THE FAULTS OF OUR MEMBERS, WE WRITE UPON THE SAND—THEIR VIRTUES UPON THE TABLETS OF LOVE AND MEMORY

Campaign to Support Pearl Harbor

At the 2019 Elks National Convention in St. Louis, outgoing Grand Exalted Ruler Mike Luhr issued a challenge to the Elks members to raise funds for the Pearl Harbor National Memorial in Hawaii.

"I ask you then, will your Lodges and Members support the idea of making sure the memories of our veterans, passed and living, are kept with us for the years to come, and make sure the history of that 'Day in Infamy' is recorded so our great great-grandchildren will be able to see where our country has been?"

With contributions from Elks across the country, we can preserve, restore and modernize the USS Arizona Memorial. All funds raised will be used to:

Replace old, faded and peeling outdoor exhibits along Pearl Harbor National Memorial's perimeter.

- Upgrade current static displays with digital exhibits, build new interactive displays to engage children, and modernize the Pearl Harbor museums with iPads and touch screens.
- Fabricate and install new exhibits, displays, programs, and software to better educate and serve all museum visitors.

Our ultimate goal is to raise \$783,000, or a dollar per member, to truly help preserve history, perpetuate peace and reconciliation and ensure that the memories of our veterans, passed and living, are never forgotten.

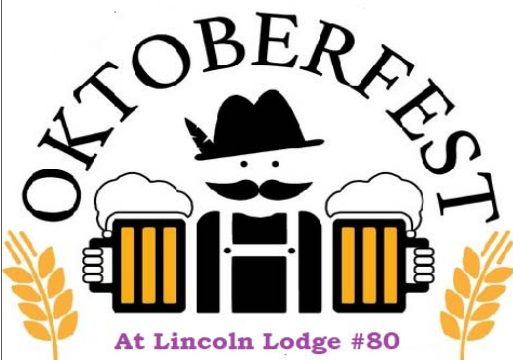

These contributions will help honor the service and dedication of Americans whose profound contributions to our nation should never be forgotten, so that generations to come will know and appreciate the enormous sacrifices of the Greatest Generation.

Don't be shy to publicize charitable efforts .

Greeting Fellow Elks and Does!

The Lodge year is now more than half over, so it is a good time to review budget and financial matters. Budgets and financial practices can be revised at any time to reflect changes in circumstances. I want each Lodge to make every effort to maintain a sound financial footing in order to be able to sustain itself for years to come. We owe that to our Members and to our communities.

As a matter of fact, the Lodge Auditing and Accounting Committee is required under our Statutes to conduct a review and make a report to the Lodge concerning its financial condition. Its purpose is to generate discussion as to how to plan for a Lodge's future, and should be taken seriously.

I urge you to make sure your charitable efforts are being properly recorded and reported. For too long there has been a philosophy in many quarters that Elks do good works but don't need the recognition. Well, we do. People take note of the charitable work fraternal organizations do. The Elks have long been recognized as a leader in charitable and benevolent efforts, but in order to keep that standing we need to document the time and treasure we are contributing. It is estimated that only a quarter to a third of reportable donations and time spent are actually reported. It does a disservice to Elkdom to not provide the best information to allow us to promote our brand.

Recognition of those who are at the forefront of civic life is always something to consider. Special events and award ceremonies are wonderful ways to recognize first responders, elected leaders, and others who would likely welcome a pat on the back. Such events are also good ways to introduce our Lodges to the community, and generate interest in others to become Members.

Remember that October is now Red Ribbon Month, during which activities are held to promote the fight against drug abuse. It is a great opportunity for our Lodges to promote our commitment to combating the scourge of illicit drug abuse.

The Great Heart of Elkdom, the Elks National Foundation, deserves the support of every Member. It is a tremendous vehicle that provides funding for so many programs of the Order, including Hoop Shoot, scholarships, grant programs, and other important undertakings. Some may not be aware, but there is a way for every Member to support the ENF in a fairly painless way: the ENF Fidelity Club. Through it, you can sign up at elks.org to make automatic recurring donations of as little as \$5 per month, or \$15 per quarter. All of those donations, great or small, will add up to make the ENF even stronger and more capable for the years to come.

I cannot believe that it is already October — the 10th Month of the year!

The name "October" is derived from "octo," which means "eight" in Latin. It dates back more than 2000 years to the ancient Roman calendar, which was replaced by the Julian calendar in 45 BCE. There were no January and February in old Roman calendars, so in Latin times it was really eighth month of the year. But later on, with time and weather predictions purpose, January and February were inserted.

