## ***Our Ritual Team and All Americans!***

On Sunday, July 11<sup>th</sup> at 1:00 p.m., the 2011-12 Lincoln Elks Ritual team competed in the Elks National Ritual contest with mixed results. The team's score was disappointing while the individual results were outstanding.

First off, the team finished 7<sup>th</sup> out of 15 teams that competed in the West Division. A very respectable score of 95.98 (out of a possible 100) was just not good enough, nor was it up to our Ritual team's standard. Our Western Division was won by Reno, Nevada Lodge #597 with a score of 97.04. Carlsbad, NM. Lodge #1558 scored 96.93 to finish 2<sup>nd</sup> in the West and then Carlsbad went on to win the overall Championship in a four team finals that consisted of teams from Michigan, New Jersey, New Mexico and Nevada. It takes a score of 97 to insure a place in the finals, it seems, and current ER Doug Rienks promised the group at our dinner Saturday night (July 14) that the goal of the upcoming team was to make the final four next year.

Now, the good news! Your Lodge had 3 All American winners! That means they scored highest of any officer that competed in their chair or position. The LARRY'S did it – Larry Bratt was All American Inner Guard and Larry Schwindt was All American Esquire. In addition, Larry Bratt was the highest scoring of any officer, regardless of chair. He was presented with the William King award – an achievement of high distinction. Our 3<sup>rd</sup> All American was Mike Jurado, the Candidate. Although his score is not counted in the final team score, that does not diminish the award in any way. A candidate is very important to a team and Mike is the best one around. Congratulations to all 3 of our All Americans and congratulations to the team for another very successful year.

None of this would be possible without the generous financial support of our individual members, the PER Association and the Nebraska Elks Association. Thank-You to everyone, from Lincoln Lodge #80's coaches and team members! We truly Lived, Laughed, Loved and Left A Legacy in Austin, Texas.

Message from the GER  
Grand Lodge Newsletter, August  
2012

*“Special days in June to honor  
flag and father”*

As Venita and I begin this wonderful journey around our country to meet the Members and spouses of our great Order, I want to thank all of you from the bottom of my heart for the confidence you've shown in us by electing me your Grand Exalted Ruler. I can't express how honored and humble I feel by you entrusting me with this incredible opportunity to represent you.

The Benevolent and Protective Order of Elks is the foremost fraternal organization in the United States. And, as such, we all bear an immense responsibility to continue to carry out our obligation as Members in the Order and to do everything in our power to see that our national and state programs are robust and dynamic.

As you reach out to new Members, to our veterans, to our children and to each other, I would ask that you keep my motto, “Elks – A Beacon of Hope,” as a guiding principle in all you do. We have all experienced the gratitude of a veteran when we simply say “Thank you for your service,” or perhaps just share a little of our time with them.

We have experienced the joy in students' faces when they realize that a scholarship from the Elks now puts college within their reach. We may have even experienced the joy of hearing the laughter of a physically or mentally challenged child as they take their first step, say their first words or go to summer camp for the first time.

Elks truly are “Beacons of Hope” in our country. Look for ways to let your light shine in your Lodge and in your community.

My goal for the Elks National Foundation will remain at \$4.50 per Member. As the “Great Heart of Elkdom,” the ENF extends its benefit to every state and touches every program. I ask that you all work diligently in your Lodges to meet and even exceed this goal for the coming year. Investing in the ENF is money well spent. Remember, *“Elks Care - Elks Share!”*

Again, thank you for your trust. We will work hard to justify it. Venita and I look forward to spending time with you, getting to know you all and experiencing, firsthand, the scope and breadth of the amazing work of our great Order.

**Exalted Ruler  
Lodge No. 80  
2012-2013**

**Doug Rienks**

Ladies and gentleman, I do not think I am understating the obvious when I say it is now the dog days of summer. The forecast is for highs above 100 degrees for the next 5 days and no rain is in sight. I think we all need to pray for some rain to help the crops, I don't believe they can withstand this heat much longer without a break from Mother Nature.

I and the other officers just recently got back from another trip to Grand Lodge. I think everyone should be proud in how we represented Lincoln Lodge in Ritual as well as other Grand Lodge activities. The Ritual team placed seventh in the western division but was represented well with three All Americans for highest score at their office. Mike Jurado was All American Candidate, Larry Schwindt was All American Esquire, and Larry Bratt was All American Inner Guard and won the William King award for highest scoring officer. If you get a chance please congratulate them on the reward for all their hard work. It is a great honor to be named All American. Of course none of this could have happened without the help of our coaches. Rich Todd and Steve Wirth did a fantastic job in getting us ready for the competition. Words cannot express the gratitude the team has for their hard work, thank you.

I would be remiss if I did not congratulate Amy Jacobsen for being installed as the East District Deputy for Nebraska. Amy will do a great job while she juggles her busy work and family schedule. Thank you to Amy for continuing her leadership role within the Elks. We are a better organization because of you. I would like to invite everyone to come out to the future dinners as well. The house committee has worked hard at providing a variety of dinners and the lodge needs your support at these functions. We will be having an upcoming Fish Fry, Tailgate Dinner and Oktoberfest to name a few. Come out and enjoy yourselves it will be great to see you.

