Make A Difference Fair

On Thursday, March 20th, 2014 at Scott Middle School, members of Lincoln Lodge No. 80 attended the 6th graders Make A Difference Fair which was held in the school auditorium. There were 44 story board exhibits designed by the kids to help raise awareness and dollars for their particular sponsors. The kids were well versed in their subject matter and were very professional in their presentations. Lincoln Lodge No. 80 donated to 4 different groups which consisted of Wounded Warrior Project, Foster Care Closet, Child Advocacy Center and CASA, Court Appointed Special Advocates. Each agency received a check for \$100 dollars. Teachers Kim, Debbie and Eric thank the Elks membership for their donation and were so pleased that we could attend. The M.A.D. Fair raised over \$9,000 dollars in 90 minutes. Awesome!

Grand Exalted Ruler, 2013-2014

Millard C. Pickering
Message from the GER
Grand Lodge Newsletter,
April 2014

*“School’s Out! Look for ways to
occupy the kids.”*

This month brings the end of the typical school year and the start of the season of boys and girls – summer! While school kids literally count the weeks until summer break, parents may have the opposite sentiment as they contemplate the added burden of planning distractions for their now idle kids.

Lodges in my part of the country experience a little down-market during the summer as people spend more time in outdoor activities.

It seems to me these factors suggest some real service opportunities for Local Lodges.

What can your Lodge do for school kids to help them celebrate their accomplishments or occupy their time productively? What events are planned for the whole family to enjoy?

One of the first things I remember about the Elks was when I was invited to a dinner hosted by the Lodge honoring all the senior boys. There was a guest speaker I don’t remember and great food – BBQ as I recall – and each boy was assigned an Elks escort to host and introduce him that evening. That same dinner still goes on today, a tradition more than 60 years strong. Many of the Members of my home Lodge have similar fond memories of that event.

Picnics, fishing derbies, golf tournaments or lessons, baseball leagues, pool parties, bowling nights and cookouts are all events within the reach of most any Local Lodge. What a great service to your Members or, better yet, a wonderful way to reach young families who might be future prospects.

If your Lodge has the facility space available, subject to state and local regulations, plan a similar experience for local kids this summer. With proper supervision and parental approval, such an event would give busy parents a needed break and one more benefit for their membership dollars.

A little extra attention and business for the Lodge is a good thing too.

See you down the road.

Exalted Ruler Lodge No. 80 2014-2015

Larry R. Bratt

Greetings and salutations to all my fellow lodge members. On April 2nd I had the distinct honor of being installed as the Exalted Ruler for this lodge for the 2014-2015 lodge year by the Grand District Deputy Kent Blum, along with all the other lodge officers being installed by some of our PER’s. I want to extend my thanks for all that attended as it was a very meaningful occasion for me and my family. I want to thank Connie Moore and Kathy Meisinger for taking care of the reception food and decorations, they did a magnificent job. I also thank Kim and Pat Wiseman for helping to serve during the reception.

When you see PER Larry Schwindt around the lodge congratulate him on being named the Elk Officer of the Year for our lodge, which was my pleasure in presenting to him.

My first month in office has been busy, I attended the Elks Youth Week Proclamation at the State Capital on April 9th, attended the Spring conference in North Platte, both burger nights, as well as working the spring football game concessions and attending the ham dinner at the lodge.

My motto for this year is Faith, Commitment, Be a Beacon. I presented this at the installation and would like to explain what this means to me:

Faith - I feel that Faith is the foundation of our order as we have acknowledged in taking our oath. Without Faith in God, ourselves, our order, and each other, we would have nothing. We must all strive to keep our Faith strong in each of these areas.

Commitment – When we have Faith we can then commit ourselves to being the best we can be. The best person, family member, friend, and lodge member and to follow through on the tasks ahead.

Be a Beacon – By living our Faith, and making that Commitment, we then can Be a Beacon for the people that matter in our everyday lives, the youth in our community and the veterans of our military. If we live our lives as a Beacon then others will follow our example and together we can do amazing things in our lives and our community.

I look forward with great anticipation to this next year in being able to lead our lodge in showing that as the BPOE we have Faith, show our Commitment, and are Being a Beacon for those in our lives.

Don’t forget that coming up this month we have the Cinco De Mayo dinner on May 3rd, Scholarship night at SECC on the 5th and Mothers Day Breakfast on the 11th. Hope to see all of you at these events.

Remember Faith, Commitment, Be a Beacon.

Knights Tales

There is a theory that says giving feels good. Over the years I have experienced that feeling many times over. Since I have been associated with the Elks, I have been able to participate in almost every program that the Lincoln Lodge offers, and see the reactions of the people whose lives we have touched. It is extremely gratifying to see the excitement of the kids at the Christmas party and the look on the faces of the kids as we present them with a thesaurus.

It was especially touching to talk with the parents and kids during the teen of the year presentations. It's great to see how proud these parents are of their kids and hear how grateful they are that we take the time to honor these great kids. Come out and help with some of the many activities that we are involved with. IT JUST FEELS GOOD!

-Larry Schwindt, Leading Knight

As the new Fraternal Year of Elkdom is upon us, I look forward to serving as your Lecturing Knight. It is a new position for me and presents new challenges. All of our officers are in new positions and are learning what their duties entail.

Hopefully with all of our new members help we can expand the membership and move forward with the programs sponsored by the Elks. Your continued participation is greatly appreciated and I look forward to seeing everyone at the next Elk function.

