A few creative ways Lodges can spread holiday cheer...

**Exalted Ruler
Lodge No. 80
2021-2022**

Harry Montag

The holiday season is in mid-swing. Right out of the gate is our annual Memorial Service. Although this is a somber and humble event, it is one I never miss. Some Lodges invite families of our departed Members to the service and offer lunch or snacks afterward. I try to meet with every family member to share memories and express what their loved one meant to me, the Lodge, and the Order. I always thank them for sharing their loved one with us through their journey of Elksdom, and talk about how the departed Member was always committed to the Elks.

If your Lodge has a Christmas basket program, fantastic. If not, consider starting one this year. One of my first Elks memories was riding with my father and delivering Christmas baskets from the Lodge. Just seeing the help and kindness given to families that need a little extra assistance to make their holiday more joyful is something I will always cherish. If you are starting this activity, just choose a handful of families that you can help.

Another event could be Shop with an Elk. Gather up some kids and spend the day shopping with them and purchase some gifts that they need or want to give to others. I have also participated in this event as well—the great times I experienced with those children is another memory I will never forget.

Contact your local veterans facilities. They always have a list of items that the patients or residents need. My Lodge takes the requested list and puts them in an envelope on a Christmas tree in our Lodge. Then Members can take the envelopes, purchase the item and return it to the Lodge for distribution to the facility. If we do not have time to shop, we can donate money to the tree project and have other Members that do the shopping for us. Finally, we set a date to gather together and caravan to the veterans facility. One Member dresses up as “Old St. Nick” and we then distribute the items to the veterans. What an experience.

The State Bulletin Contest deadline is coming up mid-January. Take some time to investigate this contest in the Grand Lodge Activities Manual and submit the forms to get your state bulletin recognized.

December is not only a busy month for Elksdom, but our personal life as well. Christmas is a time for family. We all get caught up in our Elks duties, but do not forget to take some family time and enjoy everyone in your life. When I was younger, I never thought Christmas could get any better. But, as life moved forward and my children came along, the joy just kept increasing. Now that Amy and I have been blessed with grandchildren, I find myself even more overjoyed watching their faces light up, and them thinking this is the best experience they have had.

So, from my entire family, we would like to wish you all the most blessed holiday season and a happy “and healthy” new year.

There is a lot of information to be found on the internet. The new Library. I found it puzzling, surprising and sad to search the internet for “What does Christmas really mean to you?”

Although many people have almost forgotten what Christmas really means, there are still plenty of people young and old around the world, who have a different take on what Christmas is. Here are a few examples: Family time. Putting up decorations while listening to Christmas carols and eating hearty food. Spending time with people you wouldn’t normally, being brought together by Christmas! Good Food with Good People. Not enough time away from work. PRESENTS! A mix of a lot of things. Santa Claus (or Odin if you’re into that) Joy. Kindness.

I could go on and on with these comments. But one constant is how we have lost sight of the true meaning of Christmas. Besides the most obvious reason why we celebrate this magic day on the 25th of December the words of Elksdom come clearly into play. We are to inculcate (instill) the principles of Charity, Justice, Brotherly Love and Fidelity (in others). We recognize a belief in God; We are to assist with the quicken of the spirit of American patriotism. We are to cultivate good fellowship; and to perpetuate itself. Finally we will serve the people and communities through benevolent programs.

John Wycliffe wrote that “Charity should begin at himself.” A proverb simply stating that Charity begins at home. You need to be generous to your family before helping others. As an Elk you can help by volunteering your time. We have events that only take a little of your time to participate in like the Hoop Shoot (December 18th 1:00 at Lincoln Southwest), our Sacking party and Lodge Pot Luck Christmas Party on December 17th, just to name a few things. You can attend our Lodge sponsored events like dinners, or our Memorial Service (December 5th). As a side note, did you realize that the revenue that is generated by these events goes to the works of our lodge? We do things like assisting Children and Veterans who are in need of help.

One hundred years ago our predecessors contemplated the state of the world with understandable trepidation. The world faced repercussions of the First World War (the Leipzig War Crimes Trials began in Germany) along with other wars like the Irish War of Independence, revolutions, uprisings, riots, and strikes. An infectious disease was spreading. It was not the Spanish flu, which had raged in 1918-1920, but tuberculosis (TB). But in 1921, a Paris newborn received the first BCG vaccination against tuberculosis.

As time progresses much remains the same. This Christmas season we have so much to be thankful for. I am Thankful for my immediate family, my friends and you.

I would like to share with you an Irish Christmas Blessing :
“The light of the Christmas star to you, The warmth of home and hearth to you, The cheer and good will of friends to you, The hope of a childlike heart to you, The joy of a thousand angels to you, The love of the Son, And God’s peace to you”

Have a Merry Christmas and a Joyous New Year.

Knights Tales

Balance is the essence of life for the socio-consciousness of a nation at peace with itself. But how do a people get to where such peace of mind is obtainable?

