## 2021 First Responders Dinner

On May 8th, 2021 our lodge recognized First Responders in the area for their service to the community. They and their guests were treated to a steak meal, and then were presented Certificates of Service and medals of Service to recognize what they have given to our community. The dinner was very well attended with over 80 people present. The entire dinner was sponsored by the Norris and Gustin families in memory of Ray Norris. The tables were beautifully decorated by Connie Moore, Phillip Hagan, and Joni Hagan. Nebraska State Patrol Lieutenant Kaleb Bruggeman introduced Trooper Jamieson Brown and spoke about why he was selected to receive this award. Assistant Chief Jason Stille with the Lincoln Police Department introduced Officer Josh Fullerton and explained why he had been selected. Chief Kendall Warnock of the Lincoln Fire and Rescue Department introduced Robert Poe and talked about the reasons they had chosen to honor him. Captain John Back-Lincoln Police Department introduced Deputy Troy from a heart attack last fall. His mother Connie were present to receive his certificate and a shadow-mounted inside. The program concluded with PDDGER Larry Bratt Police Investigator Luis "Mario" of duty. Mario's wife Carrie and their children, Carlos, Olivia, Adelina, Celia, and Carlos's fiancé Tasha Bredvick were then presented a Certificate of Valor and a Shadow Box with Mario's picture and Medal of Valor mounted inside. This dinner is an annual event to show our support and appreciation to our First Responders in our community.

You should be honored to put on the Flag Day ceremony.

Talk to your city if they have a memorial that can be performed in conjunction with the Legion or VFW. My Lodge has performed it at a Veterans Hospital. Perform the ceremony in a place where many will see it and be educated by it.

As you can see by my pin, the flag of the greatest country on earth is something that Stacey and I cherish deeply. I hope you will feel the same sense of pride this Flag Day.

That being said, you should also honor Fathers this month. I know that my father has taught me a great plenty in life and I am so proud to call him Dad.

My father-in-law has also been a great influence on me. My wife may have been the one that got me into the Elks, but he was the one who set me on my path and mentored me to where I am today. I am proud of them both and I am so glad that they have both been an influence to me.

Make sure to come to Tampa and partake in all of the great convention seminars and meetings. There is so much to do and so much to learn. You will also have a chance to meet other great Elks throughout the nation and gain new ideas and develop new connections. Don't just rush out and join your own state in their hospitality room—go get introduced to others.

Stacey and I look forward to seeing you soon in Tampa.

Remember to Create Momentum for the Future of Elkdom!

### Secretary's Corner

We had spring this year, instead of going straight from winter into summer! Yards are green, flowers are colorful, and the cotton from our beautiful and majestic native cottonwood trees is starting to fly. I love spring in Nebraska (maybe more so with the use of a good antihistamine)!

By the time you receive this newsletter, or thereabouts, the first statement of account should be in the hands of the 29 members who have not yet submitted their dues. If you are among them, please do so as soon as possible. If you paid your dues after April 19, you may receive a statement anyway, as these are generated by Grand Lodge and your payment may not yet have been credited to your account. If this is the case, please ignore the invoice.

As always, please don't hesitate to contact me if you have questions or need assistance with all things Elk.

-Laurie Montag / secretary@elks80.org / 402.202.6673 by text or phone

Did you realize that a little more than a 100 years ago entire industries related to horse-drawn transportation disappeared overnight with the advent of the automobile? Remember One-hour photo labs? Smartphone cameras have made photography a mundane activity. Remember Floppy disks? For over two decades, every computer came with a floppy disk drive to load programs, now they are nonexistent. How about that overhead projector? Now we have smart computers that can cast over the airwaves to a TV (OOPS) monitor. You can even draw or write on the computer as you are displaying the information. Where did all of the "want ads" go? Craigs list, Facebook?

One of life's constants is change. Like it or not, it happens. As a Society we grow, we evolve. What was great for us a few years or even yesterday might be irrelevant today. As Agent Smith stated in the movie the Matrix "You Hear That Mr. Anderson? (Change) Is the Sound of Inevitability!"

A little more than a year ago we were in the beginning of the lockdown. We learned to shop on line. Order food from restaurants to be delivered. Learned to Skype. Believe it or not take a virtual vacation. We changed. We did adapt. Yes, we survived. Last year literally kicked all of us in our back side. We had to make some decisions that were not very popular.

Our Lodge depends on each one of us. Not only in a physical presence but in the dues we pay. Programs that we support also depend on this. As income is not consistent and bills begin to come in, choices need to be made. Hence, there are some things that were curtailed to meet this Inevitability. A line from Rolling Stones song "You Can't Always Get What You Want" written by Mick Jagger and Keith Richards, from the album "Let It Bleed" (1969), simply states that "You can't always get what you want, but if you try sometimes, you might find, you get what you need", and that is so true....

