Elks National Foundation Awardees

Pictured is ER Larry Schwindt presenting recognition to individuals who believe strongly in the Elks National Foundation. Our GER Millard Pickering's goal nationally is \$4.60 per member. Lincoln is currently at \$9.38 per member, thanks partly to these members pictured.

Mary Brooks was presented a pin and letter for achieving the "JUSTICE" level of giving to ENF this year, (minimum of \$250). Larry Klein and Terry Edwards were presented an ENF sticker for their M-card for donating to ENF 9 and 6 consecutive years, respectively. Larry Bratt, Lincoln's ENF Chairman, was presented a pin for achieving the "FAITH" level of giving to ENF for this year, (minimum of \$1,000). He was also presented a framed certificate for achieving the level of "HONORARY FOUNDER" for monies donated to ENF. Congratulations to all.

Fairbury Veterans Came to Town

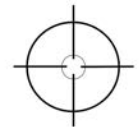

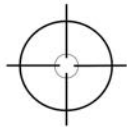

On Tuesday afternoon, July 23, a bus carrying 25 veterans and supporters came to Lincoln for a fun trip of food, socializing and baseball. The bus arrived at Lincoln Lodge No. 80 around 4:30 p.m. to enjoy burgers, hot dogs, pork & beans, curly fries, macaroni and potato salads with all the usual condiments and refreshments. LEL#80 Veterans Committee Chairman, Wade Graft worked with Fairbury Lodge No. 1203 Secretary James Schroder in putting this event together.

Both lodges worked together to help fund this outing through their veteran resources. Lots of pictures were taken of the group while dining and then separate photos taken of those representing the different military branches. Since this was a Beer and Burger night, many other home town members of LEL#80 attended as well. After all the stories and pats on the back were given, the veterans were whisked off to Haymarket Park to enjoy a baseball game between the Trois - Rivieres Eagles and the Lincoln's Salt Dogs. James and Wade said that they want to make this an annual event and hope to add more veterans each year. Thanks to all the veterans who attended, their Fairbury Lodge chaperones and the excellent staff from Lincoln Lodge No. 80 for a job well done.

October 2013

“Checkpoints help gauge Lodge progress.”

Exalted Ruler Lodge No. 80 2013-2014

Larry Schwindt

In the Elks calendar, there are a number of checkpoints – times to step back and take a cold, hard, objective look at how things are going. October is one of those times for Local Lodges. It is the mid-point for Lodge operations. The District Deputy is either on the way or the report letter is in the works.

Although the specifics will certainly vary from place to place, some things should be universal to every Lodge.

How is the business plan going? Is the budget working out? We all know a budget doesn't create income, it manages it. Everyone starts the year with target figures but do you take the time to make comparisons? Use the audit report and comments from your District Deputy, if available, as the tools they are intended to be to craft management decisions and adjustments to the plan or determine if a modification to the budget is needed.

From a strictly-business point of view, Lodges market fraternity. Club facilities exist to provide social opportunities for our Members. What do you have planned for your membership as the busy holidays approach? Have you considered the needs of all concerned including veterans, families and auxiliaries in your planning?

Those events finance charitable and community service projects. They also figure into the success of the State Association and Grand Lodge. How close are you to meeting your goals for State Major Projects, National Foundation and other priorities set as you started the Lodge year last April?

It is obvious that this article is more about suggesting questions than giving universal answers. While there is no single, one-size-fits-all answer, if you take a hard look at the questions in October, there is time to find the solutions needed to close the Lodge year in good form.

I think I'll take my own advice.

See you down the road.

All I have to say, is “WOW” and “THANK YOU” to all of the people that have helped out at the concession stands! We put out a call for volunteers to work at the concession stands for the football games and have had a great response for the first four games. We even had a couple of last minute replacements when the Larry's were ill and couldn't be there for one of the games. A huge thanks goes out to Kevin and Maureen Sadler for jumping in on short notice to cover for us. As of this time we have enough people for the October 5th game, but there are still three games after that, so if you want to come out and join in the fun, just let either me (larryjcorvette@aol.com) or Kelli Stanley-Smith (kss0891@windstream.net) know.

The end of October marks the halfway point of the Lodge year, and it's time take stock of our time spent as Elks. Have we done as much as we could to “spread the word” about all of the good things that this order does? Have we done everything that we could to bring new members into our Lodge? The only way that we are going to flourish and grow as an organization is to let people know about all of the good things that we do. Let people know that you are proud of the organization that you belong to. Bring a friend, coworker, relative or neighbor to one of the dinners. Tell them about our scholarship program, the hide program, teen of the year, the thesaurus program, midget football and all of the other great things that we do.