There are a plethora of activities happening in and around our state and other Elk lodges to celebrate the coming of Autumn. Sidney Lodge celebrates Oktoberfest October 4-6, 2019, and Kearney Lodge Oktoberfest is Oct 19, 2019. You might consider taking the family the Country Harvest Pumpkin Patch in Glenvil (near Hastings) or Vala's Pumpkin Patch near Gretna, or visit Nebraska City's Arbor Day Farm orchards for wonderful apple treats.

October is the marking of fall and harvest time. Isn't it time for all of us to do some harvesting? Are you proud of what Lincoln Lodge #80 has accomplished this year? I believe that we promote and practice our four cardinal virtues of Charity, Justice, Brotherly Love and Fidelity. We enhance the welfare of all by being true to who we are. We exemplify Charity in our community by supporting local students' post-secondary education by providing scholarship opportunities; our Children's Christmas Party; Hoop Shoot; gifts of Thesauruses, and Youth Football. We exemplify Brotherly Love with our fellowship dinners and other opportunities for fellowship. We exemplify Justice and Fidelity in the spirit of American Patriotism by honoring our flag, our Service veterans, and our support of Boy Scouts and Girl Scouts.

We need to share these opportunities. We need to bring others into our Lodge. Be proud of what you are. Spread the word and invite your friends, acquaintances, and neighbors to become members in one of the best and oldest organizations in our fair city. Let the harvest of new members begin!

Since we are half way through this year I would like to thank all of you for help, kindness and support that you have shown. Let's keep it going, rev up those engines and get 'er going. We have a lot of things to look forward to in the following months.

Vince Lombardi stated that "**The only place that success comes before work is in the dictionary.**" To grow our lodge, we all need to work a little harder at this. Try something a little different. Reach out to others. They do notice. Tell 'em who we are. Invite them in. They could be - no, they *will* be— a great addition.

A final remember—Halloween is on a Thursday this year, and our clocks fall back soon after that on Sunday morning, November 3rd.

Have fun with the Harvest we will be seeing you around our Lodge.

Secretary's Corner

I was just thinking about summer being over and the year-end holiday experience is just around the corner! It does not seem possible the last year has gone so fast!

We all know this is a busy time of the year and I don't need to remind you of that! Things are also busy around the Lodge, Youth Football, Hoop Shoot, Dinners, the Veteran's Victory Apartment Project, and the

Children's Christmas Party are just a few of those "busy things". Whether you volunteer to help with one or several of these activities, it would be much appreciated. If volunteering to help is not possible, you can also contribute monetarily.

As mentioned in last month's Elk-O-Gram, the names of those who have not yet paid their dues for the lodge year are posted elsewhere in this Newsletter. We go to press the last week of the month, I apologize in advance for printing your name if payment arrives during that time. Second dues notices were mailed last month. I am sure payment was an oversight with everything going on. Your attention to this matter will be much appreciated. Membership is what makes our organization strong and viable in the community.

Please, if you have any questions or comments of how I can better serve you, please contact me. My phone number is 402-570-2555 and my email is:

Knights' Tales

I am going to be a little short this month Harry had to remind to write this article ,I think we should ask Harry Montag if he needs help once a while I think He does a lot Thanks Harry. Everyone have a Great October ,I am taking the Dog trick or treating, She want to go as Pitbull I told her she is to fluffy ,Maybe a dust cloth or open to ideas She is Pekpoo 12 lbs of Fluff. Now you know why I walk her in the dark.

Leading Knight Dick Wolf

Your Lecturing Knight here and ready to help with Brotherly Love. Help your Parents who are getting up in age like us all. Keep friends in the loop. Life gets busy, and it's hard to keep up with who might need your help with some problems or conflicts. It could be just as easy as listening to them talk about what is on their mind at the time.

October is upon us and so Oktoberfest dinner is just around the corner - make reservations early, as it will fill up fast! Have a taste of some good German food, have a libation with fellow Elks, talk to members you haven't met before and make some new friends. Make time to volunteer with the Lodge activities, and have fun with other people that think similar to you. I cannot describe how much I have grown as a person being a Lodge Officer in the Lodge. I hope I can pass this on to my own kids and make this world little better place.

As always, be active, go to the dinners and just have fun.

Lecturing Knight Troy Pedersen

The mist is clearing, blending with the wind-swept breeze to leave a bluish haze nearly every where the horsemen searched with their steadfast eyes. It was cold enough to warrant one of them to pull his cloak tighter around his neck and head, but leaving plenty

room for him to cast about for an unfortunate target. Pulling ahead of the group, one of the mounted horsemen led the way along the winding path towards their eventual destination: a seemingly abandoned squalor of a village with no one as yet out and about. The mystery of their pursuit will be unraveled, to the culprit's dire dismay.

