A Great Surprise For One of Our Own!

Eagle Scout Chair Randy King got a surprise himself the other night at a Lodge Meeting. Five Eagle Scouts from Troop 64, along with their Scoutmaster and two Committee Chairs, came to the Elks Lodge and made a special presentation honoring Mr. King for his selfless service in presenting American Flags to Eagle Scouts from Troop 64 over the years.

All 8 members of the Eagle Patrol in Troop 64 hung together and accomplished the rank of Eagle Scout, which is a very rare occurrence, considering that less than 5% of youth who enter Scouting ever make it to Eagle. Mr. King has had the pleasure of awarding these Eagle's their American Flag, and in honor of his efforts, The Eagle Patrol of Troop 64 awarded Mr. King the status of "Honorary Life Member of the Eagle Patrol".

A big Thank You to each and every Scout and their adult leaders who took the time and made the effort for this presentation, and a Thank You to E.R. Doug Rienks and Tiler Sam Carter for planning the surprise and setting it up.

Left to right:
Troop 64 Committee Chairman Myron Heusinkvelt, Eagle Scout Devin Heusinkvelt, Eagle Scout Brian Walvoord, Randy King, Eagle Scout Cameron Johnson, Eagle Scout Justin Sears, Eagle Scout Michael Weckle, Troop 64 Scoutmaster Jay Nutter, Troop 64 Eagle Scout Committee Chairman Nathan Murray.

\$\$\$\$ CASH CALENDARS \$\$\$\$

Once again, Lincoln Lodge #80 will be selling cash calendars to help offset the cost of the many Elks sponsored youth activities and programs provided for the children of Lincoln and surrounding communities. As you have noticed, there are 2 inserts within your Elk-O-Gram. These inserts are made up of 4 cash calendars, 2 calendars per sheet. You can buy all four (\$10 per calendar = \$40) which will increase your chances, or you can sell some to your family, friends and neighbors. They make great stocking stuffers for Christmas too. We're starting to sell early (4 months) so we can make this an even greater event. The drawings will begin the 1st of January, 2013. Instructions are as follows:

Fill out the required information so we know who you are when you win. (i.e. name, address, phone number.)

1. Cut along the perforated line(s) and return your personal information along with \$10.00 per calendar to Lincoln Lodge #80, 5910 South 58th Street, Lincoln, Nebraska 68516, to the attention of Denis Applebee, Lodge Secretary.
2. The calendar slips and dollars which you mail back will be collected for the drawing to be held in January of the New Year (2013).

For more details, see the back of each calendar for additional instructions/information. More calendars can be made available by contacting one of your lodge officers or one of the bartenders. Let's get excited about this event and the many youth activity programs we sponsor.

Midget Football

Football season is almost here, the Elks this year are supporting 8 teams with over 160 young men and women participating. The first game is Sunday August 26th starting at 10 am.

All games are played at the Midget Football Complex located at 2nd and South Street. Come out and cheer these young athletes on and Support your Elks teams and hope to see you out there.

Lodge No. 80
2012-2013**

As we move into the fall months, your Lodge should be well on its way to achieving its financial and charitable goals for the year. If you have not yet met the \$4.50 per Member goal for ENF, remember that October is ENF Month. You should have a targeted fundraising event planned for next month, and you should be publicizing it throughout your membership.

Successful Lodges do not happen by chance. They are the result of hard work and dedication from Officers and Members alike. As the Exalted Ruler, your job is to ensure that your Officers and Committee Chairpersons are focused on the tasks they have been given and are working with their committees to promote successful events and programs. One person, or one group, cannot do it all. A strong Lodge requires strong leadership and enormous teamwork and collaboration.

There are several tools available to you, your Officers and Committee Chairpersons, to help accomplish this task. The assorted handbooks published by the Grand Lodge are an excellent source of information and should be readily available to all of your team. Think about buying the appropriate handbook and actually giving it to the volunteers or Officers to help them understand and accomplish their tasks. The handbooks should not languish in the Secretary's office.

Next, the District Deputy Clinics are open to all Members. Your Officers and Committee Chairpersons should all be encouraged to attend. Recognize those who attend and compliment them on their dedication. Finally, don't forget to call upon your PER Association. These folks have all walked in your shoes and have a wealth of expertise to offer.

Remember that your Lodge provides two key services to its membership, and your activities will need to focus on both. First is the charitable work, which is the core of our way of life. Whether it is your major project, a need in your community or simply one of your Members needing a helping hand, these are all integral to the success of your Lodge and must be a priority. I encourage all of you to be a personal "Beacon of Hope" in all of your charitable activities.

The second focus of your Lodge is to provide activities and events to support the social aspect of our Order. Your newsletter is your key communications tool to inform your Members about the activities of your Lodge. Elkdome should be fun! Let's make sure our Members experience that enjoyment whenever they are at the Lodge.

