Exalted Ruler's Message

Dear Brothers,

For those of you that were unable to attend the Inaugural Ball on Saturday, May 6th, you certainly missed a wonderful evening full of good food, excellent dance music, and fantastic fellowship. It was positively unbelievable to see how the Lodge room was so uniquely transformed from the strictly business atmosphere to one filled with warmth and strains of celebration. My wife, Mary and I, wish to thank Bob & Suzanne Clinkenbeard and Charles & Kathy Meisinger for all their decorating efforts. They truly were greatly appreciated. To Dave Kirby who coordinated the event, believe us your efforts did not go unnoticed, thank you. However, all of the efforts by these people and others would have gone for naught, if you the membership would have not been so supportive. We wish to thank the officers, committee members and all our Elk friends for taking the time to come and join in the festive celebration. It is your attendance that makes such an occasion meaningful and memorable. We are so fortunate to have your support and we are most grateful.

A few short weeks ago Lincoln Lodge #80 traveled to Kearney for the Annual State Convention. Believe me, the world of Nebraska Elksdom certainly knows of the good works and strong devoted leadership that is exemplified here in our Lodge. We, Lincoln Lodge #80 are most proud of the fact that the newly installed President of Nebraska Association of Elks, Jack Jensen, Jr. is a member of our Lodge as well as the newly elected Third Vice President of the State Elks Association, Bob Clinkenbeard. Our Lodge also received recognition by the appointment of two of our members to the following positions: State Chaplain, Wes Durst, PER & State Organist, Chuck Hooper. Then came awards time and once again Lincoln Lodge #80 was heard from when Brother Vi Berst was honored by receiving a Certificate of Excellence from the Elks National Service Commission for his dedicated service to the Lincoln Veterans Administration Medical Center. Speaking for the entire membership of Lincoln Lodge #80 we extend to each of you our heartiest congratulations and we are so proud to call you our Brothers! May each of you have a successful year in your respective offices and Brother Berst, keep up the wonderful volunteerism at the Vets.

Summer activities are upon us, even though taking into account the past few weeks of weather conditions one might think our first activity should be the building of an ark. However, the House Committee feels the building of an ark might be just a little beyond the talents of the majority of us, so they have planned some wonderful events for us to keep us in the swinging mood of summer fun. The monthly Burger Nights shall continue, but we would like for you all to take note. From hence forth they shall be referred to as Family Burger Night. We encourage you to make these functions a family and friend activity. In June these dates are Tues., June 13 & 27. What a way to have a neat mid-week social activity for the entire family. Now this is truly a treat for everyone on Fathers' Day, June 18th, there is going to be brunch served at the Elks Lodge from the hours of 11 a.m. to 2 p.m.. What a way for wife and children to devote all their attention to the Men of the Day without any kitchen chores. To keep your feet a dancin' Dave Kirby and his House Committee have a Runza Bake and Dance planned for Friday, June 23. For you dart players, keep in mind the 4th Sunday of each month starting at 1 p.m., a pot luck luncheon followed by a top of the line Dart Tournament.

I realize that one is very busy in the summer, but often times some of the routinely scheduled fall and spring activities slow down so we here at the Elks are offering you a variety of events to fill any of those spare social evenings. Pick and choose the ones that you can attend, but better yet, attend them all and expand your world of friendships within the Elks.

As we all enjoy getting to know one another better, let's just take a minute to think about, "Who we would like to share this wonderful experience with that is not an Elk?" This is a way that each of you could help make our Lodge grow, by inviting a prospective member to one of the June activities and you would then truly be part of "Happiness is . . . watching Elksdom grow."

Faternally,
Rod Rozanek, Exalted Ruler

Change!!! We're saying "so long" to Beer & Burger Night!

Well, not really . . . we're just changing the name to reflect our target audience. The old name seemed to imply there was just as much beer being served as the burgers, which just wasn't the case. The idea is to promote more of a family atmosphere, and for the price, you can't go wrong. We'll even be offering Bingo games at some of the next few suppers, although the details are still being planned. Why not plan to make it to the June Family Burger Nights - you'll enjoy it and support your Lodge at the same time!