It may start with their own sense of morality and ethics. Such a case for finding and establishing that sense of balance for fairness and validity within a given assemblage starts with each person wanting fairness and equity, thus leading to where even their misdeeds may be handled with courtesy and respect. But is Justice meted out just based upon seemingly random applications to stalwart adherences to an organization's rules and regulation? No? Then how and why do Justice issues matter at all when they may potentially disrupt the otherwise seemingly smooth operation of a given assemblage?

First of all, Justice should not be observed based upon mere by-laws and constitutions. Those dictate for why and how a given organization flourishes should be taken as static lines of reasonings that are supposed to help keep a given group together. Second, it is an ideal where in actual practice it is a state of mind to adhere to. Third, Justice in practice should be observed, not nipped for the sheer pleasure of it being followed.

You'll know when Justice is alive and well in an organization, like the Elks, when your five senses pick up the harmony, compassion, and togetherness of the group without the clamor of Justice being used against everyone like a bat at a baseball game.

"Playing Ball" for any group should be the enjoyment of undertaking desired programs as an extension of each person's will for their group's success.

-Rev. Dr. William Jackson, Loyal Knight

"Charity"... There are many definitions of this word. So many, that the word itself is seemingly commercialized. Annually, many organizations rely heavily on donations of all kinds; to feed the hungry, shelter against the cold, and assist those who, for whatever reason, are not able to provide for themselves or their loved ones.

I became interested in the Elks and entertained the invitation to join based upon the path of helping children and veterans. My heart swells with pride today. I know in my heart, that at least one child, who may not have otherwise, will wake on Christmas morning and smile, laugh and forget their whereabouts. This child, for one sliver of time, will be happy and feel that someone does care about them. Yes, my heart swells today. I'm proud to be a part of an organization that can and will make this happen. Even for just one.

Thank you to all who help make this happen.

-Ed Holloway, Leading Knight

Yup Back Again!

As I sit and scribble another monthly article I've noticed months, weeks, and days are not as long as they once were. It feels like last week when I was trying to think of something clever to write about. Seems something always pops into my mind but damn the ensuing headache can be a problem. Oh well!

Hope you all had a belly filling Thanksgiving. I did, it's one of my favorite holidays. I love making my sage and oyster dressing. I always make extra so I can enjoy it for at least a week. Dinner at the Lodge was good and tasty! Thanks to Harry, Laurie, Scott, Jody, L1 & Bob for a job well done.

As Christmas sneaks up on us, as it usually does for me, everyone have a great holiday. Oh, and yes, the celebration (after Christmas) is another big deal because we can all say we made it through another blessed year.

Come to the Memorial Service on December 5, it is always a nice solemn ceremony.

See ya around the Lodge.

Be Safe <-----> Be Good

-Larry Jurgens, Lecturing Knight

Secretary's Corner

Joy to the World! So begins the month when so many opportunities for thankful celebrations take place. Please accept my heartiest wishes for a joyful holiday season!

We have been notified that Grand Lodge Per Capita and Assessments will increase by \$5 for 2022/2023. This is necessary to offset the increase in cost of liability insurance which covers all lodges. For those of you who take advantage of our automatic dues payment benefit, please note that there will be two March withdrawals – your regular dues amount of \$8 (\$16 per member couple), plus a second in the amount of \$5 (\$10 per member couple), representing the per-member upcharge for the raise in 2022-2023 Grand Lodge per capita. Both withdrawals will take place on or about March 7.

Reminder: We now have voicemail on the lodge phone – 402.421.6363. You may now call the lodge at any time, day or night, with your question or reservation for dinners – just leave us your name, number, and message. If you leave a reservation, you may assume that it was received.

As always, please don't hesitate to contact me if you have questions or need assistance with all things Elk. See you at the Lodge!

Does Dispatch

The Does have had a fairly busy year with Convention in Omaha last summer and our District Meeting a few weeks ago in Falls City; Randy and Wauneta don't have to worry about getting 12 hearty souls to man our concession stands for UNL's home games until next Fall; and we're all anxious to see what the new year will bring. How did 2021 go by so fast!?

Drove No. 4 will be voting on our new board at our Wednesday, December 8th meeting. Our Christmas lunch/party will find us at Lee's Chicken the following Saturday, Dec. 11th. Cocktails at 11:30 am with lunch following. If you are bringing a guest please let Diane or Wauneta know.

By the time you read this Thanksgiving turkey and ham will be a thing of the past and we'll all be gearing up for Christmas and thinking about the real meaning of this season. Celebrate the warmth and love of home, family, and friends and your special ways of honoring your faith and God. Share what you can with those less fortunate and teach your young people, kids and grandkids, how to share. We can all do little everyday things to make this world, our Country, ourselves and those around us a happier more loving place to be in.

Have a blessed Christmas and holiday season. See you at the Lodge!

Now for the Quickies...