Thank you for the effort you have put in through the first part of your year. As we approach the half-way point, I encourage all of you to continue your efforts to promote Elkdome and implement the successful administration of your Lodge.

Remember, ***"Elks Care - Elks Share!"***

Fellow Members,

The summer is winding down and it seems as though the weather has finally decided to relieve us with some cooler days. Now if we could just get some rain, everyone would be happier.

The Rienks' household has been busy with back to school preparations and fall sports. Family and business obligations have taken priority in recent weeks. As much as I feel the Elks is a great organization there are things in our lives that must come before our volunteer obligations. I say this as I ask for your help in the coming months. We have several projects coming up that will require the help of many Elks.

With fall comes Husker football. The Elks and Does need help with concessions at home Husker football games. Our organizations are committed to providing twelve volunteers to run concession stands. This benefits us greatly in the monies that are given back to us for our volunteer hours. Please consider spending a game helping at the concession stands. There should be an additional article in this EOG outlining the contact information.

The Elks Soccer Shoot is coming up September 8th from 10:00 AM to 2:00 PM at YMCA Wright Park. We really need 15-20 people to help for those four hours. It is fun to watch the kids compete in this enjoyable activity.

Boo at the Zoo is fast approaching and we will be having a tent set up to hand out drug awareness information and candy. This activity goes on for the five nights before Halloween. Each night we need five volunteers.

Lastly you will be receiving some Cash Calendars in this EOG. Please find someone to sell these to or purchase them yourself. It is a way for the lodge to get some monies to cover our expenses during the tighter times of the year.

As you can see much is happening at the Lodge. We need your help. Would you please consider supporting these activities with your time? I know firsthand how your schedule is busy, but the time you put in supports many in the community.

Remember Live, Love, Laugh, Leave a Legacy!

Knight's Tales

I hope that everyone had a very enjoyable summer and a chance to "stop and smell the roses" at some time. I want to thank everyone that supported our ritual team's trip to Nationals, as we had a good time and did our best to represent the State association as well as our local lodge.

It is that time of year again when we have a lot of activities coming up. John F. Kennedy once said "Ask not what your country can do for you, but what you can do for your country." It has occurred to me that our local lodge members should ask themselves not what can the lodge do for us, but what can we do for the lodge?

The answer would be to get involved in one of our many upcoming activities that are mentioned in this Elk-O-Gram. The Nebraska football games concession stands, the Soccer Shoot, Boo at the Zoo, and Christmas party are just a few, not to mention the dinners that need volunteers to cook or clean up and coming to eat with fellow members and friends.

Please invite a non-member friend to come to a dinner with you. Who knows? They might even decide, after coming to a dinner or a function with you, that they too would like to become a member and join in on the fun and fellowship. We can help our lodge become better able to continue its good works by supporting it both by volunteering and monetary donations.

From Your Does...

Come join Does Drove #4 on Friday, September 7th at 6:30pm for a Bingo night at the Lodge!

A light meal will be provided, starting at 6pm (free-will donations accepted). Coffee and Iced Tea will be provided and cold beverages will be available for purchase as well.

Miscellaneous prizes and some cash prizes will be awarded to the Bingo winners, so come early to purchase your lucky cards and enjoy some time with friends!

The event is being held to support Lincoln Does Drove #4 in their charitable contributions to our community. Call 402-421-6363 or 402-890-0886 for more information!

We have had a decline in the number of dinner sponsors over the past couple of years. Sponsored dinners are an essential part of generating operating capital for the Lodge. When a dinner is sponsored, all of the income from the dinner can be used to cover operating expenses such as the gas, electric and water bills. We desperately need this income to keep the Lodge functioning. If a dinner is not sponsored, a large portion of the income from the dinner is used to purchase the food and raffle items, and is therefore not available to pay bills.

The amount needed to sponsor a dinner varies according to the menu. The cost over the last couple of years has been anywhere from \$300.00 to \$700.00 (rough estimates), depending on what the sponsor wanted to serve.

There are several ways to sponsor a dinner:

1. A sponsor fee of \$450.00 can be paid to the Lodge. This fee will cover the purchase of food (\$400.00) and raffle prizes (\$50.00). If more money is needed to cover the cost of food, the Lodge will cover the extra expense.
2. Instead of donating a specific amount, the sponsor can purchase the food and raffle prizes.
3. A group of people can pool their resources and sponsor a dinner (since the Valentines dinner is very expensive to sponsor, this is how it has been sponsored the last two years).
4. Partially sponsor a meal. If you can't get enough together to fully sponsor a dinner, donate what you can and the Lodge will make up the rest.