Finally, we will be having several articles written about the roles of different committees within the Lodge. I invite you to find a committee that interests you and call the chairperson to volunteer your services. I cannot think of a single committee that could not use a little help.

I hope everyone can stay cool and healthy through this heat wave and I look forward to seeing you at an upcoming dinner or meeting.

Remember Live, Love, Laugh, Leave a Legacy!

## Knight's Tales

Brotherly Love is, of course, the motto of this station and I would like to take this opportunity to ask that as a Lodge we work harder to show our Brotherly Love. There are many ways that each of us can accomplish this. Some of them are volunteering to help with one of the activities that our Lodge provides to our community. Volunteer to help with the soccer shoot, hoop shoot, help prepare or clean up after a monthly dinner, attend our monthly dinners, attend meetings or special programs (ie. Scholarship Night, Flag Day or Scouting programs). None of these take a great deal of time and it will not only help our Lodge, but will offer you a chance to achieve a sense of giving and pride in showing your Brotherly Love.

If you feel that you don't have the time to volunteer, you can help by giving a donation to the Elks National Foundation. The ENF donation goal set by our Grand Exalted Ruler is again \$4.50 per member this year. We are currently about \$1.50 per member short of this goal. There are several grants that we can apply for to obtain monies from ENF to fund activities once we have reached this goal. These are based on a first come first served basis, so the sooner we reach this goal, the sooner we can apply and receive monies to fund our activities like the Thesaurus and Dictionary program for elementary students, Boo at the Zoo, Hoop and Soccer Shoot, Midget Football as well as the Scholarship Night..

Please help support our Lodge through some of the above mentioned activities and events. If you have questions in regards to any of these activities you can call the Lodge office, or feel free to e-mail me at [larrycop317@yahoo.com](mailto:larrycop317@yahoo.com) and I will attempt to answer your questions or direct you to who can assist.  
-Larry Bratt, Lecturing Knight

### Midget Football

Elks Midget Football is ready to start. The first practice on August 2nd we are looking at 150 or more young men out on football field getting prepared for the first game on August 26th. The Coaches and the players are looking forward to another good year and are ready to get started. More information to come later.

## ...The Quickies...

... Rumor has it that Amy Jacobsen has landed a new prosecuting attorney position for Douglas County and is looking at moving to Omaha ... no worries, as she has pledged her undying devotion to Lodge 80, and will remain a member here ... Amy will need someone to step up and chair "Boo at the Zoo" please call her and help with this, she will remain on the committee and help, but will not have time available to set it all up ... Americanism Theme this year is "What does the Pledge of Allegiance mean to me?", looking forward to seeing the essays on that one ... Elks Midget Football will soon start, practice starts August 1, first game August 26, 2<sup>nd</sup> & South street fields. Photo shoot August 13<sup>th</sup>, put on your red jacket and come on out, represent the Elks. For more info, talk to Scott Schrage ... We need to get to our level for ENF pronto, we are 75% there, so write your check and get it to the office or call Larry Bratt, he will come pick it up and Thank You for it ... Rich Todd gave praises for our Ritual Team and their efforts at State, we had three All Americans from our Team ... E.R. Rienks read highlights from the National Convention, including resolutions voted in, and some changes made to Ritual. Those changes are optional, and will be voted on by each individual Lodge ... Wes Durst presented the Lodge a nice check for proceeds from the pancake feed fund raiser for the Scholarship Fund, Inc., and challenged us, that if each member would come to the pancake feed, it would double the amount the Lodge receives and then some ... E.R.Rienks graciously volunteered to be the third person on the "Pickle Utilization of Funds Officer" committee, the other two being Imre Bonyhady and Denis Applebee. Please take a moment to thank these three for all they do for the Lodge ... Our audit is nearly complete, and will hopefully be turned in by the time you read this newsletter ... There is a new grant available this year, the "Beacon Grant", for \$1000, for an ongoing Elks sponsored and staffed charity event, to raise our community profile. Ostensibly to be used to advertise in the local media to heighten public awareness of who we are and what we do ... Community Crops, one of the charities we sponsor, has a booth at the Farmer's Market in the Trade Center on Sundays 10-2 pm, please come buy produce from them, this way we help on both ends ... We received many nice Thank You letters from scholarship recipients ... It was voted to add Channel 24 to the Lodge's Cablevision line-up, this will allow us to watch the Big Ten network at the Lodge ... We have a new State Veteran's Committee Chair, Rod Nelson, and Vi Berst got a call from him, thanking Vi and Sam for the work they do for our Vets on behalf of our Lodge ... Jeff Sneller graciously volunteered to take over the Hide Program, please contact Jeff if you'd like to help in gathering and salting deer hides this fall ... You can now invite people to become new members on-line, it is a very easy process and works well. See Denis Applebee for more information ...

