Stacey and I can't believe that it has been nine months since this journey began for us. We feel that it has been an experience that has fulfilled us as Elks! Although our travels have been very limited, meeting all the wonderful Elks throughout this country during the trips that we have been able to make has been an absolute joy of our life.

So as we enter into the Elks New Year, this is a time to reflect on making sure you get your Lodge in order. Being able to be proactive rather than reactive will only help you and your Lodge in the long run. How is this possible? Start with making sure to have some of the following things in effect:

1. Review your bylaws and ensure that they are up to date and pertain to your Lodge's rules and regulations.
2. Check your house rules and make sure they are up to date and approved by your Judiciary member of your area.
3. Do a physical inventory of all your personal property and make sure that you have enough insurance to cover it.

These are just a few items that need to be done in the beginning of the Lodge year. That being said, it is not just your responsibility. Involve your officers and your Board of Directors, too. 15796

Lean on your best friend (Secretary) to make sure that you plan and cover everything. A good thing to also do now is to create a list for monthly "activities" — not just your charitable ones, but also your social ones. You should have a monthly event at your Lodge to keep Members involved, to raise funds, and to help in the community.

We are so excited that the National Hoop Shoot competition will be happening. It may be a little different as it will be held virtually. It is also for the 2019-2020 competition winners for regional competitors and national winners that advanced. The 50 year anniversary celebration will be held in Chicago next year for the 2021-2022 season of Hoop Shoot.

As you know my theme for this year is Creating Momentum for the Future of Elkdom. Younger Members need to take this into consideration: You are the ones that are going to continue the tradition that this organization has to offer.

Stacey and I are looking forward to continuing seeing the great Elks throughout the country. Please make a donation to our charities and we will be happy to share a pin with you.

There are several fundamental "truths" that come from those old but relevant stories called "fairy tales". If you look back and remember the tales from Peter Pan to Cinderella, they are giving us life lessons that are very relevant to us today!

Events of the past year have taught us that the *easy way* isn't always the *best way* and that we should never judge a person by their appearance.

A couple of weeks ago several of us attended Officers Training. I was rather stoked to see several of our Elk friends whom we haven't seen for just about a year. Another lesson from the shades of my youth...Trust your Instinct...be kind and listen to your heart. Well in February I thought sure that this training will not take place. Not only did it, it was so very successful.

In April we are holding the Fish Fry on the 3rd. I realize that a lot of us haven't ventured out. Our lodge is not up to full capacity yet so we can only serve about 100. That's first come, first serve. No carry out due to the delicacy of the main course. But now it's time to try something new, even though you have done this before. Reserve your spot. Wear your mask, share a story, and dine in with us. You will be tickled to see old friends and make some new ones.

Our following dinner is May 8th. This is a very special meal honoring our First Responders as well as a very special Hero, (and I am not talking the legendary priestess of Aphrodite) please mark this day down on your calendars as this year starts to heat up.

I would also like to thank all of your Officers and committee members for their assistance, guidance, and leadership this past year. I am very honored to be a part of this group. Did my rambling lead you away from my original supposition? Well, in each paragraph there is one sentence that will tell you exactly what fairy tales will and do tell you, so please just remember that the truth Will Come Out — Eventually.

Thanks for sharing your time with me and for being a member of one of finest organizations in Lincoln, NEBRASKA.

We will be seeing you around our lodge.

Secretary's Corner

Congratulations to all the newly installed officers. I can already sense that this year will be an immense improvement on the last one, health-wise. We hope more and more of you will be able to come down to the club and attend meetings as the vaccinations continue and life begins to return to normal. Hope to see you at the lodge!

Remember — the due date for the year's dues is April 1, 2021. On April 2, you are considered delinquent, and not a member in good standing, and you must be a member in good standing to enjoy the benefits of Lodge membership. Also, remember all the good things our Lodge does — and will hopefully be able to do again this year. Your dues and participation help to fund all the good work we do for the children and veterans in our community.

As always, please don't hesitate to contact me if you have questions or need assistance with all things Elk. Please note the Lodge's new email address: secretary@elks80.org. You will also be able to contact the ER at er@elks80.org; Treasurer at treasurer@elks80.org; and Head Trustee at trustee@elks80.org.

And a big thank you to Dick Wolf and Greg Znamenacek for the remodeling of the office cupboards!

