Installation of Officers Lodge #80 2021

Mitch Becker, a lodge member and our Edward Jones financial advisor, will be visiting with us at our next lodge meeting on May 5th.

Mitch believes it's important to review our investments from time to time and to fully understand how they are performing.

So bring yourself and bring questions!

Mark your Calendar for Saturday, **May 8th, 2021**. Once again, Elks Lodge #80 will be recognizing our local First Responders and all of the good they have done for our community.

We will be serving Steak, Garden Salad, Baked Potatoes, Asparagus, and a cobbler for dessert.

Cost will be \$12.00 per person and this is a reservations only dinner, so get them in early!

Reservations are due 5/6/2021.

Come and share a great dinner and thank those being recognized for their service.

There will be **NO** carry out or raffle for this dinner.

April showers bring May flowers—as the season blossoms so do the activities of the Elks.

In Minnesota, there is a possibility we could still get a snow storm. But in the rest of the country, I am hoping that the season is changing for you and your Lodges. We are moving into the time of the year that traditionally can be a little slower for most Lodges because of the season coming upon us: Convention season... just kidding, the summer. But don't let it get you down.

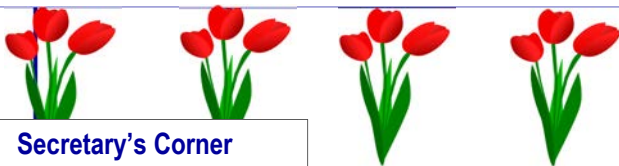

This is a great time to have (safe) gatherings outside the Lodges for friends, families, and people who you can get interested in joining this super organization. We will take any Members, but young ones will Create Momentum for the Future of Elkdom.

A tradition for us this time of year was to go and visit our family on Memorial day. This is a time to remember our family, friends, and Members who have gone before us. Memorial Day is an opportunity to reflect. Although they have gone on another journey, they will never be forgotten.

Also, a day to celebrate is Mother's Day. This entire month should be spent honoring them. I know that the mothers in my life have been a great influence on me. Make sure to give them the attention they deserve this Mother's Day.

Don't forget that this is when your Lodge's Annual Report is due. If you have been keeping up with the Financial Reporting System, this will be a much easier year for you. Now you will still have to have someone prepare your 990 and maybe a 990T but a complete audit can be avoided. Is this a wonderful feeling?

Stacey and I are diligently preparing for the Tampa Convention. It isn't too far away and we will be preparing for the meeting and end of our term. We appreciate all the support you have given us throughout the year. We look forward to serving this organization in the years to come.

Secretary's Corner

A few words regarding Grand Lodge's quarterly member billing service that we are using, which not only saves us money, but keeps your secretary sane(r).

First, it is still possible for you to pay your dues via credit card online. In the bottom right corner of your dues statement, there is a paragraph, "How to Renew." You may make a payment at <https://search.revopay.com/elkslodge>. At the "Please search your property name" page, type "Lincoln" and select "Lincoln Elks 80." At the login page, select "Make a Quick Payment." Enter your member number on the next page. From there, it's a piece of cake to use either your debit card or a credit card to pay your dues. 15789.

Second, please be aware that if you submitted your dues payment after April 10th, you may still receive a bill around the first week of June. This is due to necessary lag time inherent in the system. If you receive a bill and you have already paid your dues, please accept our thanks and file it in the circular file.

Thirdly, please remember that our lodge year starts on April 1 each year. Once April 1 arrives and you have not yet paid your dues, your membership is NOT in good standing, and you are NOT eligible to take advantage of the lodge facilities until your dues are paid (House Rule #5). PLEASE PAY YOUR DUES EACH YEAR PRIOR TO APRIL 1 and everyone will be happy!

A big shout-out to Dick and Pat Wolf for donating and installing our new combination lock for the office door! It works great. Thanks so much!

As always, please don't hesitate to contact me if you have questions or need assistance with all things Elk.

Laurie Montag / lodge80secy@yahoo.com / 402.202.6673 please leave a voicemail.

You may have heard the unusual claim that Bill Gates is using the Covid-19 vaccine to implant microchips in everyone so he can track where they go. Bizarre as it sounds, in May a Yahoo/YouGov poll found that 44 percent of Republicans (and 19 percent of Democrats) said they believed it. It's false, of course, debunked repeatedly by journalists and fact-checking organizations.

