Cash Calendars!

Well everyone, you should have received your October EOG a few months ago with all the particulars about the changes to our Cash Calendars. Once again, Lincoln Lodge #80 will be selling cash calendars to help offset the cost of the many Elks sponsored youth activities and programs provided for the children of Lincoln and surrounding communities. The drawings will begin the 1st of January, 2021. Time is running out! All slips must be received by Thursday December 31, 2020 to be eligible!

Instructions are as follows: 1. Fill out the required information so we know who you are when you win. i.e. name, address, phone number. Please fill out this information legibly. 2. Cut along the dashed line(s) and return your personal information, along with \$10 per calendar slip, to Lincoln Lodge #80, 5910 South 58th Street, Ste A, Lincoln, Nebraska 68516, to the attention of Laurie Montag, Lodge Secretary and Harry Montag ER 3. The calendar slips and dollars which you mail back will be collected for the drawing to be held in January of the New Year (2021).

So, dig out the insert from your October Elk-O-Gram or you can go to our website (<http://www.elks80.org>) print one and choose the number of chances you're willing to try. Remember, whatever slip is pulled out for that particular cash drawing payout, a check will be made out to you as the winner. For more details, see the back of the calendar for additional instructions. More calendars can be made available by copying the existing calendar or by contacting one of your lodge officers or one of our Jolly Corks Pub bartenders. It can also be downloaded from the Elks 80 website (<http://elks80.org>).

Let's get excited about this event and the many youth activity programs it will help sponsor! Thank you for your continued support! Harry Montag, ER, Santa's Helper, and a Cash Calendar Representative!

Thanks, Harry

Resolutions, goals: Make them now for your lodge

Exalted Ruler
Lodge No. 80
2020-2021
Harry Montag

Frohes Neues Jahr, Godt Nyttår, Feliz Año Nuevo, and Happy New Year!!!! No matter how you say it, 2021 can ONLY be a better year!

Do you still have resolutions? Or maybe they are goals. I had a few goals as your Grand Exalted Ruler for my year as your representative of this organization. My biggest thing is to make sure that the Order builds on what we already have. Create more ways to give back, add to the programs to help others, build on our benevolence. But, we can all say that—are you doing it? Knowing what I know about all of the Members that we have had the opportunity to meet, there is no doubt in my mind that we are doing a lot, but can we do more!

Because of our wonderful new program, the Financial Reporting System (FRS), normally at this time I would be suggesting that it is time to get your Auditing and Accounting Committee on regular meetings to look at the budgets and prepare the financial documents to ship to CPAs. But because of the FRS, we only need to prepare, compare, and send for your 990s to be completed. Although our “Lodge year” is different, the IRS needs your information for a calendar year. Make sure to get them prepared.

This is also the time to start preparing for your PER Night. Get your new officers ready to start their year. Help your future officers and prepare for the next regime. But, don't stop your current momentum. This is what is going to take you into the new year. It will also teach your future leaders to Create Momentum for the Future of Elkdom.

I had the honor of participating and being a part of the 150th anniversary celebration of this great Order. I will never forget what an honor that was, and the fact that two of my children were also able to be a part of it. February is the birthday of our Order. Use this to have a celebration, a dinner, or an outing to help create funds for your Lodge, to help with the community, or to help another organization. No matter what you do, make the birthday of the Elks an event in your Lodge.

For ERs, Secretaries, and PERs, this is the time also to choose your Elk of the Year, Officer of the Year, and Citizen of the Year. As always, take time to deliberate and choose thoughtfully.

Lapsation should also be a focus of your Membership Committee. My Lodge has reported that we are nearing 2% in lapsation. Although for me that is a small number, for many it is huge. Let's make this another year of growth!

Secretary's Corner

How time flies. It's already time for a new 2021 calendar! Now that I'm retired from my full-time job, I have noticed how the days just fly by. This is contrary to my memories as a child of watching the clock during the last 10 minutes of school and thinking 3:15 would never arrive! I have come to the conclusion that time does, indeed, move faster as you age – or perhaps it could be that we become all too keenly aware of it as we grow older. Take your pick, or come 15586 up with your own theory!