Keep those donations coming in! By the time you read this, the installation of the new heating/air condition system should be complete. This has been a very expensive undertaking and we have not raised nearly enough to pay for the new equipment. As of the Lodge meeting that was held on September 18th, we had only raised around \$3000, far short of the \$19,000 that it is costing the Lodge. We have had several generous people come forward with donations, but we need much, much more. Please give generously to help defray the cost of the new system.

Remember to “Dream, Dare, Do”!

Knight's Tales

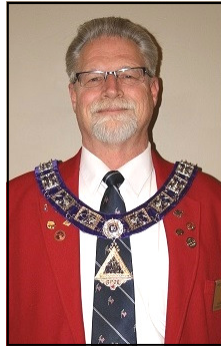

It is the time of year that temperatures are getting cooler and the days a little shorter and Fall has arrived. This month we will be participating in the "Haunted Armory" for the military kids' Halloween. This will be held on Oct. 25th. We will also by this time have had our HVAC system replaced. This was not a cheap investment and as the fund raising efforts to pay for this is ongoing, I have donated \$500.00 for the replacements. I am now challenging all current and past lodge officers to match this donation as well as all current and former ritual team members. Remember that Charity starts at home and our building is the home of the Lodge.

Continuing with our charity of aiding fellow Elks, it was decided at the last Lodge meeting to assist two of our members that have fallen on hard financial times and are unable to pay their National Elks dues. We passed the hat around the room and all present donated to cover the costs. This was just another reminder to me of what a great organization we belong to and that we really do hold to the belief of helping our own members in times of need.

Have a great Halloween and I look forward to seeing you all around the Lodge.

-Larry Bratt, Leading Knight

Greetings all! As your Esteemed Lecturing Knight, my station is dedicated to Brotherly Love. Part of that is good fellowship. At the last lodge meeting a committee was formed to look into a free gathering for our own membership and their families. We have two officers and two trustees on the committee. We would welcome any members to join us in exploring what could be a fun and fellowship building activity. If you have any ideas or would like to serve, please call me at 402.483.0426.

A breakfast is planned for Oct 20. funds raised will be used for ENF and the building fund. Volunteers are needed and you can contact the lodge or Larry Bratt. Be sure and put this on your calendar.

You still have a number of chances to join in the fun at the football concessions. If you want to help, call our ER Larry Schwindt. It's a great way to get involved and you just might make a new friend!

-Mary Brooks, Lecturing Knight

As the summer comes to an end and football season starts I would like to thank the Elks that have gone the extra mile to help the DOES at the UNL stadium with concessions. It takes a lot out of their weekends and we need to thank them for their efforts.

I have been away from the lodge and its activities since the end of July as my mother and brother-in-law have passed away. This has given my family a lot of time to be introspective of our relations with family and friends. It has also given myself and family a chance to add to the scholarships given to the future leaders of our City, County, State and Country. This is something that I have wanted to do in memory of my father for a long time.

Now my brother, sister, and I can honor both of my parents (Bob and Edith Miles) with something they would have been proud to put their name on. Neither were Elks as there were no Elk organizations in our area (Dad belonged to other organizations). With their beliefs, morals, and the willingness to do the right thing, I know they would have been proud to be members of the BPOE as I am also proud to be a member of the Elks.

-Jerry Miles, Loyal Knight

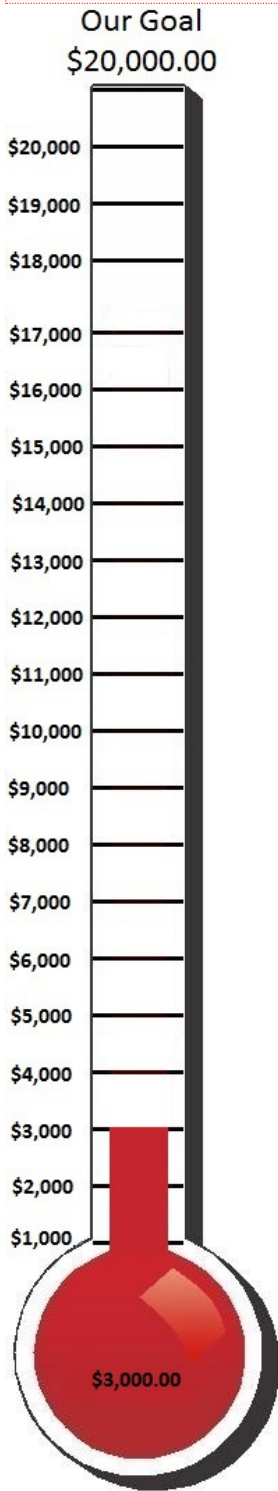

...and now for the Quickies...

