From Secretary's Crystal Ball!!

As I gaze into the Crystal Ball, I see

(1) Every delinquent paying their 1988-89 Dues!! Great!!

(2) 500 Brothers applying for Re-Instatement to #80.

(3) 785 Fine American gentlemen signed applications to join the Elks. Fantastic!!

(4) Current members taking advantage of our "New Look" & "New Direction", waiting lines for food, beverage, etc.

(5) More members attending Lodge meetings than #80 can handle - Turn Out Unbelievable.

(6) Everyone "Happy", so considerate and understanding of our transition period - Brotherly Love, All The Way.

(7) 300 families all signed up for pool membership in '89.

(8) Our beautiful new stone building is an eye catcher for all. The envy of every other Elks Lodge.

(9) The card players and employees wearing formal wear due to the pride of #80.

(10) Our pick-up and deliver limousine service.

Oh! Excuse me. Gotta go - I see the guys in white coats coming to get me!!!

Have a Happy September.

Fraternally,
Ron

P.S. Wouldn't all of the above be great?? We really could make it happen!!

No, I haven't gone goofy (no more than usual). We need positive thinking!!!

On my way to California for 3 weeks!!

"FOOD FOR THOUGHT"

From the Secretary

Appearing in next month's Elk-O-Gram will be a list of those members who have forgotten to pay this year's dues. This is a reminder, my brothers. If your name is on the list, please stop in and renew your membership.

Thank You,
Ron Dodd

From the Editor

I realize that during the fall months we all are real busy with different activities. Since I may be hard to reach I would like to remind everyone that if you have something to go into the Elk-O-Gram, I have a box in the office of the lodge. Drop in the information, with your name, to the lodge, prior to the 14th of the month, one month in advance.

Thank you,

Trustees Report

September is here and we are looking forward to a super fall season. Some things change but others will always remain the same. Your trustees will continue to work in a totally harmonious manner to insure that our lodge remains a viable and effective brotherhood of the Benevolent and Protective Order of Elks. To do this the trustees spent many hours of soul-seeking effort to make a plan for the future. In total harmony, we felt that it was impossible for our club to continue as it was and that there needed to be a major overhaul in our club operations. We realize that the changes took place rapidly and did cause inconveniences for some members and for this we are deeply apologetic. However, the changes were for the good of the Lodge and the order. Lead time would have helped, however the month of August has traditionally been the slowest club month and it was felt that all things considered, August was the best time for this action to begin.

We still do not have all of the answers to improvement of our food service operations, however the changes to date have proved to be very good. We now are serving

parties and special events. All to date have been super activities with excellent results. This will continue.

If you have a group that you would like to get together, call the Lodge and make a special party arrangement and we promise you an excellent gathering.

We are in the process of making some of these parties for you. Watch the Elk-O-Gram for these special events.

During the September Lodge meetings the trustees will be presenting to you an amended budget for the balance of the lodge year based upon our current operations. Your attendance at the Lodge meetings would be greatly appreciated.

Finally my Brothers, I would like to thank the large numbers of brothers who have supported the action of the trustees over the past several months. Without your concurrence and support our job would be much harder. The pressure has been great but it is for a great purpose, the future of our Lodge.

Fraternally,
Wes Durst PER

Board of Trustees