It is amazing though that this falsehood still persists — in fact, it's one of the most popular conspiracy theories making the rounds. Speculation as defined by the dictionary is the forming of a theory or conjecture without firm evidence. Great adult beverage conversation but ...

There is a child's game called Chinese whispers or telephone. Players form a line or circle, and the first player comes up with a message and whispers it to the ear of the second person in the line. The second player repeats the message to the third player, and so on. When the last player is reached, they announce the message they heard to the entire group. The first person then compares the original message with the final version.

Although the objective is to pass around the message without it becoming garbled, 99 out of 100 tries it usually ends up happening. Errors typically accumulate in the retellings, so the statement announced by the last player differs significantly from that of the first player, usually with amusing or humorous effect.

The Pew Research Center suggests that 23 percent of U.S. adults have shared the telephone effect, knowingly or unknowingly, with friends and others. That in itself is an amazing statistic.

Today it is very easy to spread misinformation. We have various on-line formats like Facebook, Twitter, What's APP and soft news sites.

How do we stop misinformation? Three words Stop, Reflect, and Verify.

On the flip side if you are not attending your Lodge Meeting, House Meeting, Trustee Meeting or Charitable Funds Meeting you're not verifying. What you are hearing might not be correct. I encourage you to attend, participate and help run your lodge.

Vineet Raj Kapoor stated that "If you respect others in their preparation, you will never drop the baton".

Thank you for being a member of our lodge and thank you for paying your dues. By paying your dues you are supporting our lodge, and all of the activities we do for our community.

We will be seeing you at our Lodge!

Knights Tales

Justice is akin to carrying out the counterbalance over violations of statutes and by-laws, and/or failure to conform to fraternal rules of conduct. But how is it manifested on the local level?

If a brother or sister Elk violates a standard of the local Lodge, it is reflective of that person's overall desire to have their way over what Grand and State Association leadership values designated since the beginning of the Elks. Balance must be maintained, as with the Lord's Ten Commandments, and Jesus' incarnation-birth-life-death-resurrection to reconcile sinful spirits back to Him. Remember: being an Elk means you love the Lord and are an American patriot. But exactly how does one get themselves back into the good graces with the Benevolent and

Protective Order of Elks? That would be in accordance with dictates of the Elks Tribunal. The offender would have the opportunity to present their case before that court of their peers. If found guilty, appropriate steps would be taken to reorient the offender to being a faithful member Elk or be removed from the roles of being an Elk.

Comprehend this: the Elks are a benevolent, compassionate, and honorable group of Americans who strive to be service to the local community. If that is where you belong, then stay within the confines of BPOE. Being an Elk is a privilege, but take being one of its members as having the other family you didn't know you had.

-Rev. Dr. William Jackson, *Loyal Knight*

Hello Fellow Elks! It is 36* out - just a little too cold for the 22nd of April! Like everyone, I need spring or summer and everything to return to normal.

This weekend is the State Convention in Grand Island. It will be great to see other members from other Lodges and hopefully everyone has had their shots.

We had 4 new members join last night, that really felt good! Last Tuesday we had some work done by members on the lodge, Larry Jurgens painted the yellow stripe on the curb from parking lot to sidewalk, which was really needed.

I have been having lunch more at Lodge, Thursday is a good day come on down.

Everyone have a good month of May.

-Dick Wolf, *Leading Knight*

If the old adage "April showers bring May flowers" is true, this month of May will have flowers clear up to the old "kazoo"! Shouldn't have to worry about the water table. The real plus for all the rain we had, it's nice that the yards are green NOT white.

With the weather getting nicer and Covid restrictions lessening, the mind starts thinking about travel. Vicki and I are planning a couple of trips and hoping to plan for some others this year. Last year was a bummer. With many conditions brightening, it gives us all hope for a better future.

The Fish Fry was a giant success. I personally would like to thank Scott Schrage and crew for a job well done. Last month we had our first in house member initiation in over a year. Things are starting to get back to like it used to be!!! So kids, see ya at The Lodge.

Be Safe <-----> Be Good
...and most of all...
Stay Healthy!

-Larry Jurgens, *Lecturing Knight*

...and now for the Quickies...