There will be some changing of things in the future: that you can bet on. I cannot predict what they will be. If you know the British Comedy Group Monty Python they penned a little ditty called "Always look at the bright side of life" ... "Some things in life are bad, They can really make you mad. Other things just make you swear and curse. When you're chewing on life's gristle. Don't grumble, give a whistle. And this'll help things turn out for the best. And Always look on the bright side of life, Always look on the light side of life..."

Thanks for spending a little time with me, it is appreciated.

While you're out and about, why not stop by the Cork for lunch or perhaps an adult beverage on Thursday, Friday, or Saturday. Cards are going on Tuesday! Please mark your calendars for our Flag Day Celebration on SATURDAY June 12th. Dinner on the 19th. Don't forget about our Lodge meetings that are on the calendar!

Please remember to enjoy what you do, give a stranger a welcome smile. They can see you now!

Harry

**Eagle Scout Award**

Sean P. Rodrigo, receiving his American Flag at his Eagle Court of Honor on May 15, Troop 54.

His project was creating 4 new raised bed garden spots at Matt Talbot Kitchens, in addition to the 4 raised beds already there, and a privacy fence to shield the raised beds from viewing from the street.

The garden spots help fill the need for fresh vegetables for Matt Talbot's outreach program.

**...and now for the Quickies...**

Come to the dinner on the 19th, Pork Chops and other goodies, hear our Scholarship winner speak ... First Responders Dinner was awesome, included news coverage on KLKN ... see you at the Pub for lunch! ...

**Does Dispatch**

June 6th – 11th is the Does Grand Lodge 100th Convention being held at our birthplace in Omaha, Nebraska. Our theme, "100 Years – Yesterday, Today & Tomorrow" Centennial Convention.

There are numerous people who donate their time and labor, time after time. We should always thank them! The Lodge is still here because of them.

I have been trying to go to the Lodge every Thursday to have lunch. Invite some friends and come down Thursday, Friday, and Saturday. Every little bit helps.

Memorial Day will be over by the time the Elk-O-Gram comes out, but always remember our Veterans and Loved ones.

*-Dick Wolf, Leading Knight*

Our first evening, Sunday, June 6th will be the Grand Lodge Memorial Ceremony honoring our Deceased Members of which our Drove has three: Marie Wilson (5/12/20), Dorothy Haar (8/05/20) and Diane Rakes (8/20/20).

Monday will be informative workshops with a celebration BBQ prepared by the Omaha Elks and held at their Lodge, followed by a tour of our own National Heritage Center.

Tuesday, will be the "100th Year"; formal banquet hosted by Des Moines Drove # 25, Iowa. Put on your fancy duds and come enjoy a great meal. This banquet honors our Supreme President, Past Supreme Presidents and Grand Lodge Officers. Wednesday Falls City Drove #56, Nebraska will host our "Just Over the Rainbow" luncheon with Supreme President Frances.

Wednesday evening will be our Fun Night banquet, "The Great Gatsby" mystery dinner theatre put on by the Omaha Dinner Detective. Come in your Roaring 20's wardrobe and be prepared to choose an "Alias" at the door. Will you be the criminal or the victim?? Jefferson Drove #196, Iowa is hosting this great meal and fun entertainment.

Thursday will include voting for Grand Lodge officer, the GL business session, Bullshipper meeting, Ways & Means workshop, and Supreme officers training seminar.

Friday will be the Installation of Officers with a reception to follow honoring our new Supreme President and Elected Officers.

June 22nd is our own Drove #4 birthday. We have postponed our regular Wednesday June 9th meeting to Tuesday, June 22nd for two good reasons: 1) we will be a Grand Lodge on the 9th, and 2) we'll be able to celebrate our Drove birthday on our actual birthday with a pot-luck dinner at 4:30pm (so we can enjoy a concoction or two from Roxie) and our meeting at 5:30pm.

We had a fairly good turnout to man our Concessions booths at UNL's Spring Football game, with the help of our Elks, friends and family members. We'll need 12 volunteers come regular football season. So please come help if you can!! This is our main fund-raiser that helps pay our bills, donate to our Elks, and helps with the scholarship fund. Besides that...it's fun!

*- Sandy Reiber, Secretary*

Here we go again. As I am writing this in the latter days of May, it is nice to know the masks can be taken off! Like I said another time, I will be able to know whom I am talking to. Thinking back, I probably made a new friend or two that I won't know without a mask.

I personally want to thank Dick Wolf and Greg Znamenacek for organizing all the equipment and people to turn the sign in the Collura Garden around. It was something I have been trying to get done for the last couple of years. Vicki and I have been keeping the weeds cleaned up and now with the bush and tree trunks gone, flowers can be planted.

A shout out to Larry Bratt for organizing the First Responders dinner. The honorees, wives, and families were all touched by what Lodge #80 did for them. Good Job L-2!!!

Well all, I've probably rattled on long enough. Get out and enjoy the new old world mask-less.

Be Safe <-----> Be Good  
...and most of all...  
Stay Healthy!