-Gerry Miles, Lecturing Knight

Greetings all,

What a joy it is to be an Elk. To work with such great people is an honor. This lodge year is off to a great start. My family will be sponsoring the 9th Annual Cinco de Mayo dinner. John started this and we want to see it continue. Hope to see many of you there on Saturday, May 3rd, which also happens to be Carrie's birthday, so come sing to her!

Of course the Mother's Day Brunch is also in May. "Best Breakfast in Town!"

On June 7th we will have our first Elk Appreciation Day. Read more about it in this newsletter. This is to celebrate us, so please come out and get to know your fellow Elks better. It will be a fun filled day for all ages. And the best thing about it, is that it is FREE! See you around the Lodge.

-Mary Brooks, Loyal Knight

...and now for the Quickies...

... Well we made our goal of \$19,000 to pay for our HVAC equipment, or should I say, we are darn close. After a final tally and review of some of the contributions to the building fund that are coming in with dues income, we are still about \$500 short of our goal. So if you can see your way to sending an extra check, that would be very much appreciated. Any extra we get over the \$500 we'll earmark towards the eventual replacement of our deep fat fryer ... Look for an announcement for Elks Appreciation Day elsewhere in this issue. It will be held June 7, a fun filled day to enjoy ourselves and each other, and take a bow for all we do. Give a hand, flip a burger, caddy for someone, just get involved. This is your Lodge, and this is an opportunity to take a well deserved bow for what you do ... Initiation was a great event, well attended, see the pictures elsewhere in this issue ... Did you hear that the Does are going to be hosting the 2016 National Convention? Holy Smokes, this is huge folks! They are already planning a planning meeting, etc. So please, if you are asked to help somehow, give them a hand. We want Does Drove #4 to be the icing on the cake for this event. Contact Kelli Stanley-Smith for more information, and look for upcoming information in the Elk O Gram ... speaking of which, do you have a small business? Would you like to advertise in the Elk O Gram? It is inexpensive, easy to do, seen by hundreds of members monthly and statewide as well. Contact Randy King for information on running an ad ... Registration will be here before you know it for Elks Midget Football, contact Scott Schrage for information on registration ... Be sure to come past the Lodge May 1-3 for the Does Annual Flower Sale, it is always a hit, and the plants go quickly ... Put May 11 on your calendar for the Mother's Day Brunch, 8 am to 2 pm. As an added twist, this year there will be a Chef who does fruit displays and melon carving helping our stellar kitchen crew, so look for attractive, edible, fruit as part of your brunch menu ... Flag Day is upcoming on June 14, look for more information in June Elk O Gram. Remember, the Elks started "Flag Day"; we are a very patriotic group. And it seems now, more than ever, that is needed in our country. So make an effort to attend. Bring a friend or three. It is important that we promote Patriotism and a Love of Country ... hope to see you at the Cinco De Mayo dinner May 3, the food will be terrific as always, and it is a good way to celebrate the start of spring (finally!) ... It pays to come to the meetings, Laurie Montag walked away with \$20 from the raffle tickets, and she donated that to the Ritual Team, and Wade Graff won the membership drawing, which was well over \$200. You have to be there to win! ... Our operating budget was presented and approved, so we can now officially pay the bills. Please, folks, recruit a new member or two. With more members, we don't have to struggle quite so hard to pay the light bill ... Our ENF contributions for last year totaled at \$23.39 per person, which made us #1 in the State for ENF contributions! Congratulations to E.R. Larry Bratt for his efforts for ENF; this benevolent fund is worth its weight. We get matching grants that exceed our contributions. The G.E.R.'s goal for our Lodge this year is \$4.60 per person, and I am sure we can easily exceed that this year as well ...

Forever Angels, 2014

Each year Forever Angels holds a fundraiser in the form of a kids carnival to benefit families who have children suffering serious medical conditions, and/or disabilities. Forever Angels relies heavily on local business and/or people to assist in sponsoring the carnival. Lincoln Lodge No. 80 supports this worthwhile cause and have been since 2010. Once more, the Trustees have budgeted the funds which allow us to be recognized as a Platinum donor for this charitable organization. As a Platinum donor, LEL No. 80 is listed on their website sponsor page, advertised on Facebook and Twitter, with extra mentions of business, logo printed on their flyer as well as able to hang up a banner at the carnival. Lincoln Lodge No. 80 plans to include mascot Elroy the Elk, a large Elks USA banner and funds to help the Forever Angels have another successful carnival. [See flyer insert](#) for more details.

If it sounds like I am repeating myself, I AM! As I said last month, it is my mission to keep reminding everyone to send in their annual dues payment. We only have about 60 members that have not paid their dues. That is great considering we are only three weeks into the Lodge year. It would even be better if that number was zero! Having every member with their dues paid would be a real landmark!

PLEASE, if you have changed any personal information, please contact the Lodge office. We continue to get change of address cards. The post office does not do that for free anymore; they charge us a fee for each vacation hold, temporarily away, or change of address. We paid out over \$5 last month, and \$8 the month before. We can forgo that cost if you let us know in advance. Thanks!

Please, if you have any questions or comments of how I can better serve you, please contact me. My phone number is 402-570-2555 and there are two emails that you can use to contact me: lodge80secy@yahoo.com or lodge80secy@gmail.com. See you all around the lodge.
