Help Support Lincoln Elks Lodge #80 Scholarships

Once again, your Lincoln Elks Lodge is registered with Give to Lincoln Day. You may ask what this means to you as an Elk.

Being registered with Give to Lincoln Day allows us to contribute to our scholarship fund, and receive a tax deduction for doing so. It also qualifies us for matching funds based on the amount given, so your generous contribution is enhanced by donating through this program. This year there are \$5,000,000 in matching funds that will be distributed to the non-profits that receive donation during this event, thanks to many generous sponsors.

May 1 - Online giving opens on the website, www.givetolincoln.com. Go to this link and type "Elks" in the "Search by Name" box, click on the "Go" button, then click on "Lincoln Elks Lodge #80 Charitable Fund, Inc."

Donors can also mail donations to the Lincoln Community Foundation office, 215 Centennial Mall South, Suite 100, Lincoln, NE 68508 starting May 1. West Gate Bank will also accept offline donations (checks) starting May 1 at all of their Lincoln branch locations. Donations can be made through 11:59pm, May 26th.

When giving a check, on the memo line, please include "Lincoln Elks Lodge #80 Charitable Fund, Inc." Donations made to the scholarship fund will help ensure that the values of our scholarships will continue to grow and keep pace with inflation.

Like everything else, the cost of education continues to increase, and donating to this worthy cause will help our scholarship recipients attain their dreams.

Message from the GER
Grand Lodge Newsletter, May 2022
Spring has sprung; summer right around the corner.

Hey, hey it is the first of May. I hope you were able to turn in your Community Project Contest form to get your Lodge some deserved recognition. Remember, the annual charity report is due May 1.

The first week of May is also Elks National Youth Week. I would encourage you to hold an event and honor all those who participated in your Lodge's youth programs over the past year. A variety of participation certificates available online. However, if you cannot find one, make one up. Show our youth that Elks are there for them. Further, sponsor programs that encourage youth to become outstanding citizens. If so, we will help them with "Meeting the Challenge."

Three honorable events take place this month. While only one is mandatory for Elks, the other two need to be recognized as well. Sunday, May 8 is Mother's Day. This is a mandatory service that needs to be performed by your Lodge. This event is open to the public and extra attention should be taken to ensure this ceremony is well attended to show the respect all moms deserve. The Special Ritual Manual also requires the use of red and white carnations to honor these mothers. Please perform this service and show that Elks Care — Elks Share for moms everywhere.

The second event is Armed Services Day held on Saturday, May 21. In 1949, Defense Secretary Louis Johnson presented an idea to create one single day to celebrate the unification of the armed forces under the Department of Defense, instead of celebrating each separately. Schedule an event to honor all active armed services members. Invite them to the Lodge, provide them a meal, and show our support for all they do for us and our country.

Then comes Memorial Day, held on Monday, May 30. This day is for honoring the men and women who have given the ultimate sacrifice for our country while in the United States military. In the years following the Civil War, it was originally known as Decoration Day. By the late 1860s, Americans in towns and cities started holding springtime tributes to the countless fallen soldiers from this conflict by decorating their graves with flowers and reciting prayers. It became an official federal holiday in 1971. We now not only honor our fallen United States service men and women, but also family members who have passed on. We hold family gatherings and parades to unofficially mark the beginning of summer.
 - T. Keith Mills

2022-2023
Welcome New Officers!

This is the time of year when we normally hold two of our big youth recognition activities.

One of these is our Teen of the Year awards, which is usually held at the Lodge. Our Teen of the Year award recognizes outstanding 8th grade students from Lincoln and surrounding areas. We ask the Teachers and Counselors from the schools to choose two good all-around kids, one boy and one girl, who are of good character and who stand out among their peers. As we did last year because of COVID concerns, we again this year held a drive-up award ceremony. Each student was given a certificate, an engraved Teen of the Year metal water bottle, cookies and \$25 cash. Amy Jacobsen has been the Chairperson for Teen of the Year for several years, but due to increasing job demands she has decided to step away from this project. I am looking for someone who is interested in taking over the leadership of this committee. Amy said that she is willing to train our new chairperson, as well as work with them the first year to get them up and running. Please contact me, or any of the Lodge Officers if you are interested in helping with this project. Thank you, Amy for your years of hard work and dedication to this program.

The other large youth event we usually hold this time of year is our scholarship award ceremony, which is usually held at Southeast Community College. Because of COVID concerns we were again unable to have our in-person award ceremony this year, and had to settle for sending certificates out to the scholarship winners. We have awarded over \$50,000 in scholarships from your Lincoln Lodge this year.