The bottom line is that we are willing to work with you.

When sponsoring a dinner, you can have as much or as little involvement in the planning or preparing of the meal as you choose. You can put together your own staff to buy the food and raffle prizes, cook and serve the meal, and clean up afterward, or simply write a check and let the kitchen crew take care of the work, or your involvement can be anywhere in between those extremes.

We are always looking for help with the dinners. The same basic crew has been setting up tables, decorating, buying food, cooking, serving, picking up dishes, washing dishes and cleaning the kitchen for the past several years. The kitchen crew really enjoys preparing these meals for all of the members (we consider it a privilege), but, believe it or not, these people would actually like to come to the Lodge and enjoy spending time with their family at a meal now and then.

Please consider volunteering your time.

Your Committees and You! A look at what your Lodge does...

Drug Awareness

Help kids stay off drugs. Our Drug Awareness Committee and volunteers take part each year in safe trick or treating at Boo at the Zoo. We provide drug awareness bookmarks and coloring books to kids throughout the year. Bookmarks are often included when we give Thesauruses and Dictionaries to local youth at our schools. At the pancake feed you might see some kids playing with rulers or balloons emblazoned with a stay free from drugs message. This committee could use help for all these events. It would mean as few as 1 or 2 hours a year or you can stretch it to many more. We can find a job for you. Call PER Amy Jacobsen for more details [402-699-2201](tel:402-699-2201).

Soccer Shoot

The Soccer Shoot committee needs volunteers to help with ordering trophies, contacting coaches and preparing Drug Awareness packets for the participants. The time requirement for the committee will be approximately two hours in preparation before the day of the shoot and four hours on the day of the Soccer Shoot. We hope to have about 200 participants this year under the age of 14. Please contact Doug Rienks at [402-430-6002](tel:402-430-6002) or DrRienks@nebraskaeyes.com for more information on how you can help with this committee.

Taco's N Talent Nite

About 40 Elks and guests enjoyed an evening of entertainment and good food, thanks to Elks Member Eric Ebeler and his culinary skills. Eric managed the kitchen, and your Elk-O-Gram staff helped set up, prepare and sponsor the Taco dinner, including chicken for those not so wild about tacos.

Corn salsa salad, refried beans, spanish rice and all the fixin's were to be had, as well as fresh mixed fruit for dessert. Soon after, many Elks and guests lined up to display their talents for all to enjoy. Eric Ebeler's daughter Lexi opened our show, with everyone standing and singing The Star Spangled Banner, with Lexi accompanying on piano. Lexi then did a beautiful solo singing number, and finished with a piano recital piece, "Puff the Magic Dragon". Paul Mussack's grandson Dave and his friend Jazz, provided some stand up guitar and comedy, followed by Scott Schrage's friends Steve and Don. They are a wonderful duo, playing guitar and mandolin, singing 60's folk music.

Wauneta Peterson played Glenn Millers "In the Mood", and the Clarinet Polka, on the organ. Virgil Wieting played his harmonica, and played several numbers on the guitar, including a couple requests. Elk-O-Gram graphics Editor Kevin Sadler accompanied Elk-O-Gram roving reporter Randy King on his dobroe, and played an old instrumental from 1959, Johnny and Santo's "Sleep Walk". Hats off to Paul Koerhson for recognizing and remembering the name and artist of that one. We then had our raffle, and Randy finished up with a comedy number on guitar. A big "Thank You" to those who stepped up and shared their talents with everyone, it made for a wonderful relaxing evening at your Elks Lodge.

A big hats off to Eric Ebeler for volunteering his cooking skills for Taco's N Talent the other night, that was a great contribution of talent ... Ask Randy King how it feels to be in the receiving end of an award for involvement in Scouting. Troop 64 came and presented him an Honorary award the other night at Lodge Meeting for his service to Scouting ... say "hello!" to new member Laurie Montag when you see her, she is anxious to be involved in the Elks ... Sam and Vi visited Pat Adams on his 92nd birthday, Pat is a member of the Tuskegee Airmen ... Vi Berst was interviewed about his military service, asked to appear in his uniform (it still fits!) for photos, his interview will be recorded in the Library of Congress ... Vi has been our Veteran's Committee for over 40 years, and Sam has been his partner for over 22 years. They are shining examples of selfless dedication and caring, we are so lucky to have them both in our lodge ... Ritual Clinic in Cozad October 20th, see Rich Todd for more info ... 012717 ... ask Mike Jurado how expensive it is to miss a Lodge meeting, he missed the pot of over \$600 when his name was drawn in the attendance drawing August 15th ... our ENF contributions got a nice boost with the presentation of a \$250 check ... and ask PER Amy Jacobsen how it came about that she donated \$10 to ENF at the last lodge meeting ...