## Your Committees and You! A look at what your Lodge does...

Over the next few months, the EOG will have information on all the various committees and opportunities to volunteer. Please consider helping us make Lincoln Lodge #80 a success. After the first of the year, we will be inviting everyone interested in becoming more involved to come out to a meeting to launch all the new committees for the 2013 to 2014 Lodge year. Each month read about the opportunities to help and decide which one would fit you best. You can call the committee chair at that time to discuss it or wait for the organizational meeting. Everyone has a reason for being an Elk. You wanted to be a part of something great and help improve your community. Come make us great! I look forward to seeing you! Amy Jacobsen, P.E.R.

### Scouting Committee

The Scouting Committee Chair oversees two subcommittees, the Boy Scout Committee, and the Girl Scout Committee. Each of those has a chair, and as many committee members as wish to participate. The current Scouting Committee Chair is Randy King.

The primary focus of this committee is to interact with the local Boy Scouts organization, and the local Girl Scouts organization, primarily honoring their achievements to the rank of Eagle Scout for Boy Scouting, and the receiving of the Bronze, Silver, and Gold Awards for the Girl Scouts.

The Girl Scout Committee consists primarily to honor Girl Scouts who receive the Bronze, Gold, and Silver Awards in Girl Scouting. This is recognized yearly, at a celebration normally held in the State Capitol Rotunda, followed by a reception at the nearby First Christian Church. The Committee is responsible for coordinating the awarding of certificates and American Flags to each Girl Scout awardee 013635, with a representative from the Girl Scouts local council. The time commitment for members of this committee is very small, usually less than 10 hours a year. Currently the Chair of the Girl Scout Committee is P. E. R. Stephen Wirth. To participate in this Committee, contact P.E.R. Stephen Wirth.

The Boy Scout Committee consists of the Chair, currently Randy King, and as many committee members as wish to participate. This committee's main objective is to honor an Eagle Scout at his Court of Honor, by attending and presenting a certificate, an American Flag, and reading a short speech at the ceremony. We average 30 +/- ceremonies a year. Each ceremony takes about 2 hours, and is usually on a Sunday afternoon, with the occasional Saturday or sometimes a weekday evening ceremony. Occasionally there will be more than one Scout receiving their Eagle Award at a given ceremony.

The Scouting Committee also teaches three Merit Badges that are required for the rank of Eagle Scout; Citizenship in the Community, Citizenship in the Nation, and Citizenship in the World. Each of these Merit Badges are taught in a 2-3 hour class, usually held on a Sunday afternoon at the Lodge. Time commitment for this ranges from 3-4 hours per session. You can volunteer for one, two, or all three. Good speaking and or teaching background is helpful but not necessary. Also, having a passport, some world traveling, speaking a second language, knowledge of our Constitution, our Nation's History, being a Veteran, understanding foreign currency all are helpful in teaching these Citizenship classes. The Scouting handbook for these Merit Badges is very comprehensive and helpful, a review of this booklet prior to the class is most helpful.

The Scouting Committee is also occasionally called upon to provide Scouts for ceremonies such as Flag Day, provide opportunities for an Eagle Service Project, or provide service hours for First Class and above Scouts. Elks who are also registered as Committee Members with a local Boy Scout Troop are of great benefit, especially if they are Merit Badge Counselors for the Citizenship Merit Badges. The Citizenship Classes can be taught once or twice a year as volunteer time permits. Contact Randy King if you wish to participate with this Committee.

### Hide Program

The Deer Hide Program has a Chair (currently Jeff Sneller) and as many members as wish to participate.

The objective is to collect, prepare, and store deer hides until after deer season, then gather and transport the hides to a central collection point of the State Committee Chair's choosing (currently Ansley, NE). The hides are then further transported to a tannery, where they are turned into leather. They are then shipped to a glove factory, and the remnants are turned into leather craft kits, both of which are distributed to our wheel chair bound Veteran's via our Veterans Committees in local Lodges.

Duties include soliciting deer hides from hunters, salting and storing the hides, and loading/transporting the hides to the collection point.

Posters soliciting hides are made and posted at various locations, including vendors for Deer permits, meat lockers, sporting goods stores, supermarket posting boards, gas station posting boards, local restaurant posting boards where they serve hunters breakfast, etc. News releases can be prepared and given to local newspapers, radio stations, and TV stations, asking for donations of hides. Using a drop-off bin beside the Lodge has proven to be a very effective means of gathering hides. Hunters who have a large number of hides often request a committee member retrieve them, it helps if you have a pickup or small trailer.

Committee members should expect to donate between 2-20 hours of time, working with the Chair to help transport, prepare and salt hides, to pick up quantities of hides from hunters, to prepare posters and PSA's, etc. The hides must be collected from the bin within 48 hrs, removed from plastic bags, prepared and salted to prevent spoilage. Badly damaged hides should be discarded. Contact Committee Chair Jeff Sneller or Committee member Randy King for more information.

### Teen of the Year

Each year we honor a boy and girl "Teen of the Year" from each of the participating local middle schools. They are awarded a cash prize and certificate for their outstanding community involvement and school work. Each spring we have three Sunday afternoon award ceremonies lasting about two hours each. We need help with things as simple as picking up refreshments for the event, helping serve refreshments and greeting the teens and their families. This is a great event to attend and makes each of us proud to be an Elk for encouraging good citizenship with our youth. Call PER Amy Jacobsen for more details 402-699-2201.