As we are nearing the end of our lodge year, a word about Grand Lodge's new membership dues statement service in which we are participating. From what I understand, you will be seeing the 2021-2022 dues statements in your mailbox as early as late January/early February. An envelope will be enclosed that is addressed to Lodge 80, so if your habit is to pay by check, please use that. You will also have the option to pay your dues via debit or credit card at the website referenced on the statement (we no longer have the capability of paying dues on elks80.org). You should be aware that the convenience fee will be added to your dues, so you will pay a bit more this way, but perhaps the convenience of a paperless online transaction will offset the small fee. As always, we can set up an automatic withdrawal from your checking or savings account each month to pay your next year's dues, but you will need to pay the current year's dues in full. Remember – the due date for the year's dues is April 1, 2021. On April 2, you are considered delinquent, and no one wants that! Wishing you a happy, prosperous and healthy 2021!

As we approach a new year I hope and pray that you, your family and friends are safe and doing well. It has certainly been a very different and difficult year. I guess one for the record books. We have had to (a US Marine saying) Improvise, Adapt, and Overcome. We have had to learn how to not live with some of our old freedoms that have been temporarily restricted.

President Kennedy (An ELK) stated that “Change is the law of life. Those who look only to the past or the present are certain to miss the future. I believe that this year helped us to better understand this concept. We certainly have been surrounded by it and it has dramatically impacted us.

I feel especially grateful that we have been able to keep our lodge going. I am so very thankful to our new members and those that have brought them into our lodge. We in this lodge have been blessed by the leadership of the past who gave us a strong foundation on which we could stand.

I am also grateful to the Nebraska Elks Association and our Grand Lodge for their generous assistance in keeping our bills paid. The financial impact of this pandemic has cost lives, closed business, and cost many people in our city to lose jobs.

We as Elks have helped others in a number of ways. Our Veterans were given Certificates to help keep clothing on their back, we generously donated to three Outstanding Organizations in our Community, Cedars, We Can Do This and City Impact.

The strength of our commitment to our community is felt and very much appreciated. As might be expected donations to nonprofit organizations, are dropping as Americans give less due to pandemic-fueled job losses and fears of getting laid off. The challenge is being felt across a wide range of nonprofits, including those related to the arts and education, with half of the charities saying that they expected donations to fall by at least 20% in the next 12 months, according to a survey by the Charities Aid Foundation of America.

Helping groups around Lincoln should make you very proud of Lincoln Elks Lodge #80 as well as being a member of the B P O Elks. I am very proud to be part of one of America's most patriotic, charitable and family-friendly organizations: As events “return to normal”, we will be here. I do not know what “return to normal” will be. I am looking forward to our Dinners, visiting with members at the lounge, lodge meetings, get-togethers and what have you in 2021.

Albert Einstein stated - “Learn from yesterday, live for today, hope for tomorrow.” - May God Bless and Happy New Year to all!

Knights Tales

What is a fight? Why would any one want—or need—to fight? Is fighting ever necessary? How is it safely done, or is it always to be... a bit messy? Who should be the fighter? Where should fighting take place?

This seeming furor over such a thing as fighting has to do with the nature of contesting an issue. When two or more persons evidence an item of contention, and there does not seem to be a more pleasant way to resolve, what is left but to "have at it???"

First, for justice to be served, it has to be courted with respect and intentionality. If justice is righteous and good-intentioned, then all other considerations for fair play must be pursued so that all persons involved with any dispute may find their ends well met.

Second, there must be a legitimate framework, such as a constitution and by-laws, that set forth what dictates a violation of organizational rules and/or obligations. Officers of such organizations are then charged with investigating, scrutinizing, and executing judgment upon any and all violations and obligations.

Third, any tale of misappropriation of rules and regulations within an organization should be reviewed with caution and alertness as to its origin and standing within the organization. Such violations and related wrongful actions must be accorded just proceedings in order that it serve to educate the majority on how their members are treated.

Fighting is as human an event as celebrating one's birthday, or attending a wedding. It's natural, sometimes informative (e.g., displaying strategies and methods), and nearly always painful to endure. Fighting may be, of course, mental, as with court cases or letters to the editor. Fighting may also be physical, as with swords in the Medieval era.

But let's strive to keep the peace, no matter the failed obligation or rules broken. Harmony, compassion, and justice reign supreme to serve the organization, thus bolstering the community that the organization serves.

-Rev. Dr. William Jackson, Loyal Knight

Hoping everyone had a Merry Christmas and a Happy New Year with the hope that 2021 will be lots better. It definitely was a reminder that we live in Nebraska when we went from 70 degrees to 2.5 inches of snow. What an eye opener!