You should all be proud to be a part of an organization that can make such a large impact in our community. If you see Laurie Montag around the Lodge, please thank her for the time she put in to organize and coordinate the judging and distribution of the scholarships. WELL DONE, LAURIE!!

On another subject, I have just returned from the Nebraska Elks State Convention, where your Lincoln Elks Lodge was recognized for the number of deer hides collected. Thank you to our Hide Chairman Larry Jurgens all of your hard work collecting, salting and delivering the hides, and to all of those who assisted him. Lincoln Lodge was also recognized for being the State leader in ENF giving with \$25.66 per member. WHAT AN ACCOMPLISHMENT!! Your Lincoln Elks Lodge was also recognized as having an increase in membership for the year, we finished the year at plus 2 members.

Last, but certainly not least, Larry Bratt was selected by our State Association as the Nebraska State Elk of the Year. What a great, and well-deserved honor. Congratulations Larry!

Thanks, Larry

Knights Tales

Greater love hath no man than this; that a man lay down his life for his friends. (John 15:13).

405,399 U.S. servicemen killed in World War II; 36,516 killed during the Korean War; 58,220 in Vietnam; 4,492 in Iraq; 2,325 in Afghanistan.

This month we celebrate Memorial Day and honor those who have given their lives in defense of this great nation. Where would we be today if not for them? Can you Imagine being ruled by Hitler, or Stalin, rather than the constitution? What would be the state of the World today, if the United States did not exist?

Let us take time this month to remember those who gave the ultimate sacrifice and honor them for this. Let us remember that freedom is not “free”, but comes with a substantial cost, and for some that cost is indeed, very high, for them and their families.

- Bryan Leavitt, Lecturing Knight

Greeting and salutations, my fellow Elks. I am honored to have been elected as the Leading Knight for our lodge this year. I am looking forward to working with our new officers and moving our lodge forward in being the Charitable organization that it is. I apologize for this not being a more detailed article, however, with the State Spring conference having been this weekend I was busy with my State Association duties. I promise the next article will be of more substance.

-Larry Bratt, Leading Knight

What is it about fair play and a concern for even-handed supervision that helps make for a well-run business or organization? How does efficiency, satisfaction, and accomplishment sound? Or are these accolades of any sociocultural coming together just stumbling blocks to their success?

One thing is true: managing persons often leads to an ineffective job, association, or bureau to the point where that same operation will soon deteriorate in no time, leaving all concerned penniless and without the resources for their daily living.

For any organization to survive, it needs two things: willing workers and straightforward organizational policies. The workers or association members band together to not only fulfill the statutes of their coming together, but more essentially, complete their obligation to serve and support their community.

On the other hand, there’s the situation of self-policing among an organization’s staff or members to continue making their joint calling a continuing success. When the members and leadership of a given organization remain true to their calling to be together, they serve their group unselfishly and unapologetically. And, of course, the community continues to be blessed beyond all expectations.

- Rev. Dr. William Jackson, Loyal Knight

Secretary’s Corner

I wrote “Spring has Sprung” in the April newsletter – but I think that was a bit premature. I now have great hopes for May, and also that it will bring that 6 inches of nice, gentle, soaking rain! Dry, dry, dry. But folks, this drought has to break sometime. Let’s hope it’s sooner rather than later!

Please note: If you did not pay your 2022/23 dues (which were due April 1) by the time you receive this newsletter, you will definitely receive another statement in mid-to-late May. This is because the billing service engaged by Grand Lodge harvests the information at the end of April. We only have 24 members remaining who are delinquent in their dues as of this writing – it sure would be nice to whittle that number down! If you have a lavender membership card in your possession, you’re golden!

If you are planning an extended absence (over a month) this summer (or anytime, really), please let me know to either stop or forward your Elk-O-Gram. Because we mail at bulk rate, the post office will not forward the newsletter, but they will send us a lovely postcard with first-class postage due to let us know they couldn’t deliver it - sometimes they send 2 or 3! It saves the lodge money if you give us a heads-up of how you would like to handle delivery during those times you are away. You might even consider switching to email delivery and save the paper cost!

As always, please don’t hesitate to contact me if you have questions or need assistance with all things Elk. There is voicemail on the lodge phone, or you may contact me as below. See you at the Lodge!

