Notice

Unfortunately due to lack of attendance, the second burger night at the lodge has been suspended. This was being held on the third Thursday of the month, but since the attendance has been very low, it will no longer be financially feasible to provide this service. If anyone has any suggestions on when or how to replace this function, please let either Larry Schwindt, Scott Schrage or myself know. Thanks.

The second Tuesday of the month burger night will continue to be offered.

**Grand Exalted Ruler,
2015-2016
Ronald L. Hicks
Message from the GER
Grand Lodge Newsletter,
March 2016**

**Let Positive Leadership
Permeate Your Lodge.**

Exalted Rulers, as you begin the new Lodge Year, please remember that every Lodge, to some extent, reflects the personality of its Exalted Ruler. If you have a positive attitude, are enthusiastic and surround yourself with Members who want to make a difference, your Lodge will be successful. So, find a reason to be positive. Believe that your efforts can make a difference, and then be a spark that ignites a fire in your Lodge.

New Lodge Officers, be enthusiastic in all you do. Learn to share your pride and energy; listen and take time for others. Overlook faults, and don't dwell on the negative. Be quick to compliment, recognize and show your appreciation, and always look for the best in others. And, when communicating, be constructive and choose your words carefully, because your words have the power to put spring into Members' steps and give them confidence in all they do.

Remember, the Exalted Ruler and Lodge Officers cannot do it all alone. To be truly successful, you must have an active committee system. So, this is a good time to review the work of your Lodge committees to make sure they also have positive leadership. I believe the two most important committees in any Lodge are Membership and Orientation. Put your most active, positive and enthusiastic Members on these committees.

Encourage your Membership Committee to meet regularly and develop plans for recruitment, reinstatement, delinquencies and retention. Then, let every Member of your Lodge know that they are an extension of the Membership Committee. And, your goal should not be to just bring in new Members, but to grow Elkdom, by bringing in more involved, engaged, inspired and motivated Members. This is where the Orientation Committee plays such an important role in the long-term success of your Lodge.

Orientation is the most important Committee in your Lodge for the development of a long-term, active Member. Please begin thinking of Orientation as the "First Step in Member Retention" and make it a "process" that begins with the application and does not end until you get the new Member back into the Lodge for his or her very first Lodge activity, program or event. Only then have you made the connection and created a real sense of belonging that causes the new Member to understand and appreciate what a gift we have in Elkdom.

**Exalted Ruler
Lodge No. 80
2016-2017**

Mary Jane Brooks

Greetings All!

This will be my first month to write to you as your Exalted Ruler. I know that this next year will go quickly and we have much to do. I know I can count on all of you to help with our many events and projects. We have a great lodge and it is my hope that I can make it even better.

Each Exalted Ruler sets a theme for their year. I have decided that mine will be "Ever striving to be better Elks." In my journey in ritual I have learned so much about what "to be an Elk" should mean. Many times I think of our motto. "The faults of our members we write upon the sand, their virtues upon the tablets of love and memory." This motto alone can set us on a path of greatness. It reminds us to forgive and forget, and only remember the good of the past.

See you at the lodge,
Mary Brooks, Exalted Ruler

**President

Members of Does Drove #4 want to extend best wishes to the new officers of Elks Lodge #80 and to Mary Brooks as begins her role as Exalted Ruler. We look forward to working with all in the coming year. Calendars are quickly filling up with the many Elks related activities and as always, we appreciate everyone's contributions. Please get in touch with a Does or Elks member to see how you can be involved.

Warm regards,
President Vicki Logan

Knight's Tales

...and now for the Quickies...