It was kind of a downer of a December by not having any Lodge activities. Really missed ugly sweater night, member's Christmas party, monthly dinner and most of all bagging party & Children Christmas Party at PBA. Damn COVID-19!!!

We made a little bit on our drive up sandwich night. At least the cooks and all workers have a good time with each other. No harsh words have spewed forth. Well maybe some!

Been busy but not that busy with deer hides. We are sitting at 44 as of this date. We have black powder and late season remaining. Hopefully we will get a few more. When the season is over I will be able to get back to working on my '51 Chevy. It will be fun driving my retirement project after 10 short years.

Everybody pray for a lot better 2021 than 2020. I personally am getting pretty damn tired of this sh....!

Stay healthy so we can see each other at a Lodge function. Miss you all!

Be Safe <-----> Be Good
...and most of all...
Stay Healthy!

...and now for the Quickies...

Christmas has come and gone, the New Year has arrived! Couldn't have come soon enough, 2020 was a rough one. As we all begin to get a handle on Covid and work toward restoring our lives, it is a good time to re-evaluate old habits, rituals, events. If Covid has taught us anything, it is to be flexible and innovative. Many companies are discovering they don't need large buildings to house employees; many can, and will, continue to work from home. Conversely, in controlled groups, ritual can be comforting. Gathering with friends and family, but in a safe manner, is a good thing. It builds camaraderie and team work. We just have to be smart about sanitation and working closely together, re-think how to do those things. Many businesses are struggling, and many more have gone under, never to open their doors again. Let's not let our Lodge be one of them. Now more than ever, we need your participation to help us stay afloat and grow. Recruit new members. Bring them to the Jolly Cork for lunch or an adult beverage. Come to the dinners, participate in the take-out burger nights...our Lodge needs your support. Sadly we won't have our annual Pancake Feed, another Covid victim. We are planning on our Chili-Cookoff, however... bring your best recipe, decorate a table, come in costume, whatever you want, just make it fun...have a favorite recipe? Share it with others. Contact Harry or Randy for more information... Come enjoy the Cowhorn Pepper Company's delicious roast beef! Sandwich and a side for only \$6.50, on Tuesday the 12th. Order and pick up, or dine in the Jolly Corks pub (adult beverages til 6)...Cash Calendars are being drawn, hopefully your name is picked for a little post-holiday cash treat...Valentine's Day right around the corner, as of this publication we are planning our annual dinner, see next month's Elk O Gram for confirmation of it...be sure to get your reservations in, this dinner fills up fast! As we grind through the rest of the winter months, and deal with the isolation and limitations of this virus, remember to reach out to your fellow Elks... it only takes a phone call to brighten someone's day...invite them to lunch at the Jolly Corks Pub...ask them to join us in the good works and good fun we all enjoy... see you at the Lodge...

Does Dispatch

Does - Our next meeting will be **Wednesday, January 13, 2021 at 5:30 pm**. We will be holding an informal regular meeting and also installing our 2021 officers.

We will be serving a pot luck dinner after our meeting(s). Please email (dianezabokrtsky@gmail.com) or call Diane Z. at 402-604-4164 to let her know what you will be bringing. We/you don't want 10 desserts...I, however, love dessert and think it should start a meal so you have plenty of room for seconds (but that's just me)!

PLEASE send me your list of Benevolent acts/donations, etc. Include your name, the date of your benevolent act, and whether the activity was a time donation, cash donation, material donation (list the approximate value), or mileage donation. Sometimes it can be several things.

Candi has a good form to follow. It has her name at the top and then a column with the Date, a column with Activity, Time Donation, Cash Donation, Material Donation Value, and a column with Mileage Donation. The chart is divided into columns with lines running horizontally, and the last line has Column Totals. For example on 6/3/2020, you took a friend to the doctor and then bought her lunch. Time Donated: 2.5 hrs, Cash Donation: \$15 (lunch), Mileage Donation: 30 miles. If you have questions please call me.

ALSO don't forget to email or USPO mail me two or three of your favorite recipes. Perhaps your Mom's special brownie recipe, or maybe even your Aunt Gertrude's favorite sauerkraut and sausage recipe that you always have at Easter. Please do this ASAP!

DUES are due! \$20. Make check payable to BPO Does, Drove #4. Send to : Sandy Reiber - 6700 So. 112th St. - Lincoln, NE 68526

Our Grand Lodge states "the Memorial Service must be conducted in a safe manner and must comply with federal, state, local, county and city public health announcements, mandates, laws, rules and regulations.