... The Elks Bowling League added \$50 to its scholarship fund in a special way the other day. One of their members, who is not an Elk, donated \$50 to the Elks for that scholarship. Seems the larger group of bowlers had voted down the League's sponsorship of a bowlers dinner at the Lodge. Remember, most of the members of the League are not Elks, and since the Bowlers Dinner didn't benefit them in any direct way, they didn't want to support it. Hopefully the Larry's can twist John Young's arm a bit and get him on board as a fellow Elk. It is that kind of benevolence we are known for ... Americanism Theme this year is "What does Veteran's Day mean to me?" It will be interesting to see the essays the kids come up with on that one ... The DOES added to their Scholarship fund by \$350, money raised from their wineries tour. Maybe we should all drink more wine and run around to the wineries! ... rumor has it that Jason Brooks is getting more involved in the Scouting Program. Watch and see how that unfolds in the coming months ... HVAC installation will be well underway, if not completed, by the time you read this. Keep those checks coming in for the Building fund, we need to get these units paid for ... a big "Thank You" to those who have already stepped up and written a check. I have heard a few challenges around the Lodge to match donations, etc. The DOES donated \$250 as a group, and you can too. Or in memoriam of someone, or perhaps in honor of someone...be creative! Larry Schwindt donated \$18 in tips they received working Concessions at the Football games. Every little bit helps, lets make that thermometer rise quickly! ... Mary Brooks offered to form a Committee to explore a "Family Fun Day" for the Lodge members and their families, as a way to give back to those who give so much of their time, talents and resources. For more info or to help her, contact Mary Brooks ... a change to our by-laws is published elsewhere in the Elk O Gram, this allows us to use a shortened opening and closing to the Lodge Meetings, which helps manage time on busy nights ... come to the next meeting to discuss and vote on measure like these! ... our card reader system is closer to reality, the receipt printer has been ordered, card reader ordered, when they come in, it won't be long to get them in service ... Haunted Armory is coming right up, be prepared to help with it. It's only one night, and sounds like a lot of fun ... Drug Awareness materials are in, contact Larry Bratt for info on how to help with this ... Hoop Shoot dates are set, February 8 for State, January 25 for District, and January 11 or 12 for local, contact Chair Gerry Miles for more info and how to help ... Elks Midget Football is in full swing, come out to Sherman Field, 1st & South St., Sundays from 10 am to 4:45 pm, Elks teams playing all day. Each game lasts about 90 minutes, and the kids appreciate the audience and support ... come to the Pub for lunch, Nancy or Roxie always has something good cookin', the prices are reasonable, good friends and conversations, and we need your support ...

It's that time of year when all High School Seniors start applying for scholarships. This article is to inform the membership of scholarships available through the Lodge and its Charitable Fund. All information needed to apply is available by going to the Lodge's web site: www.elks80.org and clicking on Scholarships.

For those members not directly applying for a Scholarship, you should know that your Lodge supplies 34 scholarships annually with a combined value of \$35,000. These are made possible by the Paulding and Esther Smith Endowment and the Lincoln Elks 80 Charitable Fund.

Six Scholarships are available exclusively for children of Elks #80 Lodge members. See the Legacy Scholarship Program on the web site for application information.

Under the General Academic Scholarship Program 15 more Scholarships are listed. These scholarships are available to any High School Senior in our jurisdiction. They range in value from \$775 to \$1600, with restrictions noted on some of them. All of this is on the website: www.elks80.org/scholarships.

Four more are listed under Vocational/ Business Scholarship Program and the last category is the Teaching Scholarship Program where two Scholarships are funded that are worth \$4,000 each over a period of four years. These are provided by Wes Durst, PER. Check the website for details.

As noted on the web site, there are additional Scholarships available through the State Association and the Grand Lodge National Program. Be sure and visit the Elks Most Valuable Student National Level Scholarship.

All members are urged to check out the web site and see the names of the current and former members and groups that have funded a Scholarship. To create a Scholarship in your name, currently it is necessary to provide \$4500. If you are interested, contact the Lodge Secretary at 402-421-6363 and ask to have a Fund Board Member contact you regarding a Scholarship in your name.