Does Dispatch

The UNL Spring Football game was a rousing success...we won!! It was a success for the Does as well, as we had a full staff manning our concession booths and in the process found an Elk brother, Wade Kendle, adrift from a booth no longer being manned by his organization. Wade kindly agreed to join us at our large concession stand.

We hope to see a lot more of him. Randy King’s new-old bus got us all to and from the game with room for more people. Just let B.A. Fisser or Penny Taylor know if you’d like to join this fun-loving group! We can always use more help.

The Does will be helping the Elks with Burger Night the second Tuesday of the month from now on. Be sure to come out and say “hi” and drool over the beautiful Corvettes in the parking lot while their owners have their monthly meeting at the Lodge.

We’re already planning on President Vicki Logan, Wauneta Peterson and Diane Zabokrtsky going to the Grand Lodge Convention being held June 18 – 22, 2022 in Phoenix, Arizona.

See you at the Lodge!

Sandy Reiber, Secretary ~ 402-432-0222 or sreiber@windstream.net

Notes from the Trustees

The Trustee's elected Scott Schrage to Chair the Trustee's for the upcoming year. Harry Montag was elected Secretary. The new tile floor in the front of the Lodge Room was recently completed, a big Thanks to all that helped, and especially Bryan Leavitt for donating the tile and supplies to install. P.E.R. Dave Kirby reviewed our Insurance coverage, and recommended we have a risk assessment conducted to identify potential areas of risk exposure our Lodge incurs, and to identify insurance needs so better/correct coverage can be obtained. Trustee Randy King volunteered to contact Chris Bartling, of Bartling and Hinkle, in the Trade Center, to see if this is something he can assist with.

Pictured: Michael James Longs III, who was recognized as a Teen of the Year recipient at the lodge Fish Fry on April 9.

Teen of the Year was held drive-in style on Sunday, April 10. Thirty-six outstanding 8th graders from 18 area middle schools were recognized with a certificate, an insulated water bottle engraved with the honor, and a \$25 cash prize.

Chair Amy Jacobsen contacted each middle school and solicited an outstanding male and female 8th grader. We would normally have had celebrations in the lodge, but the re-emergence of the Omicron variant in late January put those plans in jeopardy. We hope to be able to return to the in-person celebrations next year. In the meantime, you can enjoy the photos of the recipients on our website, elks80.org.

Note: Amy is retiring from this chairmanship that she has held for years, and we are actively seeking someone to take the helm for next year. If you are interested, let the Secretary know and she will put you in touch with Amy so you can get the scoop on the job!

No More Trip Hazard!

For those of you who haven't noticed, the nice yellow sign in front of the steam table with the note "TRIP HAZARD" attached to it, has disappeared!

The trip hazard sign was there because of parquet tile which had buckled due to exposure to water over a period of time. For quite some time we've had an issue with a dishwasher leak. We've had a professional repair company come in to look at the dishwasher, but to no avail. We discovered another leak source and fixed that, but a couple of weeks later, more water. After a few attempts to figure out where the water was coming from, we (Harry Montag, Larry Bratt, Larry Jurgens & Larry Schwindt) decided to remove the outer panels of the dishwasher and see if we could determine the source of the leak. After some muttering and grumbling and getting into a few contorted positions to look inside of the beast, we determined where the source of the not so steady drip was. After removing one of the parts, we found a bad o-ring. We replaced the o-ring and ran the dishwasher through several cycles, NO MORE WATER LEAK! Now that the water issue had been solved, we were free to tackle the reason for the nice yellow sign. Beginning March 27th, a crackerjack team of semi-professional amateurs began removing the damaged parquet flooring (with surprisingly few injuries to the participants). After the old flooring was removed, and the considerable mess was cleaned up, we installed a new tile floor as well as a new threshold between the kitchen and the Lodge room. A huge "THANK YOU" goes out to Bryan Leavitt for donating the tile, mortar and grout. A massive "THANK YOU" also goes out to the following semi-professional amateurs who gave freely of their time, knowledge, and energy to undertake this task: Dick Wolf, Scott Schrage, Harry Montag, Greg Znamenacek, Larry Bratt, Larry Jurgens and Larry Schwindt.

We had the annual Fish Fry April 9th, and like the ones before, everyone had a great time. We had 98 people there to enjoy the fish dinner, raffle prizes, and fellowship with friends and members. Our hats go off to thank the many people who helped with the meals, raffle prizes, and making this a success for the Lodge. Great job guys and gals!