This could have been a scene from many a romance novel, or even an episode from the "Game of Thrones" epic. But how do scenes from a make-believe show, or even a page out of history's Medieval Era, relate to today's saga of Elks offering assistance in the land where they live, work, and play?

It concerns the issue of Justice as orchestrated by an Elks Lodge, especially when a Lodge member is found to be in violation of her or his Obligation, or failure to perform his or her Fraternal Duties. But why would such an issue require the particular attention of a given

What's so special about taking action on this infraction?

Remember that Oath you took, then that Station of the Esteemed Loyal Knight, where "...Duty and Obedience to constituted authority..." became the chief teaching of that Station? When you do wrong, or violate rules you previously swore to support and comply with, something has to be done to get you back in sync with your avowed wish to follow Elks' traditions. That something is being examined by the officers of the Lodge, with key attention to rendering a just response to your violation or violations, since such disturbances "...can not be permitted to pass this station—the Esteemed Loyal Knight—unnoticed..."

Elks Justice "...is not vindictive..." The Lodge seeks to restore any one to their rightful status as a bona fide Elk's member. That is the way of the Benevolent and Protective Order of Elks. That's why you were recommended to become one of us. We are loyal to one another, and to serving our community. Make Justice as equal a virtue to adhere to as the other three. For now... The sound of their horses' hooves retreat slowly as if distance is gobbling up the galloping warriors at a leisurely pace. They don't look back. This time...they didn't have to draw

It's Cash Calendar Time!

Once again, our lodge will be selling cash calendars to help offset the cost of the many Elks sponsored youth activities and programs provided for the children of Lincoln and surrounding communities.

Inside this issue of the ELK-O-GRAM, there is only one insert (flyer) made up of one calendar with dollar amounts and then 6 information entry slips valued at \$10 dollars each.

You may choose to fill out 1 or all 6. You can buy all six (\$10 per slip = \$60) which will increase your chances of winning or you can sell some to your family, friends and neighbors.

They make great stocking stuffers for Christmas too.

We're starting to sell early (3 months) so we can make this an even greater event.

The drawings will begin the 1st of January, 2020.

Instructions are as follows: 1. Fill out the required information so we know who you are when you win. i.e. name, address, phone number. Please fill out this information legibly. 2. Cut along the dashed line(s) and return your personal information, along with \$10 per calendar slip, to Lincoln Lodge #80, 5910 South 58th Street, Ste A, Lincoln, Nebraska 68516, to the attention of Jerry Wilson, Lodge Secretary and Harry Montag, (I am holding down the fort until the return) 3. The calendar slips and dollars which you mail back will be collected for the drawing to be held in January of the New Year (2019). For more details, see the back of the calendar for additional instructions.

More calendars can be made available by copying the existing calendar or by contacting one of your lodge officers or one of our Jolly Corkers Pub bartenders.

Let's get excited about this event and the many youth activity programs it will help sponsor! Thank you for your continued support!

Elks pledge "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." The Elks National Veterans Service Commission takes that pledge one step further, and promises service to our nation's veterans and military members, with a special focus on service to those in need.

Thousands of Elks volunteers give generously of their time, energy and resources to serve veterans and military members each day, to ensure that pledge is not an idle one

Today, our volunteers provide direct service to veterans in more than 330 facilities each month. Through our grants to Elks Lodges, we connect with veterans and military members in their communities, providing them with services where they live. We help veterans reha-

Roberts Rules Of Order

Robert's Rules of Order is the standard for facilitating discussions and group decision-making. Having an agreed upon set of rules makes meetings run easier. *Robert's Rules* will help us to have better meetings, not make them more difficult.

Following are the basic elements of *Robert's Rules*

- Motion:** To introduce a new piece of business or propose a decision or action, a motion must be made by a group member
- Postpone Indefinitely:** This tactic is used to kill a motion. When passed, the motion cannot be reintroduced at that meeting. It may be brought up again at a later date.
- Amend:** This is the process used to change a motion under consideration. Perhaps you like the idea proposed but not exactly as offered.
- Commit:** This is used to place a motion in committee. It requires a second. A majority vote must rule to carry it.
- Question:** To end a debate immediately, the question is called (say "I call the question") and needs a second.
- Table:** To table a discussion is to lay aside the business at hand in such a manner that it will be considered later in the meeting or at another time.
- Adjourn:** A motion is made to end the meeting. A second motion is required.