It's been a very busy month at our Lodge, and December is shaping up the same way. Halloween has come and gone, and so has Thanksgiving - a wonderful time of year to stop and reflect on the bounty God has given us. Harvest is completed, the crops are in and stored, fields prepared for their long winter's nap, and new life in the spring. We have plenty to be thankful for, that's for sure ... As we move into December, we are wrapping up yet another year of involvement in the Does' Husker Football Game Concessions fundraiser for Drove #4 in Lincoln. 55+ years of helping at Concessions at UNL home games! The proceeds underwrite the majority of the Does budget for the year, and they have always been extremely generous with the Elks for their efforts. Rounding up 12 volunteers for 8 home games is a challenge, especially during times of a pandemic, yet somehow we managed to persevere. A huge Thank You to all who helped ... the dinner on the 4th is in appreciation of those volunteers, and their families who relinquished them for a day. We truly have great volunteers and a lot to be thankful for ... by now I am sure you have heard of the Christmas Parade tragedy in Waukesha, Wisconsin. 6 dead and dozens injured at the hands of a malicious maniac... Waukesha Lodge #400 has set up a special fund to assist those in need in this terrible event. The proceeds from our raffle this Saturday will go to their fund, as well as any cash donations received, so please come to the dinner. Buy raffle tickets - two "arms-lengths" this time instead of one. Let's show support for our fellow Elks in Waukesha as they reach out to those directly impacted ... The Annual Children's Christmas Party has taken a different direction, partly due to Covid, partly due to the ending of an era, and the start of new traditions. The candy sacking will still take place December 17th, along with a carry in dinner and karaoke, we can all sing Christmas Carols together, as well as enjoy the music and camaraderie of karaoke. Please make plans to attend, details elsewhere in the Elk O Gram ... Hoop Shoot is right around the corner, lots of fun ... deer hides being collected, the bin is on the south side of the building, please contribute. Ask Lecturing Knight Larry Jurgens for more information ... 5 Officers in our Lodge were seen handing out American Flags to 5 new Eagle Scouts at a ceremony here in Lincoln, quite a feat! ... Christmas Lights at the Zoo, something fun to do with the family ... Winter is right around the corner, we have had a mild fall ... Christmas is soon upon us. Please, take the time this season to reflect on the many blessings bestowed upon us. For all the problems in our country, we still have much to be thankful for ... Chili feed will be upcoming, please look for that next month and get your chili recipes ready! ... Cash Calendar payouts will be starting, there is still time to get additional calendars. They make nice stocking stuffers ... Please patronize the Jolly Cork Pub for lunches, adult beverages in the afternoons. This is a benefit of membership, so please stop in for lunch or a cold one ... karaoke was a blast last month, many new faces and singers ... John T. sure has some pipes! ... Keep P.E.R. Troy Pederson's wife Heather in your prayers, surgery and lots of pain, plus the loss of a family pet, they've had a rough go of it lately... reach out to those who are alone this holiday season - the few minutes spent over a cup of coffee may be the real cheer for someone struggling alone ... better yet, get them to join our Lodge where they can meet new friends playing pitch, enjoy the camaraderie of a monthly meal together, or help volunteer to help others. Nothing better for the soul than helping others ... see you around the Lodge ... Merry Christmas and Happy New Year from your Elk O Gram staff, Randy King and Maureen Sadler. God Bless us...every one!

Children's Christmas Party

Due to the uptick in COVID statistics, the Lodge members present at the November 3 meeting voted to NOT hold the Annual Elks Children's Christmas Party at the Arena this year. At the same meeting, it was decided to move forward with our tradition of the Sacking Party, and to make 1,000 bags to be distributed to organizations to be determined at the December 1 meeting. The Sacking Party will be held at 4:00 p.m. on Friday, December 17 at the Lodge, and we hope you will plan to join us!

The Christmas Party will follow at 5:00 p.m. the same day. As always, please bring food to share, and we'll share good Christmas vibes with our brother and sister Elks and families! Christmas Karaoke will be part of the evening mix, and everyone is invited to participate.

As for the money that would have been spent on the Children's Christmas Party, at the November 17 meeting it was decided to donate \$5,000 to City Impact's Gifts of Love; \$2,000 to Cedars; \$1,500 to Christian Heritage Foster Care; and to split the remaining money, after the purchase of the sacking items, between WE CAN DO THIS and the Food Fort, both non-profit entities that provide meals and support to underserved neighborhood children. All of these organizations are engaged in providing Christmas for the children of Lincoln, which is a fitting expenditure of these funds.

Hope to see you at the Lodge on December 17 - 4:00 p.m. for the Sacking Party and 5:00 p.m. for the potluck!

Karaoke...

The Pub hosts Karaoke every third Friday of each month. We would love to see you come support this very fun and entertaining event. We have some really talented folks join us and they can sing very well. If you can't sing, guess what? We don't care, some of us can't either! We don't let that stop us. Some who join us don't feel comfortable singing but they have a song that they would like to hear. They simply ask someone to sing it for them. I will try anything once. I may not be able to carry the tune but hey, I'll give it a shot. We need your support as an audience just as much as we need singers for the night. In four hours, we usually get through 52 songs. That's a whole lot of entertainment. Come join us for a night of fun with friends! - *Ed Holloway, K.J.*