Hello my name is Troy Pedersen. I am your Esteemed Loyal Knight for the new fraternal year! A little about myself. I have been living in Lincoln NE for about 30 years now. Both my Grandfather and Dad were active in the Superior NE Lodge back in the 70 's and 80's. We would go to the Superior Lodge for Food and Fun activities. It was a matter of time until I would join Lincoln Lodge. From the time I joined 5 years ago, it has been a very fun and exciting time at our Lodge. I didn't think I would be an officer, but was asked and said yes. It has been my pleasure to serve you and our Lodge in any way I can. Read the Elk "O" Gram and see what is going on in our Lodge. Join us for dinner and a drink, and just have FUN! Your Esteemed Loyal Knight,

-Troy Pedersen, Loyal Knight

I was honored when our newly elected Exalted Ruler Mary Brooks asked me to be her Lecturing Knight, and then further stoked when elected. In the past several years I have heard prior Leading Knights recite the instructions of my newly elected station. Those words ring true: "...As we therefore have opportunity, let us do good unto others, for we pass this way but once. We cannot retrace our steps nor call back the days that are gone; but the passing moment is ours long enough to grasp the hand in friendship, to lighten each other's burdens..."

These words have always struck a chord with me. I say this with all sincerity - one of the many reason I joined our organization was to give something back, to volunteer. We have many projects, committees, and special events that each one of us can lend our hands to. More is never enough! Remember that there's something gratifying about volunteering. Aristotle once surmised that the essence of life is "To serve others and do good."

-Harry Montag, Lecturing Knight

A brand new year only comes around once every 365 (or during leap year, 366) days. What shall we make of this brand new year of Lincoln Lodge #80 of the Benevolent and Protective Order of Elks?

We only reap what we sow, both in our personal lives and in our community. There are abundant opportunities to give of our time and resources as we are able, to benefit not only our Lodge, but our community. Come to a meeting! Volunteer for a committee! Attend the dinners - and better yet, volunteer to help with them! Get involved - and you will reap abundantly, in life-long friendship and the joy of knowing you are bettering our community for all. Now, that's a harvest!

Let this be a year of sowing for our Lodge and our members!

-Laurie Montag, Leading Knight

... Those of you that didn't make it to the St. Patty's Day dinner missed a doozy. PER John Aman was in fine form, the brisket was spectacular, and the atmosphere was great! Over a hundred passed the doors, and were very generous with raffle tickets and the like. The "Larry's plus Harry" were in fine form, and even P.E.R. Wirth was in the spirit (I think he was a leprechaun...) adding to the fun and festivity of the event. Much laughter was heard and smiles were seen as everyone enjoyed the evening. Hats off to PER Aman as he once again shared the "luck o' the Irish" with his culinary skills and by generously sponsoring the meal for everyone. Remember, folks, income generated from these dinners is what closes the gap between our dues income and our Lodge's expenses. All the more reason to recruit your friends and invite them to become members. The dues are a bargain, and evenings like this make it very worthwhile ... Did you hear about the new dishwasher in the kitchen? Look for more info elsewhere in this issue. Our old one croaked, so this new Hobart was obtained and installed through the efforts of Larry and Harry and a few others who stepped up and took it on. We need to do a little fundraising to repay our loan for this machine, so get some skin in the game and donate ... Teen of the month was on March 20, pictures to follow next month ... Our new Lodge year is upon us, and we will install our new slate of Officers for the 2016-17 Fraternal Year. Be supportive of Mary Jane, the Larrys, Troy, and all the rest as they strive to carry out the business of the Lodge and help others. PER Gerry will carry on as a Trustee, along with PER Terry Edwards, Bob Sindlar, Carrie Fiedler, and Scott Schrage rounding out the group. They strive very hard to be good stewards of the Lodge and its equipment and use; bring suggestions to them, volunteer to help. We can always use more help ... April 16th is the date for the next dinner, a fish fry sponsored by Scott Schrage and his crew. Rumor has it that Vicki Logan is involved in this, and there will be live entertainment in memory of Rick ... As you know she is the Prez of the Does, and they have their National Convention quickly approaching! Please help support them by buying raffle tickets, advertising in their publication, buying the blouses they have (elsewhere in this issue) and offering to help with their programs during the convention. Coordinating a National Convention is no easy feat; lets help them make it a first-class event ... Jolly Corkers Pub is open daily for lunch, and in the evenings 'til 9pm for enjoyment of your favorite adult beverage, please patronize our Pub so it can earn its keep ... If you are a small businessperson or independent, please consider advertising in our Elk-O-Gram, it helps offset the cost of printing and mailing our newsletter. It costs an average of \$300 a month to put this publication in your hands, and our advertising helps support that. A business card sized ad is \$10 a month. Please look at the ads already in the EOG and thank the businesses that support it, try to use their services when you can ... Also, please come to the installation of Officers April 6, that is a fun Lodge Meeting and a way to show support for your fellow Elks who step up and volunteer their time to make a difference ... see you at the Lodge! ...