Want to see your name here or see your memorial donation announced? Drop your donations off at the Lodge office or give it to an officer, earmarked for the Building Fund. We're a long ways off from that \$20,000.00 mark, lets see how fast we can make that thermometer rise!

PER Meeting Minutes 8/27/13

Meeting called to order by PER President Wirth at 6:55pm.

Following PERs were present: Clinkenbeard, Durst, Edwards, Jacobsen, Jensen, Lane, Meisinger, Pickering, Rienks, Todd, Wieting, and Wirth.

Current Lodge Officers attending the meeting were: ER Schwindt, Led. Kt. Bratt, Esq. Montag, Inner Guard Pedersen.

Minutes of February 6 meeting approved as presented.

Secretary Report: Todd reported that 18 PERs have paid their dues for 2013-14.

Treasurer Report: Meisinger reported no bills outstanding and we have a balance of \$1238.68. He noted that \$400 of that is committed to the OKTOBERFEST dinner we are sponsoring on Oct. 4, 2013. We also have a CD worth \$1,011.53. Possible cashing of this item discussed and tabled to next meeting.

Old Business: Larry Bratt's selection by the PERs as Officer of the Year for Lincoln Lodge was followed by his selection as State Officer of the Year. He was duly congratulated by the group. Past Officer of the Year list is now on elks80.org. The group was reminded that we will need raffle prizes for the dinner Oct. 4. We are asking each of you to donate a prize or cash to buy prizes. Something useful that you have and don't need is fine – bottle of wine, something Husker, etc.

New business: Pres. Wirth presented criteria for selecting Officer of the Year (this is our job each year). He will provide criteria to those absent.

Vote required on most recent PER – Doug Rienks. After considerable discussion, Jensen moved we accept him and Jacobsen 2nd. Motion carried unanimously.

No suggestions on pursuing a new project to sponsor, but did agree to support Lodge's fund raiser – purchase of new heating and cooling system. Letters will follow to members. Discussion regarding PER's paying for engraving ritual plaques. Consensus that ritual fund should pay.

Current Lodge Officers present discussed upcoming Lodge activities which include Soccer Shoot, Halloween at the Armory, Thesaurus program for all LPS 5th graders, and Children's Christmas party.

Lead. Knight Bratt, Chairman of ENF, reported we have met GER's goal for donation, but since we get back over \$2 for each dollar given, we should continue to give if we haven't already done so. Also, reported that the Lodge has received \$4,000 in grant money to be used on the Thesaurus program and the Halloween party.

Good of the Association – Ritual team members and Coaches present thanked the Association for the \$500 donation made by the association to help defray travel expenses to National Contest.

Next Regular meeting is Feb. 5, 2014. Special meeting will be held Oct. 22nd, 2014.

Adjourned: 8:00 P.M.

Richard Todd, Secretary.

Forever Angels

On Wednesday, August 21st, LEL#80 presented a check in financial support to a group called Forever Angels. PER Wirth became involved with this organization in 2008 and has been a strong supporter ever since. Forever Angels is a non-profit organization founded by Jaime Sanks which is based out of Lincoln. Representative Sarah Wunderlich spoke for the group and explained to the members present what Forever Angels is about. Through financial and community support, their mission is to help families with children who have serious medical conditions and disabilities.

Each year, Forever Angels holds a children's carnival to help raise money for families in need. The children this fine group represent and support face more difficulties in their lives than we will ever comprehend; therefore they are our Forever Angels. The guests of honor, for this year's carnival, are Christian Newcomer, Leyna Ahischwede and Samantha Frank. Also, Sarah presented ER Schwindt with his very own Forever Angels T-shirt which he will wear proudly. The carnival was held on Sunday, August 25th at ASPEN Athletic Clubs, 1801 Pine Lake Road.

Check out their website at forever-angels.org. Click on SPONSORS tab and see the many supporters including your very own Lincoln Elks Lodge No. 80; one of the main sponsors of this great event.

A Note from the Trustees

Look around the Lodge and you should notice some changes. The New Heat and A/C unit should be up and working. Also with us combining phone, TV and internet we now have the Big Ten network all at a lower monthly cost for the Lodge. The Card Reader will be up and working for members use in the club area, so you can use your credit/debit card for drink purchases. Don't forget the up coming dinners listed in our Elk-O-gram. Remember to help support the ongoing fundraiser for the new Heat and A/C units.