Knights Tales

The mist surrounded everything and everyone. You could hardly see your hand in front of your face. The horses were a bit skittish, rarin' to move on. But we held them in check. There was a right way and a wrong way to get this done. It all started when a band of marauders breezed through a hamlet just outside the castle. They stole everything. They killed nearly everyone. Now it was time for a balancing of the ledgers to right this obvious wrong.

But who had the final say on this retributive action? Was it right? Was it smart? Will it be OK with the population after it's settled?

The tribunal was the highest authority, made up of the Duke and Duchess, their judges, and some peasants. They gave the word to render a reckoning for the damage done to that otherwise peaceful hamlet. Yet, who gives the right for a wrong to be righted? Does it come from God, the Duke & Duchess, their knights, or their peasants? How do they know that their proposal for rounding up and punishing those evil-doers was the best choice available? Only prayer and a solemn oath to render justice bereft of malice and forethought on their people's behalf could make justice seem right.

Those mounted warriors began their journey with a slow trot, then they began their gallop when they were close to the raiders' dwellings. It was over very quickly. Six knights against 50 raiders. The brief conflict was balanced between the knights' skills and daring versus the raiders' sheer terror.

One of the raiders was spared so he could give his testimony before being executed. But the women and children were spared. They'll become a part of the Duke & Duchess' community,

Justice for a violation or a failure to follow ascribed laws means correction for law-breakers but compassion for those merely being the family of the unjust.

-Rev. Dr. William Jackson, Loyal Knight

Well, Fellow Elks, little by little it is getting warmer and hopefully more sun is peeking through. I have taken my Covid shots, both of them. It makes you a little braver...I went into my back yard with the dog the other day without a mask! (I am OK thank you for asking...)

Some friends and I were talking and said people seem to be a little more on edge, so do what ever you can to help people to relieve their stress.

The Elks Lodge seems OK, could use some business for lunch, and later in the day, business for the Jolly Corker. Also come to a meeting the first and third Wednesdays.

The same people are on the board for another year with the addition of Greg Znamenacek as Inner Guard.

Also if any of you members have ideas on how to raise Money for the Lodge such as Garage Sales or Etc. call or email me 402-430-7288 dick@wolfprorealty.com

-Dick Wolf, Leading Knight

I think Spring might be here, I saw 2 robins in the front yard pecking for worms. I'm really hoping that I am right about this because we need a good, pleasant spring this year (after the forgettable one we had last year) along with summer, and fall, and winter...I think you all get my message.

The Fish Fry will be a great success, since Scott Schrage and his crew always do such a good job. The State Elks are opening up some by having the Spring Conference at the end of April. It will be nice to see our fellow Elks from across the State.

All of us are looking forward to the loosening of COVID regulations and getting out more. We might even be able to know who we are talking to at the grocery store. Being able to enjoy sports will be another plus.

They said to keep these articles short & sweet so "see ya".

Be Safe <-----> Be Good
...and most of all...
Stay Healthy!

-Larry Jurgens, Lecturing Knight

...and now for the Quickies...

... Spring is finally here! March was cloudy and windy and wet, a typical March in Nebraska. Now that we are finally done with winter and cold and snow, we can prepare for Tornados! This is Severe Storm Awareness week in Nebraska, and it is a good time to review your safety procedures for severe weather. Replace batteries in your flashlight and portable radio. Get a NOAA weather radio with alerts - they are inexpensive and a good way to stay on top of quickly changing weather. Put an app on your phone that alerts you of nearby severe weather. Make sure your safe space is quickly accessible, with blankets, pillows, and some snacks in case you are there for the long haul. As many of you know, several of our Elk members are also Ham Radio Operators and these individuals are trained in Severe Weather Spotting. They are the people out on the hilltops during severe weather, reporting on the rapidly changing conditions to Civil Defense, so that precious minutes of alert time can be had when the severe stuff is approaching. Take a minute to say "Thanks" to Maureen Sadler KDOONM, Ed Holloway KORPT, Ken Cohn NOYNB, Bob Sindlar KOKPH, Heather Chesnut KD0BXA, and Randy King K0NC, for the valuable service they provide! The Lincoln Amateur Radio Club is a service club, providing support and service to our community, they truly do understand the values of philanthropy that we Elks hold dear ... Karaoke was a great time last Friday, Thanks to Heather for stepping up and em-ceeding the evening ... nice to see and hear Dennis crooning his way through the evening; Ken, Troy, Doc, Lillian, Heather and all the rest ... Karaoke in April on Friday the 16th, 6-9 pm, mark your calendars, bring some munchies and come enjoy! ... a bit of sad news, our bartender Janice has given her notice, life has gotten busy for her. She will be sorely missed ... so we are looking for volunteers to bartend on Fridays from 6-9 ... if you've ever wanted to try your hand at this, now is your chance. We'll be happy to train you, and assist in getting your RBST training and certification completed, contact Roxy or Harry for more info ... be sure to call right away for reservations for the Fish Fry this Saturday, we have a limit of 100, and expect to hit that easily so call the Lodge 402-421-6363, or stop in the Pub and tell Roxy, get your name in ... we have the First Responders Dinner coming right up as well. That is another one you don't want to miss (see details elsewhere in this issue) ... our Installation was a great time, it was well attended, and it is one of the few times a year that we host a public ceremony for our Officers and leaders ... Wauneta's skills on the organ always adds so much to the ceremony ... and a certain little "future Elk" who toddled her way up to Mom at her Station ... a nice reception was held immediately after, it was great to see people talking, laughing, getting reacquainted again ... Scouting Chair Randy King reported he had one Eagle Scout ceremony this month, and another on the way, so slowly but surely, life is resuming a semblance of normalcy ... we are all ready for it ... come on down to the Jolly Corker for lunch or stop in for an adult beverage, its good to see familiar faces ... See you at the Lodge!

