Permanent Benefactor whose charitable contributions total OVER \$2,000. In addition, ER Wirth presented Harold with a Benevolence Award for his generosity of giving to Lincoln Elks Lodge No. 80 since becoming a member of our lodge. Harold just celebrated his 88th birthday on June 27. Our heartfelt Congratulations Harold!

Our Flag, the Center of Attention

By Stephen Wirth ER/PER

Members and guests witnessed a special service, presented by the officers of #80. This service is in honor of our American Flag; celebrating the anniversary of its birth and to recall its achievements. It is quite appropriate that such a service be held by the Order of Elks, an organization that is distinctively American and intensely Patriotic. Assisting with the presentation of the various flags that evening were members from Girl Scout Spirit of Nebraska, Homestead Service Center. Thanks are in order to Flag Day coordinator, Randy King; music by Waunita Peterson; History of our Flag by orator, Larry Bratt; lead singer, Wade Kindle; the Girl Scouts and all those who attended this beautiful evening.

Note: With special dispensation from District Deputy, Michael Ohren, our Lodge was granted permission to celebrate Flay Day on June 13th instead of the designated date of June 14th, due to scheduling conflicts at the Lodge