... Spring is finally upon us, and it is a classic. 28f one night, 90f the next week ... Things are starting to open up at the Lodge, come have lunch with the Lunch Bunch 11:30 on Thursdays, great way to meet fellow Elks and Does and get to know each other ... the Jolly Corkers Pub needs the business as well. If you like to play pitch, there is a pitch group meeting Tuesdays at 2:30, come join the fun! ... we had a great turn out for the Fish Fry, hats off to all who helped prep and serve ... big Thanks to Dick and Pat Wolf for donating and installing our new office door lock. Sure helps streamline things ... Another thanks to Larry Jurgens, Dick Wolf, Harry and the others who taped off and painted the yellow stripe along our curb edge, sure helps remind us of where the step is ... good to see an Initiation done in person in the Lodge, and we were able to recognize two recent members with their flags; they had been "virtually initiated", and while that was necessary and a good thing, it is nicer to see Initiation in person ... First Responders Dinner is coming right up, that one is reservation only and fills fast. The latest DHM allows us 75% occupancy, which helps. So call early, get your reservation in for this very special dinner. In this time when the media seemingly attacks law enforcement and micro-analyzes every difficult situation, it is much needed to recognize and reward the vast majority of Law Enforcement and First Responders who do it right. This is a great way for the Elks to do just that ... Spring Game is in the books by the time you read this, they allowed about 40% seating in the stadium. Concessions and our participation in this fundraiser will continue, albeit in a different fashion ... the one thing that is constant in our world now is change, and how we do Concessions will change as well. We need volunteers for this fall, if you like to meet and greet people, this is a great way to enjoy the fun of game day and help the Does and Elks as well. You do not need to be a member to help, but you do need to be at least 16. For those in high school that need community service hours, this does count, we can sign off on at least 4 hours each game. Contact Randy or Wauneta to be a part of this fun event ... Tornado season will be shortly upon us, the Lincoln Amateur Radio Club is a big part of our county wide protection provided by Civil Defense. Hams are the folks out on the hilltops reporting on the storms as they pass by, instantly delivering real-time information to Civil Defense. LARC has their Board Meetings at our Lodge, and two of our newest members are hams! The Lincoln Amateur Radio Club is a service group (much like the Elks) and we have a lot of parallels. So when you see those funny license plates in the parking lot, thank a Ham for their efforts ... and if you are interested in Ham Radio, our Lodge members who are hams are quite happy to help you get licensed! Just ask Heather, Maureen, Kevin, Randy, Ed, Brian, Ken, Bob (P.I.G.), the list keeps growing! ... as a friendly reminder, your dues were due April 1, please get them paid and get your new membership card. You need to be current to enjoy the Lodge and Pub, and we rely on those dues to pay the light bill ... come support burger nites, eat lunch at the Jolly Corker, come to the dinners, recruit new members. Every little bit helps! See you at the Lodge ...

Does Dispatch

May finds the great majority of us vaccinated against the Corona-19 virus and ready to burst out and enjoy more of our world, meet carefully with family and friends, and get back to a little bit more of the "old" normal.

By the time you read this the Does and Elks will have manned our concession stands for UNL's Spring Football game. I know there will be some changes in how we do things at the game...but how fun it will be to cheer for our Huskers and enjoy the camaraderie of our fellow Doe and Elk members!

We will be decorating graves for our departed Drove members for Memorial Day. We will meet Monday, May 24th at 2:30 pm at Lincoln Memorial Cemetery's Mausoleum located at 6800 South 14th Street, to receive instructions on which cemeteries and graves our members are located at. Wear comfortable walking shoes and dress for fickle May weather.

Diane Dannelly has been instrumental in reviving the Tuesday Pitch games. We meet every Tuesday at 2:30 pm. Come join us...there's always a table with a spot just for you!

Teen of the Year

The Lodge recognized Teen of the Year recipients on Sunday, April 18 at the Lodge. Each recipient and their parents drove up to the west side of the lodge to receive their engraved water bottle, certificate, cookies, and \$25 cash. Teens of the Year are 8th graders from surrounding area Middle Schools who are nominated by their teachers for being well-rounded and involved in their schools – one boy and one girl are selected. Twenty-eight students arrived to pick up their award during a 2-hour period. Thanks goes out to T-O-Y chairperson Amy Jacobsen and volunteers Scott and Jody Schrage, Harry and Laurie Montag, Larry and Vicki Jurgens (who also provided the cookies for the winners), Larry Schwindt, Larry Bratt, Rev. Dr. William Jackson, and Wauneta Peterson for helping us recognize these deserving young people! And a tip of the hat to Larry Bratt, who took on the task of getting the remaining awards to those who were not able to attend.