Does Dispatch

Past President Vicki Logan presided over our March 10th meeting. We were very proud to vote on Life Membership applications for Does who have been members for at least 50 years. Our new Life Members are: Donna Bryan (52 yrs): Sang in the Mello Does for 20 years entertaining at Does and Elks functions. Donna was also an Attendant for 20 years. Wilma Chesnut (59 yrs): She was President in 1981 and served as Chaplain for +10 yrs. Wauneta Peterson (52 yrs): Has been an officer and musician since she first joined the DOES, providing music for DOES events and Elks dinners. Wauneta was President 2017 thru 2019; Trustee for 3 years; Treasurer for 19 years. She wrote a history of the Does for Founders Day, decorates over 150 graves on Memorial Day, and made 15 white dresses for National convention. Janet Wieting (53 yrs): She was President five years (1997, 1998, 2005, 2006 and 2007), as well as a five year Secretary in 1975. Janet was also a member of the Mello Does for over 20 years.

All of these ladies attended District and National conventions, served as officers, helped with bake sales, funerals, Mother/Daughter teas, Christmas parties, craft sales, Founders Days, worked at many other Does events as well as supporting our Elks functions. These ladies have been, and are, true and faithful Does. Please thank them for all their efforts! Teen of the Year

Our annual Teen of the Year ceremony is going to look a bit different again this year.

We will be hosting a drive-thru event to recognize local youth. Each year we invite all the area schools to submit names of a boy and girl from the eighth grade who best represents hard work and citizenship. The award winners will be invited to stop by the lodge from noon to 2:00 p.m. on Sunday, April 18th.

We will be giving them a certificate, \$25 cash prize, and an engraved water bottle. We need help distributing the awards that day. Please come join us! It is always gratifying to meet these young people who are making a difference in our community.

Please call PER Amy Jacobsen at 402-699-2201 if you have any questions.

We regret to say that we will not hold Youth Night again this year, as we feel it is just too early in the COVID healing process to congregate a big crowd of folks from across the community.

Youth Night 2021

Certificates will be mailed to all the High School Juniors who are chosen by their schools to be recognized. We are planning a return to Youth Night in 2022.

Come down to the Lodge to celebrate your birthday! Present this coupon and have a free drink on us.

SOCIAL GET TOGETHER

There are a few of us that have started having a lunch/social / "games and whatever" to support the Lodge! We meet on the 3rd Thursday of the month at 1pm, and stay 'til 4 or 5, but you can come and go at any time.

We would enjoy your company, so come on down!

Eagle Scout Ceremony

Jacob L. Hoge is the latest recipient of his Eagle Award. Jacob is with Troop 32 based at St. Peters Catholic Parish near 45th & Duxall in Lincoln. His Court of Honor was Saturday March 13. He is pictured here with Elks Eagle Committee Chair Randy King, Lieutenant Governor Mike Foley, and his Scoutmaster. His Eagle project was installing benches at the basketball courts at the church. Jacob will still be active with his Troop, and has earned over 36 Merit Badges, which entitles him to wear the Bronze, Gold, and Silver Palms on his uniform.

A small example of self-less-ness this year... an Irish P.E.R. Mary Norton... Mary lent a helping hand to our Lodge on St Patty's Day and we are so grateful for this. *"go raibh maith agat, Mary!"*