Elks National Foundation Donor Update

At the Wednesday evening meeting, Lodge ENF Chairman, Larry Bratt, PER, presented two more ENF level awards. Esquire, Troy Pedersen and Treasurer, Wauneta Petersen both have reached the Participating Member (\$100) level. A certificate and pin were awarded to each. Their next milestone level will be the Sustaining Member (\$250). The giving time frame to ENF runs from April 1st to March 31st of each fraternal year. Members have until midnight (Eastern Standard Time) to give electronically on the elks.org website in order to still count in the 2015 – 2016 lodge year. It's fast and easy to contribute electronically. Won't you consider making a donation? The dollars our state receives in return for major projects are more than double (+) in size of what has been contributed. Currently, Lincoln Lodge No. 80 is sitting at \$19.16. Grand Exalted Ruler Hicks goal is \$4.65. We are in 2nd place state wide out of 20 lodges in Nebraska. Thanks Troy and Wauneta for your continued contributions and support!

Welcome Hobart, the Dishwasher!

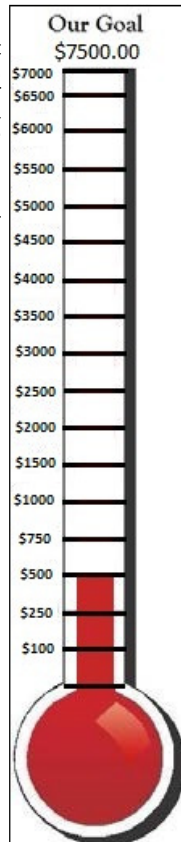

Calling All Elks!

A couple of weeks ago the dish sterilizer in the kitchen decided to suddenly retire. We noticed one day that there was a large water puddle that was forming on the floor in the Lodge room, and upon further investigation, the source of the puddle was traced to a leak in the dish sterilizer. The sterilizer was used when we purchased it several years ago, and it has served us well over the years. During the last health department inspection, it was pointed out that the sterilizer was not operating at the proper temperature, and a couple of weeks later, the leak appeared.

In order to make the dish washing process more efficient during dinners, it was decided that we would purchase a new dishwasher to replace the sterilizer. Harry Montag used his contacts in the food industry to get the new dishwasher at a reduced rate (Thank You Harry!). The new dishwasher runs off of cold water and has a steam elimination and energy recovery system to heat the water and make it very energy efficient.

Our repair budget was used to fix the Men's restroom, and now it is nice and sparkling fresh. Unfortunately this project just couldn't hold on until our repair budget was replenished, so a fundraiser is in order! The cost of the new dishwasher (including wiring and plumbing) is \$7500. We now have a dandy new dishwasher, lets all step up to the plate (or we can go in the kitchen and wash the plates...) and get 'er paid for!

Please send all donations to the Lodge and earmark them for the dishwasher.

Children's Christmas Party Donors

The following is a list of people who have generously donated to the 108th Annual Children's Christmas Party. It's truly amazing to see how many people care about, and support, this fantastic event! The Children's Christmas Party lets our Elks Lodge showcase the true meaning of "Elks Care, Elks Share". I thank each and every one who donated to this great cause.
