

TEENAGER OF THE YEAR

By Amy Jacobsen ER

Lodge 80 has held three of four Teen of the Year presentations this spring. The fourth and final program will be Sunday, April 10th at 2:00 p.m. Like years past, we have met some talented 8th grade boys and girls. Each walked away with a certificate suitable for framing and a \$100.00 savings bond to use for college. The award winners are chosen by their teachers and their names are submitted to us. Each participating school sends a representative to present the award and tell us a little about these young people. Join us on the 10th. Refreshments will be served.
